HOWE LANG

J. M. Coetzee and the Politics of Style Bloomsbury Publishing

J.M. Coetzee: a life in writing is the first biography of Nobel prize-winning author J.M. Coetzee. A global publishing event of the rarest kind, the book has been written with the full co-operation of Coetzee, who granted the author interviews, and put him in touch with family, friends, and colleagues who could talk about events in Coetzee's life. For the first time, Coetzee allowed complete access to his private papers and documents, including the manuscripts of his sixteen novels. J.C. Kannemeyer has also made a study of the enormous body of literature on Coetzee, and through archival research has unearthed further information not previously available. The book deals in depth with Coetzee's origins, early years, and first writings; his British interlude from 1962–65; his time in America from 1965–71; his 30 years back in South Africa, when he achieved international recognition and won the Booker prize; and his Australian years since 2002, during which time he won the Nobel Prize. J.M. Coetzee: a life in writing is a major work that corrects many of the misconceptions about Coetzee, and that illuminates the genesis and implications of his novels. This magisterial biography will be an indispensable source for everybody concerned with Coetzee's life and work.

Late Essays Penguin

J.M. Coetzee is one of the world's most intriguing authors. Compelling, razor-sharp, erudite: the adjectives pile up but the heart of the fiction remains elusive. Now, in *J.M. Coetzee and the Life of Writing*, David Attwell explores the extraordinary creative processes behind Coetzee's novels from *Dusklands* to *The Childhood of Jesus*. Using Coetzee's manuscripts, notebooks, and research papers—recently deposited at the Harry Ransom Center of the University of Texas at Austin—Attwell produces a fascinating story. He shows convincingly that Coetzee's work is strongly autobiographical, the memoirs being continuous with the fictions, and that his writing proceeds with never-ending self-reflection. Having worked closely with him on *Doubling the Point: Essays and Interviews* and given early access to Coetzee's archive, David Attwell is an engaging, authoritative source. *J. M. Coetzee and the Life of Writing* is a fresh, fascinating take on one of the most important and opaque literary figures of our time. This moving account will change the way Coetzee is read, by teachers, critics, and general readers.

The Death of Jesus Walter de Gruyter GmbH & Co KG

Expecting to be inducted into the army, Joseph has given up his job and carefully prepared for his departure to the battlefield. When a series of mix-ups delays his induction, he finds himself facing a year of idleness. *Dangling Man* is his journal, a wonderful account of his restless wanderings through Chicago's streets, his musings on the past, his psychological reaction to his inactivity while war rages around him, and his uneasy insights into the nature of freedom and choice.

Dangling Man Penguin

This brilliant new work of fiction from the Nobel Prize-winning author of "Disgrace" and "Diary of a Bad Year" allows Coetzee to imagine his own life, revealing painful moral struggles and attempts to come to grips with what it means to care for another human being.

Diary of a Bad Year Random House

In *The Slow Philosophy of J.M. Coetzee* Jan Wilm analyses Coetzee's singular aesthetic style which, he argues, provokes the reader to read his works slowly. The effected 'slow reading' is developed into a method specifically geared to analyzing Coetzee's singular oeuvre, and it is shown that his works productively decelerate the reading process only to dynamize the reader's reflexion in a way that may be termed philosophical. Drawing on fresh archival material, this is the first study of its kind to explore Coetzee's writing process as already slow; as a program of seemingly relentless

revision which brings forth his uniquely dense and crystalline style. Through the incorporation of material from drafts and notebooks, this study is also the first to combine an exploration of the writer's stylistic choices with a rigorous analysis of the reader's responses. The book includes close readings of Coetzee's popular and lesser known work, including *Disgrace*, *Waiting for the Barbarians*, *Elizabeth Costello*, *Life and Times of Michael K* and *Slow Man*.

Summertime Bloomsbury Publishing

From author of *Waiting for the Barbarians* and Nobel Prize winner J.M. Coetzee. J.M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from Viking. *Late Essays: 2006-2016* will be available January 2018. In a South Africa turned by war, Michael K. sets out to take his ailing mother back to her rural home. On the way there she dies, leaving him alone in an anarchic world of brutal roving armies. Imprisoned, Michael is unable to bear confinement and escapes, determined to live with dignity. This life affirming novel goes to the center of human experience—the need for an interior, spiritual life; for some connections to the world in which we live; and for purity of vision.

Slow Man Penguin

The Swiss writer Robert Walser is one of the quiet geniuses of twentieth-century literature. Largely self-taught and altogether indifferent to worldly success, Walser wrote a range of short stories, essays, as well as four novels, of which Jakob von Gunten is widely recognized as the finest. The book is a young man's inquisitive and irreverent account of life in what turns out to be the most uncanny of schools. It is the work of an outsider artist, a writer of uncompromising originality and disconcerting humor, whose beautiful sentences have the simplicity and strangeness of a painting by Henri Rousseau.

J. M. Coetzee and the Ethics of Reading Farrar, Straus and Giroux

"[A] civilized discourse between two cultivated and sophisticated men. . . . It's a pleasure to be in their company." —Michael Dirda, *The Washington Post* J.M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from Viking. *Late Essays: 2006-2016* will be available January 2018. After a meeting at an Australian literary festival brought them together in 2008, novelists Paul Auster and J. M. Coetzee began exchanging letters on a regular basis with the hope they might "strike sparks off each other." *Here and Now* is the result: a three-year epistolary dialogue that touches on nearly every subject, from sports to fatherhood, literature to film, philosophy to politics, from the financial crisis to art, death, eroticism, marriage, friendship, and love. Their high-spirited and luminous correspondence offers an intimate and often amusing portrait of these two men as they explore the complexities of the here and now and reveal their pleasure in each other's friendship on every page.

The Schooldays of Jesus Rodopi

J.M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from Viking. *Late Essays: 2006-2016* will be available January 2018. J. M. Coetzee, one of the greatest living writers in the English language, has crafted a deeply moving tale of love and mortality in his new book, *Slow Man*. When photographer Paul Rayment loses his leg in a bicycle accident, he is forced to reexamine how he has lived his life. Through Paul's story, Coetzee addresses questions that define us all: What does it mean to do good? What in our lives is ultimately meaningful? How do we define the place we call "home"? In his clear and uncompromising voice, Coetzee struggles with these issues and offers a story that will dazzle the reader on every page.

J.M. Coetzee Penguin

Attridge argues that it is the most discomforting & difficult elements in the work of Coetzee that make his writings so rewarding of study. This book follows the author's lead in exploring a number of issues, including interpretation & literary judgement, & responsibility to the other.

J. M. Coetzee in Context and Theory Penguin

Presents lucid and exemplary critical essays, introducing readers to J. M. Coetzee's works, practices, horizons and relations.

Here and Now Farrar, Straus and Giroux

From the double Booker Prize-winning author of *Disgrace*, an astonishing novel of new beginnings and the troubles of youth. 'Brilliant... Tenaciously absorbing' Daily Telegraph David is the small boy who is always asking questions. Simón and Inés take care of him in their new town, Estrella. He is learning the language, he has begun to make friends and he has the big dog Bolívar to watch over him. But he'll be seven soon and he should be at school. And so, David is enrolled in the Academy of Dance. It's here, in his new golden dancing slippers, that he learns how to call down the numbers from the sky. Yet it's here too that he will make troubling discoveries about what adults are capable of. The *Schooldays of Jesus* is a mesmerising tale about growing up, and about the choices we are forced to make in our lives. 'Compelling, often very funny, full of sudden depths' Observer Longlisted for the Booker Prize 2016

Waiting for the Barbarians Springer Nature

J.M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from Viking. *Late Essays: 2006-2016* will be available January 2018. J.M. Coetzee: What relationship do I have with my life history? Am I its conscious author, or should I think of myself as simply a voice uttering with as little interference as possible a stream of words welling up from my interior? Arabella Kurtz: One way of thinking about psychoanalysis is to say that it is aimed at setting free the narrative or autobiographical imagination. The *Good Story* is a fascinating dialogue about psychotherapy and the art of storytelling between a writer with a long-standing interest in moral psychology and a psychotherapist with training in literary studies. Coetzee and Kurtz consider psychotherapy and its wider social context from different perspectives, but at the heart of both of their approaches is a concern with narrative. Working alone, the writer is in control of the story he or she tells. The therapist, on the other hand, collaborates with the patient in developing an account of the patient's life and identity that is both meaningful and true. In a meeting of minds that is illuminating and thought-provoking, the authors discuss both individual psychology and the psychology of the group: the school classroom, gangs and the settler nation, in which the brutal deeds of ancestors are accommodated into a national story. Drawing on great writers like Cervantes and Dostoevsky and psychoanalysts like Freud and Melanie Klein, Coetzee and Kurtz explore the human capacity for self-examination, our wish to tell our own life stories and the resistances we encounter along the way.

On Writing Fiction Penguin

A new collection of twenty-three literary essays from the Nobel Prize-winning author. J. M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from Viking. J. M. Coetzee is not only one of the most acclaimed fiction writers in the world, he is also an accomplished and insightful literary critic. In *Late Essays: 2006-2016*, a thought-provoking collection of twenty-three pieces, he examines the work of some of the world's greatest writers, from Daniel Defoe in the early eighteenth century to Goethe and Irène Némirovsky to Coetzee's contemporary Philip Roth. Challenging yet accessible, literary master Coetzee writes these essays with great clarity and precision, offering readers an illuminating and wise analysis of a remarkable list of works of international literature that span three centuries.

The Slow Philosophy of J. M. Coetzee Penguin

A NEW YORK TIMES NOTABLE BOOK OF 2020 After *The Childhood of Jesus* and *The Schooldays of Jesus*, the Nobel Prize-winning author completes his haunting trilogy with a new masterwork, *The Death of Jesus*. In *Estrella*, David has grown to be a tall ten-year-old who is a natural at soccer, and loves kicking a ball around with his friends. His father Simón and Bolívar the dog usually watch while his mother Inés now works in a fashion boutique. David still asks many questions, challenging his parents, and any authority figure in his life. In dancing class at the Academy of Music he dances as he chooses. He refuses to do sums and will not read any books except Don Quixote. One day Julio Fabricante, the director of a nearby orphanage, invites David and his friends to form a proper soccer team. David decides he will leave Simón and Inés to live with Julio, but before long he succumbs to a mysterious illness. In *The Death of Jesus*, J. M. Coetzee continues to explore the meaning of a world empty of memory but brimming with questions.

Secretary of the Invisible New York Review of Books

'Coetzee the critic is every bit as good as Coetzee the novelist.' - Irish Times Following on from *STRANGER SHORES* which contained J.M. Coetzee's essays from 1986 to 1999, *INNER WORKINGS*, gathers together his literary essays from 2000 to 2005. Of the writers discussed in the first half of the book, several - Italo Sveve, Joseph Roth, Bruno Schulz, Sandor Marai - lived through the Austro-Hungarian fin de siècle and felt the influence of Schopenhauer, Nietzsche and Freud. Coetzee further explores the work of six of twentieth-century German literature's greatest writers: Robert Musil, Robert Walser, Walter Benjamin (the *Arcades Project*), Joseph Roth, Gunter Grass, W.G. Sebald, and the poet Paul Celan in his 'wrestling with the German language'. There is an essay on Graham Greene's *Brighton Rock* and on the short fiction of Samuel Beckett, a writer whom Coetzee has long admired. American literature is strongly represented from Walt Whitman, through William Faulkner, Saul Bellow and Arthur Miller to Philip Roth. Coetzee rounds off the collection with essays on three fellow Nobel laureates: Nadine Gordimer, Gabriel Garcia Marquez and V.S. Naipaul.

This is an extraordinary new fable from one of the world's greatest living novelists, two-time Booker Prize winner and Nobel Laureate. David is a small boy who comes by boat across the ocean to a new country. He has been separated from his parents, and has lost the piece of paper that would have explained everything. On the boat a stranger named Simon takes it upon himself to look after the boy. On arrival they are assigned new names, new birthdates. They know little Spanish, the language of their new country, and nothing about its customs. They have also suffered a kind of forgetting of old attachments and feelings. They are people without a past. Simon's goal is to find the boy's mother. He feels sure he will know her when he sees her. And David? He wants to find his mother too but he also wants to understand where he is and how he fits in. He is a boy who is always asking questions. *The Childhood of Jesus* is not like any other novel you have read. This beautiful and surprising fable is about childhood, about destiny, about being an outsider. It is a novel about the riddle of experience itself. J.M. Coetzee was the first author to win the Booker Prize twice and was awarded the Nobel Prize for Literature in 2003. His work includes *Waiting for the Barbarians*, *Life and Times of Michael K*, *The Master of Petersburg*, *Disgrace* and *Diary of a Bad Year*. He lives in Adelaide. 'Coetzee is a master we scarcely deserve.' Age 'Coetzee gradually, with great intelligence and skill, brings to extraordinary - possibly divine - life an ostensibly simple story.' Weekend Australian 'A theological and philosophical fable of considerable brilliance, power and wit. Coetzee hasn't done anything as fine and beautifully executed as this since *Disgrace*.' Canberra Times and Age '[A] quiet, haunting novel...Coetzee's calm, emblematic prose lifts the plot into something redolent with metaphor and mystery...Any statement can become a symbol; every event is suffused with potential revelation; something magical is always present and just out of reach...It's a memorable accomplishment, turning the everyday into the almost everlasting.' Weekend Herald (NZ) 'Double Booker Prize-winner Coetzee's fable has a dream-like, Kafkaesque quality. Are we in some kind of heaven, purgatory or simply another staging post of existence? Clear answers are elusive, but this is a riveting, thought-provoking read and surely Coetzee's best novel since *Disgrace* more than a decade ago.' Daily Mail 'Written with all of Coetzee's penetrating rigour, it will be an early contender for an unprecedented third Booker prize.' Observer 'The Childhood of Jesus represents a return to the allegorical mode that made him famous...a Kafkaesque version of the nativity story...The Childhood of Jesus does ample justice to his giant reputation: it's richly enigmatic, with regular flashes of Coetzee's piercing intelligence.' Guardian 'The sense of calm, furthered by Coetzee's spare prose, is very unsettling...These are not the horrors of *Waiting for the Barbarians*, this is the horror of banality.' Independent on Sunday

Inner Workings Penguin

Is justice only achievable by means of bureaucratization or might it first arrive with the end of bureaucracy? *Bureaucratic Fanatics* shows how this ever more contentious question in contemporary politics belongs to the political-theological underpinnings of bureaucratization itself. At the end of the 18th century, a new and paradoxical kind of fanaticism emerged - rational fanaticism - that propelled the intensive biopolitical management of everyday life in Europe and North America as well as the extensive colonial exploitation of the earth and its peoples. These excesses of bureaucratization incited in turn increasingly fanatical forms of resistance. And they inspired literary production that provocatively presented the outrageous contours of rationalization. Combining political theory with readings of Kleist, Melville, Conrad, and Kafka, this genealogy of bureaucratic fanaticism relates two extreme figures: fanatical bureaucrats driven to the ends of the earth and to the limits of humanity by the rationality of the apparatuses they serve; and peculiar fanatics who passionately, albeit seemingly passively, resist the encroachments of bureaucratization.

The Cambridge Companion to J.M. Coetzee Viking Adult

The second novel by Whitney Terrell, author of *The Good Lieutenant*-- an engrossing portrait of a Kansas City family's suspect pursuit of fortune. In *The Huntsman*, a first novel hailed by *Esquire* as "ambitious, rousing and entirely spectacular," Whitney Terrell introduced us to the streets and neighborhoods of Kansas City. Now he offers us the story of their creation. A stunning, intensely private portrait of one man's life and his city, *The King of Kings County* presents a dazzling fifty-year arc through the heart of the American dream.

Sweet Talk Penguin

A modern classic by Nobel Laureate J.M. Coetzee. His latest novel, *The Schooldays of Jesus*, is now available from Viking. *Late Essays: 2006-2016* will be available January 2018. For decades the Magistrate has been a loyal servant of the Empire, running the affairs of a tiny frontier settlement and ignoring the impending war with the barbarians. When interrogation experts arrive, however, he witnesses the Empire's cruel and unjust treatment of prisoners of war. Jolted into sympathy for their victims, he commits a quixotic act of rebellion that brands him an enemy of the state. J. M. Coetzee's prize-winning novel is a startling allegory of the war between oppressor and oppressed. The Magistrate is not simply a man living through a crisis of conscience in an obscure place in remote times; his situation is that of all men living in unbearable complicity with regimes that ignore justice and decency. Mark Rylance (*Wolf Hall*, *Bridge of Spies*), Ciro Guerra and producer Michael Fitzgerald are teaming up to bring J.M. Coetzee's *Waiting for the Barbarians* to the big screen.
