 In October 2001, over 400 asylum-seekers departed from Indonesia in a grossly overcrowded, rickety boat bound for Australia. Somewhere between the two countries the boat sank with a huge loss of life - 353 of the asylum seekers drowned. The Australian government claimed it had no prior knowledge of this unfolding tragedy, and had no responsibility for it. Yet ministers and senior officials from the beginning tried to mislead the Australian Senate and the community over important questions. What did the government and its agencies know about the boat and its fate, and when? Did we have any responsibility for the tragedy? Did we have a duty of care to save the survivors that we shirked? "A Certain Maritime Incident" joins the dots for the first time to reveal a disquieting record of government misconduct, including Australian Federal Police involvement in a people-smuggling 'disruption program', and an extraordinary combination of stonewalling and professed ignorance by a government dedicated to micromanaging the deterrence of asylum-

seeker voyages.

The Music of Protest and Hope in Jane Addams's Chicago BRILL

A love song to the worldless parts of the world, Airstream Land Yacht explores the inexpressible. Partly grounded in the concrete of everyday experience and partly floating away in the ineffable, these poems delve into questions of conscience and problems of consciousness. Generating music from paradox, they treat the intellect as equal parts junk heap and life preserver, making for a spellbinding collection that charts a bold new direction for an acclaimed poet.

Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet

Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, *Incidents in the Life of a Slave Girl*, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all. *The Shaping of One Man's Game from Patient Mouse to Rabid Wolf* The Internal-combustion EngineQST.Eleanor Smith's Hull-House SongsThe Music of Protest and Hope in Jane Addams's Chicago Eleanor Smith's Hull House Songs: The Music of Protest and Hope in Jane Addams's Chicago reprints Eleanor Smith's 1916 folio of politically engaged songs, together with interdisciplinary critical commentary from sociology, history, and musicology. **ARSC Guide to Audio Preservation** Hal Leonard Corporation (Guitar Educational). "Both ERA and EMCC had their roots in World War II, and in postwar years both firms received major funding from the United States government. Norberg analyzes the interaction between the two companies and the government and examines the impact of this institutional context on technological innovation. He looks at the two firms' operations after 1951 as independent subsidiaries of Remington Rand, and documents the management problems that began after Remington Rand merged with Sperry Gyroscope to form Sperry Rand in 1955"--Jacket.

In this pathbreaking work, Shrayana Bhattacharya maps the economic and personal trajectories--the jobs, desires, prayers, love affairs and rivalries--of a diverse group of women. Divided by class but united in fandom, they remain steadfast in their search for intimacy, independence and fun. Embracing Hindi film idol Shah Rukh Khan allows them a small respite from an oppressive culture, a fillip to their fantasies of a friendlier masculinity in Indian men. Most struggle to find the freedom-or income-to follow their favourite actor. Bobbing along in this stream of multiple lives for more than a decade-from Manju's boredom in 'rurban' Rampur and Gold's anger at having to compete with Western women for male attention in Delhi's nightclubs, to Zahira's break from domestic abuse in Ahmedabad-Bhattacharya gleans the details on what Indian women think about men, money, movies, beauty, helplessness, agency and love. A most unusual and compelling book on the female gaze, this is the story of how women have experienced post-liberalization India.

This book takes a completely new look at the Anthroposophical Soul Calendar. It is about the deeper meaning of the fifty-two weekly verses, which has remained essentially unexplored in the last hundred years since the first edition by Rudolf Steiner. A dense veil of Isis was spread over them, of which is well known that no mortal person can lift it. Only the immortal, psycho-spiritual human being, who knows himself at home in the extrasensory, higher worlds, is capable of doing this. Only to him the weekly verses reveal themselves as a travel guide through these worlds and lift him up to ever higher spiritual-cosmic realms until he reaches the experience of God, from where he gradually descends again into a new life on Earth, enriched in spirit and fertilized in his soul. If the reader embarks on this journey, the spiritual archetype of the Soul Calendar is ultimately unveiled to him and he achieves an extended understanding of Man and Christ. By many quotations from Rudolf Steiner's lectures and books, the author virtually lets Steiners himself elucidate the breathtaking depths of his mysterious weekly verses.
