The police think she's hiding something and they're right, she is—but perhaps not what they thought. Aimee has a secret she's never shared, and yet, she suspects that someone knows. As she struggles to keep her career and sanity intact, her past comes back to haunt her in ways more dangerous than she could have ever imagined. Tirumantiram is the seminal text of Saiva-Siddhanta which has produced a galaxy of saints and has powerfully influenced the day-to-day life of millions in South Indiageneration after generation. Its author Tirumular was according to legend a yogi who took compassion on a herd of cattle that had lost their shepherd and entering the body of the shepherd by his yogic power continued to look after the flock. So when we find in this great classic such splendid gems as "'Anbe Sivam- God is Love — we realize that the great yogi preached only what he lived. His fervent message that the ultimate Reality is One and all of us belong to the same family has special relevance to us moderns who have lost our moorings of faith and are wandering between two worlds one dead the other powerless to be born. Apart from the literary meritsTirumantiram blazes a number of spiritual trails any of which the aspirant can follow with the full confidence that the Goal Supreme is within the reach.

In *Beyond the Silence*, Nan sheds more light on the Spiritual Master Meher Baba's ever-readiness to reach out in 'Silence' to each and every person who calls out to Him from the depths of their hearts. It draws one closer to the understanding of the real goal of human life by laying emphasis on the thread of Love, which not only seams the physical and the spirit worlds - but also brings all of us together as one big family... into the New Humanity. *Beyond the Silence* is the chronicle of Nan's generous willingness to help people who have been struck by tragedy and grief. She has done this by enabling them build a bridge across the two worlds - through the loving and caring messages of her son Karl who dwells in the spiritual realms. Nan has thus been a shining beacon to thousands of people who have, with the Master's Grace, and the caring intervention of Karl, found their own answers and way out of sorrow and pain. *Beyond the Silence* is her continuing account of people from all walks of life who are entering into His ever-growing, loving fold. She is the author of the best-selling book *Sounds of Silence*, and its sequel *Listening to the Silence*. About the Author At one time, Nan Umrigar had absolutely no inclinations towards spirituality. But all that changed with the untimely death of her son Karl, a champion jockey. During a long period of grieving, Nan, as fate would have it, met some people who communicated with their loved ones in the spirit world. Soon, she also started communicating with her lost son and began to receive 'messages' from him that would alter the course of her life forever. Initially, while she felt exhilarated, she could not help but question this phenomenon. Was she fantasizing, imagining things or just indulging in wishful thinking? Was there really a higher energy force- angels, guides, guardians and a God? As Nan delved deeper, building a bridge across two worlds, she decided to share her experience with others. This led her to writing a book in which she detailed how Karl showed her the way out of grief towards happiness, and how she came to believe in Meher Baba- her sons Spiritual Master. With her insights and her immovable faith, Nan has helped many people deal with the loss of their loved ones. "With Baba's help" she says, "many hearts have been healed." And, many lives have undergone a change for the better.

Big waves came rushing to the shore and wiped away some more footprints Suddenly Rukmini discovered a familiar footprint and sat beside it . Her eyes brimmed over with tears . These were the footprints her hair locks drooped over when she knelt at her Lord's feet every morning . These were the footprints she worshipped with chandan . the footprints of her Lord of Sri Krishna ! They were deeply immersed in the sand. the impression engraved in the sand was filled with water. Rukmini's streaming tears were making an offering in the water-filled footprints. Daruk arrived and stood beside her . He looked startled. He could not believe how the footprints filled to the brim with water could contain Rukmini's tears without spilling over. What was further surprising was that not a single tear had dropped out of the carved footprint .
