the UK. These papers are popular among students who intend to go to top grammar schools such as the schools in Sutton, Bexley, etc.. These papers were prepared by a professional who works closely with a number of 11+ mock exams in London. Each paper contains 50 novel and challenging maths questions with answers. In total, there are 200 questions - answers are provided in the back of the book. Students are expected to finish each paper within 50 minutes.

If a student can get around 38 to 45 correct answers for each paper the student has a great chance of scoring a very good mark in school's selective eligibility exams. Why are these papers so expensive? These papers are prepared to challenge the students who are at borderline to go to top grammar schools. These papers contain challenging questions that you wouldn't find in any of the books/papers you may get from high street. These papers are unique and reflect the questions

tested by popular and competitive grammar schools in recent years. Using these unseen papers at home and marking will immensely help and put your child on the edge compared to others. Exposing challenging questions like the questions in this paper set will avoid surprise to your child during the real exam.
