SMITH WILLIS

Storms & Sacrifice Rob Colton

The object of Parker Montgomery's crush is big man on campus Colton Butler, who is much more than he appears to be. Colton has been watching Parker from a distance, patiently waiting for the day when he will finally be able to claim his destined mate. When Parker is threatened by a rogue wolf, Colton's instincts take over and he finds that his actions have consequences that threaten to

tear his pack apart.

Beneath the Skin FurPlanet Productions

Spirited and whip-smart, these laugh-out-loud autobiographical essays are "a masterpiece" from the Emmy Award-winning actress and comedy writer known for 30 Rock, Mean Girls, and SNL" (Sunday Telegraph). Before Liz Lemon, before "Weekend Update," before "Sarah Palin," Tina Fey was just a young girl with a dream: a recurring stress dream that she was being chased through a local airport by her middle-school gym teacher. She also had a dream that one day she would be a comedian on TV. She has seen both these dreams come true. At last, Tina Fey's story can be told. From her

youthful days as a vicious nerd to her tour of duty on Saturday Night Live; from her passionately halfhearted pursuit of physical beauty to her life as a mother eating things off the floor; from her one-sided college romance to her nearly fatal honeymoon -- from the beginning of this paragraph to this final sentence. Tina Fey reveals all, and proves what we've always suspected: you're no one until someone calls you bossy. Includes Special, Never-Before-Solicited Opinions on Breastfeeding, Princesses, Photoshop, the Electoral Process, and Italian Rum Cake!

Type & Typo Marvel Comics Group

The first monograph to critically engage with the controversial horror film subgenre known as 'torture porn', this book dissects press responses to popular horror and analyses key torture porn films, mapping out the broader conceptual and contextual concerns that shape the meanings of both 'torture' and 'porn'.

Altered States Virago

Praised unflinchingly by Djuna Barnes and Gertrude Stein, this stunning work, first published in 1933 by the Obelisk Press, Paris, is a non-judgemental depiction of gay life and men who earn their living there, told through characters like Julian (modeled on Ford) and Karel (based on Tyler).

View PHI Learning Pvt. Ltd.

Eight years after Dev Miski's first championship game, he's back in the playoffs chasing that elusive ring. Lee is chasing a promotion, one step closer to his dream job in the world of football. But Dev has a problem with his roommate, a flirty gay bobcat, and Lee is called upon to help a family member through a difficult transition. To get through these two weeks, they'll have to remember who they are--and decide who they want to be.

Love Match: Book 3 (2013-2015) K.C. Wells

Covers the four major areas of earthquake engineering - Structural Dynamics, Seismology, Seismic Analysis, and Aseismic Design. The text explores design philosophy, capacity design and codal provisions. It also provides detailed information on liquefaction of soil and effects of soil properties on response spectra.

Marvel Weddings Omair Nazir

Werewolves, shapeshifters, and stranger things can be found here; their bodies and minds twisting as they enter into various Altered States of being. This anthology is a celebration of transformation and transmutation in many different flavors. From a wife who wants her husband to find a new appreciation for the moon, to a soldier infected with an alien virus, to military experiments which have gone horribly wrong. (Or perhaps very right...) Altered States contains nine transformation themed stories to titillate and inspire all those who love the idea of shape changing and altered vistas. After all, who's afraid of a little change? Contents: Finishing Touches by Ianus J. Wolf A Mile In Their Paws by Richard Coombs Leverage by Ajax B. Coriander On Common Ground by Whyte Yoté Corp Values by Apollo Wolf The Wicked World of Charles Jacklyn by Roland Jovaik The Wander Inn by Nogitsune Faux Papa Panda and the Selfie by Kodiak Malone Weapon by James L. Steele Cover art and interior illustrations by Kuma; Edited by Ajax B. Coriander, Kodiak Malone, and Andres Cyanni Halden.

Named a Distinguished Favorite in the LGBTQ Fiction Category of the 2021 NYC Big Book Awards!

An orc will take a human into his arms! When David went exploring with his friends, he figured they might come across some old ruins or maybe even fight a few monsters. He never expected that he'd wind up captured by an orc and turned into his pet; he expected even less that he'd actually like it! It all started when he was sitting in a jail cell, so desperate to escape that he agreed to trial by combat: The Ritual of Steel & Thunder. He opens the fight strong, but when his competitor manages to overpower him, things start to heat up and he realizes he may have signed on for more than he bargained for. Captain Khazak Ironstorm is the orc ranger responsible for David's arrest—and after defeating him in combat, his new owner. Initially amused by his slave's antics, something deeper begins to grow between them—something dark that draws Khazak in as much as it troubles him. More confounding than that are the feats of agility and speed his new pet seems able to perform as if they were nothing. What he does know is that if there is anyone capable of taming this barbaric human's behavior, it's him. A tale of romance mixed with some humor, adventure, and a heaping helping of kink. Read all about the journey of David and Khazak as they learn to understand each other and uncover the mysteries of the magical world around them. Readers who love kink, BDSM, Dom/sub, and other elements of gay/male-on-male romance will love what this story has to offer.

Torture Porn Fairleigh Dickinson Univ Press

NEW YORK TIMES BESTSELLER • “A fascinating look at how consumers perceive logos, ads, commercials, brands, and products.”—Time How much do we know about why we buy? What truly influences our decisions in today's message-cluttered world? In *Buyology*, Martin Lindstrom presents the astonishing findings from his groundbreaking three-year, seven-million-dollar neuromarketing study—a cutting-edge experiment that peered inside the brains of 2,000 volunteers from all around the world as they encountered various ads, logos, commercials, brands, and products. His startling results shatter much of what we have long believed about what captures our interest—and drives us to buy. Among the questions he explores: • Does sex actually sell? • Does subliminal advertising still surround us? • Can “cool” brands trigger our mating instincts? • Can our other senses—smell, touch, and sound—be aroused when we see a product? *Buyology* is a fascinating and shocking journey into the mind of today's consumer that will captivate anyone who's been seduced—or turned off—by marketers' relentless attempts to win our loyalty, our money, and our minds.

Out of Position Reagan Arthur Books

This book is an in-depth analysis of three of the most crucial years in twentieth-century Italian history, the years 1943-46. After more than two decades of a Fascist regime and a disastrous war experience during which Italy changed sides, these years saw the laying of the political and cultural foundations for what has since become known as Italy's First Republic. Drawing on texts from the literature, film, journalism, and political debate of the period, *Antifascisms* offers a thorough survey of the personalities and positions that informed the decisions taken in this crucial phase of modern Italian history.

Princely Submission Kyell Gold

Rocky's climbing the tennis ranks with an eye to becoming a top ten player. He's closer than ever to bringing his sister to the States, but his old foes aren't done with him yet and his relationships only get more complicated. Welcome back! Or, if this is your first introduction to my artbook series, uh... welcome! This is a collection of artwork from 2014 and 2015, ranging from personal pieces to sequential illustrations, and even a few commissions. If you are already familiar with my work, either through my online presence or in print form, you may recognise a number of these pieces or characters. I included many of my favourite illustrations that I felt met the quality level for an art book release. Also included is my 2015 Patreon-funded comic Ignorance Is Bliss, which was too short to be released on its own. I hope you will enjoy the artwork in this book. If you would like to see more of my work, be sure to check out the sites listed below, or look for my other books that FurPlanet has published! Cheers, Kadath

The Young and the Evil Kyell Gold

I Will Survive is the story of Gloria Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer,

The Young and the Evil Kyell Gold
I Will Survive is the story of Gloria Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer,

as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

Steel & Thunder olympiapress.com

Who says love has to be gentle? A spoiled prince on his first overseas tour is torn between resenting his hot bodyguard and yearning for him. Prince Jordan is twenty years old, rich, and finally seeing the world. The last thing he needs is a babysitter. Especially one as rigid as Stuart Whitmore, an older, muscular man who makes it clear from their first meeting that there will be consequences if Jordan misbehaves. No one has ever laid a hand on Jordan his whole life, but for the first time he's contemplating the possibility and trying to figure out which buttons to push to achieve his goal. Because there's something behind Stuart's eyes that tells him he feels the same magnetic pull that Jordan does. Stuart doesn't give a damn that Jordan is a prince-he's still the most entitled brat he's ever laid eyes on. He's also a temptation, igniting desires Stuart had thought long since extinguished. The prince needs a firm hand and Stuart is just the man to provide it, but there's a vulnerability to Jordan that calls to him. A call that proves too difficult to ignore. What happens when discipline crosses the line into intense heat? And what are the ramifications when the connection becomes so much more than just physical... For both of them?

Fresh from the Farm 6pk FurPlanet Productions

Almost two centuries ago, humans created Homo varii to help fend off alien invaders. varii are mostly human, but with enough animal DNA thrown in to give them special advantages. Now that the aliens are gone, the varii remain among us. They bag our groceries and service our cars, file our taxes and mow our lawns. Most pure-blooded sapiens don't care one way or the other, but some feel threatened and want them destroyed. Although he's worked alongside several dozen varii for years, Dan Blocker hasn't bothered to make friends with any of them. They're unfamiliar and strange, and they sometimes smell. The varii have their own confusing social structure, and Dan has enough trouble figuring out his own species. Bo Taylor is a battle-varius, the largest, most intimidating class of genetic recombinant. He works a machine in the same manufacturing plant where Dan works, and for years the two men pass each other in the hallway without exchanging more than a grunted greeting. One day, despite every cultural, intellectual and physical barrier that separates them, they begin talking to one another, and through each other, the two men discover how little they really know about the worlds they live in. This version of Beneath the Skin contains several scenes of homosexual sexual activity. A sanitized version which will be safe for all ages will be made available at a later date. Thank you. 2/8/14

Buyology Macmillan + ORM

An aid to solving crosswords. It contains over 100,000 potential solutions, including plurals, comparative and superlative adjectives, and inflections of verbs. The list extends to first names, place names and technical terms, euphemisms and compound expressions, as well as abbreviations.
