A Little Life Wesleyan University Press

The Giver, the 1994 Newbery Medal winner, has become one of the most influential novels of our time. The haunting story centers on twelve-year-old Jonas, who lives in a seemingly ideal, if colorless, world of conformity and contentment. Not until he is given his life assignment as the Receiver of Memory does he begin to understand the dark, complex secrets behind his fragile community. This movie tie-in edition features cover art from the movie and exclusive Q&A with members of the cast, including Taylor Swift, Brenton Thwaites and Cameron Monaghan.

Inside Out & Back Again Houghton Mifflin Harcourt

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

The Grand Inquisitor Simon and Schuster

In June 2005, a prominent and politically influential Muslim cleric, Imam Shamsud-din Ali, became the latest person convicted in a massive federal

corruption probe in Philadelphia. As the revelations emanating from the probe continue, a critically acclaimed author and leading authority on organized crime exposes for the very first time the disturbing contemporary and historical ties between Ali, the city's notorious Black Mafia, and the sweeping federal probe. The Black Mafia was one of the bloodiest crime syndicates in modern US history. From its roots in Philadelphia's ghettos in the 1960's, it grew from a rabble of street toughs to a disciplined, ruthless organization based on fear and intimidation with links across the Eastern Seaboard. Known in its "legitimate" guise as Black Brothers, Inc., it held regular meetings, appointed investigators, treasurers and enforcers, and controlled drug dealing, loan-sharking, numbers rackets, armed robbery and extortion. Its ferocious crews of gunmen grew around burly founder Sam Christian, the most feared man on Philly's streets. They developed close ties with the influential Nation of Islam and soon were executing rivals, extorting bookies connected to the city's powerful Cosa Nostra crew, and cowing local gangs. The Black Mafia was responsible for over forty killings, the most chilling being the 1973 massacre of two adults and five children in Washington, D.C. Despite the arrests that followed, they continued their rampage, exploiting their ties to prominent lawyers and civil rights leaders. A heavy round of convictions and sentences in the 1980's shattered their strength â only for the crack-dealing Junior Black Mafia to emerge in their wake. Researched with scores of interviews and unique access to informant logs, witness statements, wiretaps and secret FBI files, Black Brothers, Inc. is the most detailed account ever of an African-American organized crime mob, and a landmark investigation into the modern urban underworld. "Griffin did extensive research and backs up his claims carefully...If you're a crime buff, a history lover, or if you just want something fascinating to read, it's a book you can't refuse."---Terri Schlichenmeyer,

syndicated reviewer and host of "The BookWormSez" "A gripping story...Griffin richly documents the Black Mafia's organization, outreach and over-the-top badness." --Joseph N. DiStefano, Philadelphia Inquirer

The long-awaited second novel from David Chariandy, whose debut, *Soucouyant*, was nominated for nearly every major literary prize in Canada and published internationally. An intensely beautiful, searingly powerful, tightly constructed novel, *Brother* explores questions of masculinity, family, race, and identity as they are played out in a Scarborough housing complex during the sweltering heat and simmering violence of the summer of 1991. With shimmering prose and mesmerizing precision, David Chariandy takes us inside the lives of Michael and Francis. They are the sons of Trinidadian immigrants, their father has disappeared and their mother works double, sometimes triple shifts so her boys might fulfill the elusive promise of their adopted home. Coming of age in The Park, a cluster of town houses and leaning concrete towers in the disparaged outskirts of a sprawling city, Michael and Francis battle against the careless prejudices and low expectations that confront them as young men of black and brown ancestry -- teachers stream them into general classes; shopkeepers see them only as thieves; and strangers quicken their pace when the brothers are behind them. Always Michael and Francis escape into the cool air of the Rouge Valley, a scar of green wilderness that cuts through their neighbourhood, where they are free to imagine better lives for themselves. Propelled by the pulsing beats and styles of hip hop, Francis, the older of the two brothers, dreams of a future in music. Michael's dreams are of Aisha, the smartest girl in their high school whose own eyes are firmly set on a life elsewhere. But the bright hopes of all three are violently, irrevocably thwarted by a tragic shooting, and the police crackdown and suffocating suspicion that follow. With devastating emotional force David Chariandy, a unique and exciting voice in Canadian literature, crafts a heartbreaking and timely story about the profound love that exists between brothers and the senseless loss of lives cut short with the shot of a gun.

The Corsican Brothers tells the story of two conjoined brothers who, though separated at birth, can still feel each other's pains. The story starts in March 1841, when the narrator travels to Corsica and stays at the home of the widow Savilia de Franchi who lives near Olmeto and Sullacaro. She is a mother of a former conjoined twin, Louis and Lucien. Louis is a lawyer in Paris, while Lucien clings on to his Corsican roots and thus stays at his mother's home. The narrator learns that the brothers were once conjoined, but separated at birth by a doctor with his scalpel. Despite being separated Louis and Lucien can still feel each other's emotions, even at distance. Lucien explains he has a mission to undertake, with reluctance. He has to mediate in a vendetta between the Orlandi and Colona families and invites the narrator to accompany him and meet the head of the Orlandi family. Alexandre Dumas, père (1802-1870) was a French writer whose works have been translated into nearly 100 languages and he is one of the most widely read French authors. His most famous works are *The Count of Monte Cristo* and *The Three Musketeers*.

Alice in Wonderland (also known as *Alice's Adventures in Wonderland*), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

Between the World and Me Penguin

NATIONAL BESTSELLER • PEN/FAULKNER AWARD FINALIST • From the two-time Pulitzer Prize-winning author of *The Underground Railroad* and *The Nickel Boys*: a hilarious and supremely original novel set in the Hamptons in the 1980s, "a tenderhearted coming-of-age story fused with a sharp look at the intersections of race and class" (The New York Times). Benji Cooper is one of the few Black students at an elite prep school in Manhattan. But every summer, Benji escapes to the Hamptons, to Sag Harbor, where a small community of Black professionals have built a world of their own. The summer of '85 won't be without its usual trials and tribulations, of course. There will be complicated new handshakes to fumble through and state-of-the-art profanity to master. Benji will be tested by contests big and small, by his misshapen haircut (which seems to have a will of its own), by the New Coke Tragedy, and by his secret Lite FM addiction. But maybe, just maybe, this summer might be one for the ages. Look for Colson Whitehead's new novel, *Crook Manifesto*, coming soon!

The Color Purple (Movie Tie-In) U of Nebraska Press

From award-winning and bestselling author, Jewell Parker Rhodes comes a powerful coming-of-age story about two brothers, one who presents as white, the other as black, and the complex ways in which they are forced to navigate the world, all while training for a fencing competition. Framed. Bullied. Disliked. But I know I can still be the best. Sometimes, 12-year-old Donte wishes he were invisible. As one of the few black boys at Middlefield Prep, most of the students don't look like him. They don't like him either. Dubbing him "Black Brother," Donte's teachers and classmates make it clear they wish he were more like his lighter-skinned brother, Trey. When he's bullied and framed by the captain of the fencing team, "King" Alan, he's suspended from school and arrested. Terrified, searching for a place where he belongs, Donte joins a local youth center and meets former Olympic fencer Arden Jones. With Arden's help, he begins training as a competitive fencer, setting his sights on taking down the fencing team captain, no matter what. As Donte hones his fencing skills and grows closer to achieving his goal, he learns the fight for justice is far from over. Now Donte must

confront his bullies, racism, and the corrupt systems of power that led to his arrest. Powerful and emotionally gripping, *Black Brother, Black Brother* is a careful examination of the school-to-prison pipeline and follows one boy's fight against racism and his empowering path to finding his voice.

Moving to America turns H&A's life inside out. For all the 10 years of her life, H&A has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&A and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&A discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

A Game of Thrones McClelland & Stewart

Trouble In Paradise Sixteen-year-old Travis is looking for a good time. A vacation in Mexico with his mother, sister, and little brother might cramp his style, but he's willing to take that risk for a chance to cruise the beaches. Travis soon discovers that even with his headphones and shades, he can't completely cut himself off from his family's problems. He begins to understand why his father didn't come with them: His mother is contemplating a divorce. Meanwhile his younger brother, Teddy, becomes increasingly obsessed with protecting some endangered sea turtles near the resort. In spite of himself, Travis is drawn into Teddy's efforts to save the turtles. But it takes a devastating tragedy beyond his imagining to shake Travis out of his cynicism -- a tragedy that will change his family forever.

Now an original movie on Prime Video starring Anne Hathaway and Nicholas Galitzine! When Solène Marchand, the thirty-nine-year-old owner of a prestigious art gallery in Los Angeles, takes her daughter, Isabelle, to meet her favorite boy band, she does so reluctantly and at her ex-husband's request. The last thing she expects is to make a connection with one of the members of the world-famous August Moon. But Hayes Campbell is clever, winning, confident, and posh, and the attraction is immediate. That he is all of twenty years old further complicates things. What begins as a series of clandestine trysts quickly evolves into a passionate relationship. It is a journey that spans continents as Solène and Hayes navigate each other's disparate worlds: from stadium tours to international art fairs to secluded hideaways in Paris and Miami. And for Solène, it is as much a reclaiming of self, as it is a rediscovery of happiness and love. When their romance becomes a viral sensation, and both she and her daughter become the target of rabid fans and an insatiable media, Solène must face how her new status has impacted not only her life, but the lives of those closest to her.

The Boy Castaways of Black Lake Island Houghton Mifflin Harcourt

From the winner of the NYPL Young Lions Fiction Award, CLMP Firecracker Award, and Bard Fiction Prize, and finalist for the NBCC John Leonard Prize, an astonishing debut novel about family, sexuality, and capitalist systems of control, following three adopted brothers who live above a mosque in Staten Island with their imam father In 1990, three boys are born, unrelated but intertwined by circumstance: Dayo, Iseul, and Youssef. They are adopted as infants and share a bedroom perched atop a mosque in one of Staten Island's most diverse and underserved neighborhoods. The three boys are an inseparable trio, but conspicuous: Dayo is of Nigerian origin, Iseul is Korean, and Youssef indeterminately Middle Eastern. Youssef shares everything with his brothers, except for one secret: he sees a hallucinatory double, an imaginary friend who seems absolutely real, a shapeshifting familiar he calls Brother. Brother persists as a companion into Youssef's adult life, supporting him but also stealing his memories and shaking his grip on the world. The boys' adoptive father, Imam Salim, is known in the community for his stirring and radical sermons, but at home he often keeps himself to himself, spending his evenings in his study with whiskey-laced coffee, reading poetry or writing letters to his former compatriots back in Saudi Arabia. Like Youssef, he too has secrets, including the cause of his failing health and the truth about what happened to the boys' parents. When, years later, Imam Salim's path takes him back to Saudi Arabia, the boys, now adults, will be forced to follow. There they will be captivated by an opulent, almost futuristic world, a linear city that seems to offer a more sustainable modernity than that of the West. But this conversion has come at a great cost, and Youssef and Brother too will have to decide if they should change to survive, or try to mount a defense of their deeply-held beliefs. Stylistically brilliant, intellectually acute, and deft in its treatment of complex themes, *Brother Alive* is a remarkable debut by a hugely talented writer that questions the nature of belief and explores the possibility of reunion for those who are broken.

Brothers in Hope Random House

A powerful and impassioned historical account of the largest successful revolt by enslaved people in history: the Haitian Revolution of 1791–1803 “One of the seminal texts about the history of slavery and abolition.... Provocative and empowering.” —The New York Times Book Review *The Black Jacobins*, by Trinidadian historian C. L. R. James, was the first major analysis of the uprising that began in the wake of the storming of the Bastille in France and became the model for liberation movements from Africa to Cuba. It is the story of the French colony of San Domingo, a place where the brutality of plantation owners toward enslaved people was horrifyingly severe. And it is the story of a charismatic and barely literate enslaved person named Toussaint L'Ouverture, who successfully led the Black people of San Domingo against successive invasions by overwhelming French, Spanish, and English forces—and in the process helped form the first independent post-colonial nation in the Caribbean. With a new introduction (2023) by Professor David Scott.

Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in

the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

Club's fifteen best books of 2020 | A Sunday Times best book of the year Selected by students across France to win the Prix Goncourt des Lycéens, David Diop's English-language, historical fiction debut *At Night All Blood is Black* is a "powerful, hypnotic, and dark novel" (Livres Hebdo) of terror and transformation in the trenches of the First World War. Alfa Ndiaye is a Senegalese man who, never before having left his village, finds himself fighting as a so-called "Chocolat" soldier with the French army during World War I. When his friend Mademba Diop, in the same regiment, is seriously injured in battle, Diop begs Alfa to kill him and spare him the pain of a long and agonizing death in No Man's Land. Unable to commit this mercy killing, madness creeps into Alfa's mind as he comes to see this refusal as a cruel moment of cowardice. Anxious to avenge the death of his friend and find forgiveness for himself, he begins a macabre ritual: every night he sneaks across enemy lines to find and murder a blue-eyed German soldier, and every night he returns to base, unharmed, with the German's severed hand. At first his comrades look at Alfa's deeds with admiration, but soon rumors begin to circulate that this super soldier isn't a hero, but a sorcerer, a soul-eater. Plans are hatched to get Alfa away from the front, and to separate him from his growing collection of hands, but how does one reason with a demon, and how far will Alfa go to make amends to his dead friend? Peppered with bullets and black magic, this remarkable novel fills in a forgotten chapter in the history of World War I. Blending oral storytelling traditions with the gritty, day-to-day, journalistic horror of life in the trenches, David Diop's *At Night All Blood is Black* is a dazzling tale of a man's descent into madness.
