Are you one of those people who want to spice up their love life with the addition of dirty talk, longing to hear certain words or phrases whispered, moaned, growled, or simply uttered but just plain don't know how to get started? The first thing to understand is that dirty talk isn't dirty. There's nothing shameful or wrong about it. Men and women are hard-wired differently. Men like to hear, while women like to visualize, and that's completely natural too. A man wants to hear what

their partner wants done to them, or wants to do for them before it's done. Hearing the words, screamed, moaned, whimpered, or whispered just flat out does it for most men. Women like to hear the words and imagine what those words or phrases will mean to them, how their partner will react, or how something will feel, even seconds or milliseconds beforehand, giving their brains time to process the possibilities, thus heightening the sensations. In this guide you will learn 131 tried-and-tested, proven-to-work phrases you can use for getting your partner in the mood, during foreplay, during & after love making. Both for-man & for-woman phrases are included. You will learn many ways to get started talking dirty and how to build it up gradually so you are comfortable & sound confident when you say them. Using correctly they will make your lover addicted to your voice & drive him/her wild in bed.

This type of engaging is a form of communication that allows a couple to explore role-playing and their innermost fantasies and to really feel like they are meeting the sexual needs of their partner. Dirty talking can take on many forms, and there is no right or wrong way to go about it. However, for this to work, both people must be invested in giving and receiving. The feedback you share is going to help your relationship to be as satisfying as possible. With that in mind, don't be shy about sharing what you enjoy. Throughout this book, you will explore some samples of how you can get things moving along in this new direction. It can be challenging, and you may be a bit nervous at first. However, if you are

How to Talk Dirty Simon and Schuster How to Talk Dirty is about me and what I do for a living: I'm a 1-2-1 sex chat girl. However, I'm not just any chat girl; the sex line is my own company and I am all the girls my boys ever chat to (although most don't realise that I play all the characters) from ages 16 to 73... and also I'm Dee Dee the receptionist! I'm the only woman to ever have done this. So as you can imagine, it isn't like any ordinary premium rate sex chat line. On the contrary, it's just like me: quite extraordinary. My calls are not recorded and therefore I am not governed by ICSIS and as such on my line anything goes (and it usually does). I cover the bizarre, the outrageous and the shocking. This has never been done before, in as much as it blows wide open the reality of phone sex. Plus, I still actually do it for a living. In these pages you will discover what men really want to talk about and what really turns a man on! It's funny, unbelievable, but never boring. It's a book that men, in particular, will find fascinating and arousing. And, the ladies will find it intriguing...

McNamara lives his life strictly by schedule - his OCD simply won't allow him to do

anything else. And the very last thing he needs is a sassy blonde putting lipstick on

he's with her? Marisa and Luke's plans to steer clear of one another are shot to hell

Why Learn How To Talk Dirty? You might

be reading this because your partner has expressed an interest in hearing naughty

words in the heat of passion. You might have sought out this book because you are

the one who craves those sweet nothings. Maybe you want to liven up your sex life,

or maybe you are just curious as to why your partner likes to talk so much in bed.

Maybe you are already a fantastic dirty talker who needs a new idea or two, or

maybe you're just in the mood to brush up on your naughty skills. Whatever the

reason, you've chosen the right book to learn how to talk dirty! Talking dirty has

become so much a part of our sexual culture that it has spawned surveys,

interviews, forums, books, and research galore. In fact, before it was called "dirty talk," the art of saying sexual things to your lover with the intent to arouse had a scientific name: Lagnolia. There's good reason for all this scientific interest. Over 80% of our sex life takes place in our heads, meaning that fantasy, memory, and desire are some of the most powerful driving forces behind everything we do behind closed doors. Studies have shown that by the time you actually get physical with your partner, your mind has been leading up to the encounter. So why not go for the dirty talk? It's been in the back of your mind all day anyway! According to Aline P. Zoldbrod, PhD, the author of more than a few books on naughtiness, sexy talk with your partner not only revs up play between the sheets, but enriches your life in ways you never would have imagined. It makes your partner feel good to know how excited you are, and your excitement makes them feel like the best lover in the world. That might explain why talking dirty makes you tingle in all the right places, but it doesn't explain why the naughtiest dirty talk can also be the hottest. It's one thing to say "fuck" and get a smile, but it's quite another to tell your partner exactly how you want to fuck them, in the most graphic terms you can imagine. The dirtier the words, the better. What's up with that? One word: Taboo. This book helps you break the taboo and teaches you how to talk dirty to a guy.
