Outside of the world of enterprise computing, there is one database that enables a huge range of software and hardware to flex relational database capabilities, without the baggage and cost of traditional database management systems. That database is SQLite—an embeddable database with an amazingly small footprint, yet able to handle databases of enormous size. SQLite comes equipped with an array of powerful features available through a host of programming and development environments. It is supported by languages such as C, Java, Perl, PHP, Python, Ruby, TCL, and more. The Definitive Guide to SQLite, Second Edition is devoted to complete coverage of the latest version of this powerful database. It offers a thorough overview of SQLite's capabilities and APIs. The book also uses SQLite as the basis for helping newcomers make their first foray into database development. In only a short time you can be writing programs as diverse as a server-side browser plug-in or the next great iPhone or Android application! Learn about SQLite extensions for C, Java, Perl, PHP, Python, Ruby, and Tcl. Get solid coverage of SQLite internals. Explore developing iOS (iPhone) and Android applications with SQLite. SQLite is the solution chosen for thousands of products around the world, from mobile phones and GPS devices to set-top boxes and web browsers. You almost certainly use SQLite every day without even realizing it!

Designed for those who want to gain an understanding of the fundamental concepts and techniques used in financial management. An underlying premise of the book is that the objective of the firm is to maximize value or wealth. Drawing on a wealth of experience in the academic and professional worlds, the authors discuss how firms can accomplish this objective by making appropriate investment and financing decisions. Bridging the gap between financial theory and practice, the authors present fundamental concepts in an intuitive and nontechnical way, and provide numerous practical financial tips to readers. The focus is on current practice, using results from recent surveys to show the most popular techniques and approaches used by financial managers today. A range of

instructor's resources are available at the accompanying website. Visit [www.blackwellpublishing.com/baker](http://www.blackwellpublishing.com/baker) for full details.

Testimonials of Astranti Courses, Study Texts and Mock Exams: "Very targeted to the exam and very professional, is every bit as good as attending a class room tuition or revision course." James Glackin "All in all it's the best thing I came across during my CIMA studies. I don't know any better way to help yourself to pass these tough exams." Grzegorz Narozanski "Just wanted to let you know that I passed all 3 exams using the textbook and your mock exams which I found really helpful, thanks!" Nneoma Nwaogu "I would also like to extend my great gratitude for such a wonderful study text; they made my understanding of CIMA P1 much easier. Once more thank you very much to the Team." Mthuthuzeli September "I received the fantastic news this morning that I have finally passed T4!! Many thanks for your support and advice in the lead up to the exam, I am certain that without the really important tips on exam strategy you provided I would not have passed. Many thanks again!" Babak Fardaghaie "So I managed a 76% pass for E2 using your notes. They are very well structured and easy to use. Thank you so very much." Amanda Vakalisa "The Astranti method of teaching is systematic and easy to follow. I gained a lot of knowledge and regret not enrolling with Astranti for my earlier CIMA exams. After the course I was confident about my preparation. I would recommend the course to everyone sitting the T4b exam especially the MARKED mocks. Its the section by section detailed feedback from tutors that helps to improve and gain confidence." Gunjan Nagpal "I have cleared all 3 strategic level papers in my first attempt. I used the Astranti learning material during my final revision. They were short, precise and saved a great amount of time which made all the difference for me in the exam. Thank you very much." Raj The Astranti Study Texts The Astranti Study Texts have been used by thousands of CIMA Students in preparation for their management accountancy exams. They cover the entire CIMA syllabus for the 2015 exams and onwards and have been carefully written to be concise and easy to read but detailed enough to clearly guide you through the topics you must know in order to pass the exams. What are you waiting for? Download the sample of the book to see one for yourself. Prepared by our expert team of professional writers the study texts feature: Full Syllabus Coverage Clear and simple explanations for ease of understanding Carefully worked step-by-step examples Condensed and focused on likely exam content Linked with our chapter-by-chapter revision questions available to purchase on Astranti.com Go to [www.astranti.com](http://www.astranti.com) to find out more about related CIMA videos, courses and mocks exams.

CIMA C1 - Fundamentals of Management Accounting: Paper C1, Fundamentals of management accounting, introduces the knowledge and skills needed in the application of management accounting. Students will need to have knowledge of management accounting techniques and have an understanding of when and when not to use them. C1 is examined via a computer-based assessment containing fifty objective test questions. The syllabus has five sections: \* Cost determination \* Cost behavior and breakeven analysis \* Standard costing \* Costing and accounting systems \* Financial planning and controlThe C1 Study Text contains all you need to know for C1, featuring step-by-step guides to management accounting techniques such as process costing, which many students find tricky. All areas of the syllabus are explained fully and no prior knowledge is assumed. Key terms are identified throughout as grasping terminology is vital for both C1 and for future studies.
