Swagger Harper Collins

"Fans of 13 Reasons Why will find a lot to like in Lyga's latest." --Entertainment Weekly This is Where it Ends, Hate List, and Forgive Me, Leonard Peacock readers will appreciate this heartbreaking novel about living with your worst mistake, from New York Times bestselling author Barry Lyga. Sebastian Cody did something horrible, something no one--not even Sebastian himself--can forgive. At the age of four, he accidentally shot and killed his infant

sister with his father's gun. Now, ten years later, Sebastian has lived with the guilt and horror for his entire life. With his best friend away for the summer, Sebastian has only a new friend, Aneesa, to distract him from his darkest thoughts. But even this relationship cannot blunt the pain of his past. Because Sebastian knows exactly how to rectify his childhood crime and sanctify his past. It took a gun to get him into this. Now he needs a gun to get out. Unflinching and honest, Bang is the story of one boy and one moment in time that cannot be reclaimed, as true and as relevant as tomorrow's headlines.
Noggin HarperCollins

This "gripping and moving" story of two foster brothers sharply examines the impact of loss, grief, and abuse (Emma Donohue, bestselling author of *Room*) -- and celebrates the power of friendship. When Adam Blake lands the best elective ever in his senior year, serving as an aide to the school psychologist, he thinks he's got it made. Sure, it means a lot of sitting around, which isn't easy for a guy with ADHD, but he can't complain, since he gets to spend the period texting all his friends. Then the doctor asks him to track down the troubled freshman who keeps dodging her, and Adam discovers that the boy is Julian -- the foster brother he hasn't seen in five years. Adam is ecstatic to be reunited. At first, Julian seems like the boy he once knew. He's still kind hearted. He still

writes stories and loves picture books meant for little kids. But as they spend more time together, Adam realizes that Julian is keeping secrets, like where he hides during the middle of the day, and what's really going on inside his house. Adam is determined to help him, but his involvement could cost both boys their lives. First-time novelist Robin Roe relied on life experience when writing this exquisite, gripping story featuring two lionhearted characters.

Infinity Son Sourcebooks, Inc.

A New York Times, Publishers Weekly, and IndieBound bestseller! Balancing epic and intensely personal stakes, bestselling author Adam Silvera's *Infinity Son* is a gritty, fast-paced adventure about two brothers caught up in a magical war generations in the making.

Growing up in New York, brothers Emil and Brighton always idolized the Spell Walkers—a vigilante group sworn to rid the world of specters. While the Spell Walkers and other celestials are born with powers, specters take them, violently stealing the essence of endangered magical creatures. Brighton wishes he had a power so he could join the fray. Emil just wants the fighting to stop. The cycle of violence has taken a toll, making it harder for anyone with a power to live peacefully and openly. In this climate of fear, a gang of specters has been growing bolder by the day. Then, in a brawl after a protest, Emil manifests a power of his own—one that puts him right at the heart of the conflict and sets him up to be the heroic Spell Walker Brighton always wanted to be.

Brotherhood, love, and loyalty will be put to the test, and no one will escape the fight unscathed. Don't miss *Infinity Reaper*, the gripping sequel, which includes a special prequel short story starring Ness!

sportswriter Carl Deuker.

Crazy Swagger

2014 NATIONAL BOOK AWARD FINALIST

Travis Coates has a good head...on someone else's shoulders. A touching, hilarious "tour de force of imagination and empathy" (Booklist, starred review) from John Corey Whaley, author of the Printz and Morris Award-winning *Where Things Come Back*. Listen—Travis Coates was alive once and then he wasn't. Now he's alive again. Simple as that. The in between part is still a little fuzzy, but Travis can tell you that, at some point or another, his head got chopped off and shoved into a freezer in Denver, Colorado. Five years later, it was reattached to some other guy's body, and well, here he is. Despite all logic, he's still sixteen, but everything and

everyone around him has changed. That includes his bedroom, his parents, his best friend, and his girlfriend. Or maybe she's not his girlfriend anymore? That's a bit fuzzy too. Looks like if the new Travis and the old Travis are ever going to find a way to exist together, there are going to be a few more scars. Oh well, you only live twice.

The New Cool Simon and Schuster

From the author of *Gym Candy* comes a novel of football and bullying, finding friends and finding courage. With both good speed and good hands, wide receiver Brock Ripley should be a natural for the varsity team, but he shies away from physical contact. When he gets cut from varsity, he also loses his friendship with star quarterback Hunter Gates who begins lashing out at not only Brock, but

also Brock's friend, the quiet and smart Richie Fang. Brock wants to stand up for Fang, but he is younger, smaller, and doesn't want to cause problems. But when the bullying goes too far, will Brock be able to face his fears, stop being a bystander, and prove to himself that he is brave enough?

Little, Brown Books for Young Readers

In a small Oklahoma town, one star linebacker must decide what kind of man he wants to be--both on and off the field. Welcome to Kennisaw--where Friday night high school football ranks right up there with God and country, and sometimes even comes in first. This year, the Kennisaw Knights are going for their fifth straight undefeated season, and if they succeed, they'll be more than the best high school team in the eastern

Oklahoma hill country--they'll be legends. But the Knights' legacy is a heavy weight to carry for Hampton, linebacker and star of the team. On the field, he's so in control you'd think he was able to stop time. But his life off the field is a different story. His father walked out on him and his mom years ago, and now his mom has a new boyfriend every week. He's drawn to a smart, quirky girl at school--the type a star athlete just isn't supposed to associate with. And meanwhile, his best friend and teammate Blaine--the true friend who first introduced Hampton to football back when he had nothing else--is becoming uncomfortably competitive, and he's demanding Hampton's loyalty even as Hampton thinks he's going too far. This unforgettable novel is the story

of a boy whose choices will decide the kind of man he becomes, and raises powerful questions about sportsmanship, loyalty, and the deceptiveness of legends.

Painting the Black HMH Books For Young Readers

Three teen geniuses from around the world must win a Game with the highest of stakes in this action-packed novel.

Point Guard Yearling

After moving to a new town his freshman year in high school, Alex Myers is happy to win a spot on the varsity team as a quarterback but must deal with idea of not playing for two years since the first-string quarterback is not only a local hero, he is also the son of the corrupt head coach.

Eliza and Her Monsters Delacorte Press

Jemma knows who the murderer is. She knows because he told her. He thought his secret was safe because Jemma can't speak or move. But Jemma observes all kinds of things about everyone around her. His secret is just one of them. And when a new technology means she may be able to communicate and reveal all she knows, Jemma no longer feels powerless in the face of this deadly secret. It's a race against time before the killer acts again...or tries to stop her.

Readers

High school senior point guard Jonas Dolan is on the fast track to a basketball career until an unthinkable choice puts his future on the line.

Carl Deuker Collection Houghton Mifflin Harcourt

The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally

able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections. *Miracle on 49th Street* Macmillan From the New York Times bestselling author of *Girl in Pieces* comes a stunning novel that *Vanity Fair* calls "impossibly moving" and "suffused with light". In this raw, deeply personal story, a teenaged girl struggles to find herself amidst the fallout of her brother's addiction in a town ravaged by the opioid crisis. For all of Emory's life she's been told who she is. In town she's the rich one--the great-

great-granddaughter of the mill's founder. At school she's hot Maddie Ward's younger sister. And at home, she's the good one, her stoner older brother Joey's babysitter. Everything was turned on its head, though, when she and Joey were in the car accident that killed Candy MontClaire. The car accident that revealed just how bad Joey's drug habit was. Four months later, Emmy's junior year is starting, Joey is home from rehab, and the entire town of Mill Haven is still reeling from the accident. Everyone's telling Emmy who she is, but so much has changed, how can she be the same person? Or was she ever that person at all? Mill Haven wants everyone to live one story, but Emmy's beginning to see that people are more than they appear. Her brother, who

might not be "cured," the popular guy who lives next door, and most of all, many "ghostie" addicts who haunt the edges of the town. People spend so much time telling her who she is--it might be time to decide for herself. A journey of one sister, one brother, one family, to finally recognize and love each other for who they are, not who they are supposed to be, *You'd Be Home Now* is Kathleen Glasgow's glorious and heartbreaking story about the opioid crisis, and how it touches all of us.

Golden Arm Little, Brown Books for Young Readers

Living with his alcoholic father on a broken-down sailboat on Puget Sound has been hard on seventeen-year-old Chance Taylor, but when his love of running leads to a high-paying job, he

quickly learns that the money is not worth the risk. Reprint.

The Walk on HarperCollins

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a

notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and

Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home. [A Visionary Teacher, His First Robotics Team, and the Ultimate Battle of Smarts](#) Farrar, Straus and Giroux (BYR)

“A love letter to fandom, friendship, and the stories that shape us, *Eliza and Her Monsters* is absolutely magical.”—Marieke Nijkamp, New York Times–bestselling author of *This Is Where It Ends* Eighteen-year-old Eliza Mirk is the anonymous creator of the wildly popular webcomic *Monstrous Sea*, but when a new boy at school tempts her to live a life offline, everything she’s worked for begins to crumble. *Rainbow Rowell’s Fangirl* meets *Noelle Stevenson’s Nimona* in this acclaimed novel about art, fandom, and finding the courage to be yourself. “A must-have.”—*School Library Journal* In the real world, Eliza Mirk is shy, weird, and friendless. Online, Eliza is *LadyConstellation*, anonymous creator of a popular webcomic called *Monstrous*

Sea. With millions of followers and fans throughout the world, Eliza's persona is popular. Eliza can't imagine enjoying the real world as much as she loves her digital community. Then Wallace Warland transfers to her school and Eliza begins to wonder if a life offline might be worthwhile. But when Eliza's secret is accidentally shared with the world, everything she's built—her story, her relationship with Wallace, and even her sanity—begins to fall apart. With pages from Eliza's webcomic, as well as screenshots from Eliza's online forums, this book will appeal to fans of Noelle

Stevenson's *Nimona* and Rainbow Rowell's *Fangirl*. Young Adult Library Services Association Best Book Best Fiction for Young Adults Top Ten Kirkus Best Book Texas Tayshas Pick *Love, Lucas* Simon and Schuster Hoping to land the first real story of his career by interviewing reluctant cornerback Angel Marichal, high school journalist Mitch True attempts to learn why Coach McNulty appears to be holding back the promising young athlete.
