 Wisdom Of The Body Moving
 In brief, Linda Hartley takes us deeply and safely into our very own life-experience and potential, simply but very expertly by showing how our evolution and human-development is a sequential-process between the actual movement-capabilities of every part of our body

and the reach-out capability of the Brain-Mind (reviewer's term) into as it were custom-made little minds located within each organ, limb, or body-part: a kind of 'trans-substantiation' of the appropriate part of the one central ...
