City of the Uncommon Thief Harper Collins
 Fer has always felt that she doesn't belong. She hears the call of the wild wood, the secrets it whispers. When her grandmother reveals clues about the disappearance of her father and his mystical bond to her mother, Fer begins to unlock secrets about the parents she never knew. Led to a reflecting pool which uncovers The Way, Fer finds an enchanting and dangerous land. And it is here that she will realise her destiny - to face down the deadly Mor and free this land from its imprisonment in ice and evil.

The Stolen Chapters Page Street YA
 "Joarr Enge never believed in the powers of the chalice he was tasked to guard-- but he sure as hell wasn't going to let the captivating witch who'd robbed him escape. Now, a century after her betrayal, Joarr commandeered Amma's body and blocked her magic. She would spend every moment by his side until the chalice could be found. Amma had risked everything to uncover the secrets in her past-- even the rage of her powerful and mysterious dragon lover. But as Joarr's passionate fire tempted her to dream of a future with him, could their magic unite two separate worlds for the most precious thing of all... their son?"--P. [4] of cover.

Thief of Magic Random House Books for Young Readers
 A young man decides to visit Nigeria after years of absence. Ahead lies the difficult journey back to the family house and all its memories; meetings with childhood friends and above all, facing up to the paradox of Nigeria, whose present is as burdened by the past as it is facing a new future. Along the way, our narrator encounters life in Lagos. He is captivated by a woman reading on a danfo; attempts to check his email are frustrated by Yahoo boys; he is charmingly duped buying fuel. He admires the grace of an aunty, bereaved by armed robbers and is inspired by the new malls and cultural venues. The question is: should he stay or should he leave? But before the story can even begin, he has to queue for his visa.. Every Day is for the Thiefs a striking portrait of Nigeria in change. Through a series of cinematic portraits of everyday life in Lagos, Teju Cole provides a fresh approach to the returnee experience.- See more at: <http://www.cassavarepublic.biz/products/every-day-is-for-the-thief#sthash.qe7r4oNv.dpuf>

 From award-winning author Sarah Prineas comes a brand-new digital short story! This original 50-page short story will enchant fans of the Magic Thief series. Thief-turned-wizard Connwaer has

earned the reputation as one of the greatest magisters of the age, but not everyone believes in his abilities. When Verent, a young apprentice from neighboring Danivelle, comes to Wellmet to ask for Conn's help with his city's magical problems, he is less than impressed with Conn. Will Verent be able to overcome his misgivings about Conn in order to help his town? And with Conn's help, will Verent become a proper wizard? Includes a special sneak peek at the first chapter of *The Magic Thief: Home*, the fourth installment in the Magic Thief series!

Sandry's Book Little, Brown Books for Young Readers
 A globetrotting, time-bending, wildly entertaining masterpiece hailed by the New York Times Book Review as "Audaciously well written...the book I was raving about to my friends before I'd even finished it." Publishers Weekly raved that "with near-universal appeal . . . Seay's debut novel is a true delight, a big, beautiful cabinet of wonders that is by turns an ominous modern thriller, a supernatural mystery, and an enchanting historical adventure story." Set in three cities in three eras, *The Mirror Thief* calls to mind David Mitchell and Umberto Eco in its mix of entertainment and literary bravado. The core story is set in Venice in the sixteenth century, when the famed makers of Venetian glass were perfecting one of the old world's most wondrous inventions: the mirror. An object of glittering yet fearful fascination—was it reflecting simple reality, or something more spiritually revealing?—the Venetian mirrors were state of the art technology, and subject to industrial espionage by desirous sultans and royals world-wide. But for any of the development team to leave the island was a crime punishable by death. One man, however—a world-weary war hero with nothing to lose—has a scheme he thinks will allow him to outwit the city's terrifying enforcers of the edict, the ominous Council of Ten . . . Meanwhile, in two other Venices—Venice Beach, California, circa 1958, and the Venice casino in Las Vegas, circa today—two other schemers launch similarly dangerous plans to get away with a secret . . . All three stories will weave together into a spell-binding tour-de-force that is impossible to put down—an old-fashioned, stay-up-all-night novel that, in the end, returns the reader to a stunning conclusion in the original Venice . . . and the bedazzled sense of having read a truly original and thrilling work of art.

The Dragon Thief Harper Collins
 She'll steal anything to find the cure for a deadly strain of magic. Ever since the ancient Ceteri "blessed" Earth's inhabitants with Thaumaturgy, Lee has been able to enter the Liminal Realm, where she can influence the world without being seen or heard. But each time she uses her magic, it tears her cells further apart. Like a cancer, the magic eats away at her from the inside out. Fortunately, her ability makes her invaluable to the thieving crew she works for. Unfortunately, the crew is going broke. Lee is

determined not to go down with them. She just has to steal enough to buy the coordinates for the Ceteri's home world and convince them to heal her, even if it means losing her abilities. But when the crew hires on a new bit of muscle to help out with a last-ditch heist, Lee finds herself being tracked and her motives questioned by the crew. To make matters worse, the FBI is hot on Lee's trail, and they're closing in. Racing against arrest and her own death, can Lee reach the Ceteri in time? Fans of *Inception* and the *Dresden Files* series will devour Bree Moore's dark, new magic heist series. One-click *Thief of Magic* to start this thrilling urban fantasy adventure!

 What happens when the wind stops? The air grows hot and still and hard to breathe. Hospitals fill with patients. The world begins to panic. What happens when the wind stops? For *Hurricane*, this global disaster strikes at his core; but he must recover the magical horn that will fix everything. Can magic be real? And how can it finding the horn rest on *Hurricane's* twelve-year-old shoulders? This classic epic fantasy from beloved author Bruce Coville will enthrall readers while it reminds them of the magic that lies in friendship and that friendship just might have the power to save the world. For *Hurricane*, this global disaster strikes at his core. He got his name because he was born during a hurricane, and he has always felt a strangely intense connection to the wind. And now his mother is one of the sick people in the hospital. But what can he do? He's just a kid. When all this turns out to be TRUE, *Hurricane* embarks on the adventure of his life: a journey to different worlds, where he will make friends unlike any people he has ever known. He will discover courage, strength, humor, and an ability to bring people together.

The Witch Thief Tor Books
 A fantastic new cozy mystery series with a vintage flair from USA Today bestselling and Agatha Award-winning author Ellen Byron. Twenty-eight-year-old widow Ricki James leaves Los Angeles to start a new life in New Orleans after her showboating actor husband perishes doing a stupid internet stunt. The Big Easy is where she was born and adopted by the NICU nurse who cared for her after Ricki's teen mother disappeared from the hospital. Ricki's dream comes true when she joins the quirky staff of Bon Vee Culinary House Museum, the spectacular former Garden District home of late bon vivant Genevieve "Vee" Charbonnet, the city's legendary restaurateur. Ricki is excited about turning her avocation - collecting vintage cookbooks - into a vocation by launching the museum's gift shop, Miss Vee's Vintage Cookbooks and Kitchenware. Then she discovers that a box of donated vintage cookbooks contains the body of a cantankerous Bon Vee employee who was fired after being exposed as a book thief. The skills Ricki has developed ferreting out hidden vintage treasures

come in handy for investigations. But both her business and Bon Vee could wind up as deadstock when Ricki's past as curator of a billionaire's first edition collection comes back to haunt her. Will Miss Vee's Vintage Cookbooks and Kitchenware be a success ... or a recipe for disaster?

Connwaer, the young thief-turned-wizard's apprentice, escapes from prison and follows the call of magic to the distant and mysterious Dragon Mountain on a quest to save Wellmet from Arhionvar, dread magic that can destroy the city.

The Magic Thief Complete Collection Sourcebooks, Inc.

Discover the fantasy and wonder of *The Magic Thief*, the first book in Sarah Prineas's acclaimed middle grade fantasy series! Diana Wynne Jones, author of *Howl's Moving Castle*, said: "I couldn't put it down. Wonderful, exciting stuff." In a city that runs on a dwindling supply of magic, a young boy is drawn into a life of wizardry and adventure. Conn should have dropped dead the day he picked Nevery's pocket and touched the wizard's locus magicalicus, a stone used to focus magic and work spells. But for some reason he did not. Nevery finds that interesting, and he takes Conn as his apprentice on the provision that the boy find a locus stone of his own. But Conn has little time to search for his stone between wizard lessons and helping Nevery discover who—or what—is stealing the city of Wellmet's magic.

Is he supposed to stand by while a bully picks on his scrawny best friend? Or not defend himself when his teacher turns into a monster and tries to kill him? Mythical creatures seem to be walking straight out of the pages of Percy's Greek mythology textbook and into his life. What's worse, he's angered a few of

them: Zeus's master lightning bolt has been stolen, and Percy is the prime suspect. Percy and his friends Grover the satyr, and Annabeth, the demigod daughter of Athena, must find and return Zeus's stolen property and bring peace to a warring Mount Olympus. They travel cross country to the gates of the Underworld in Los Angeles, facing a host of enemies determined to stop them. With millions of copies and over 10 years spent on the New York Times bestseller list, Percy has also become a movie, a Broadway musical, and now a Disney+ series. He continues to find fans in classrooms and libraries across the world.

The Lost Books: The Scroll of Kings HarperCollins

Welcome to the New York Shade! We've got the stuff made out of dreams in this little slice of Hell on Earth. We've also got the stuff made out of nightmares. Supernaturals are free to be who they are in the Shade. That's the whole point of its existence—just not for me. My name is Sin Montero, hellbeast mercenary, and the best liar you've ever met. I've spent my whole life lying about what I am, until it all comes crashing down on me with a single bite. Turns out, my blood can't tell lies, not to a vampire. Damian Reed is achingly beautiful the way a lion is breathtaking-right until he rips your throat out. He claims my baby brother is in trouble, and if I don't help him find what he's looking for, he's going to turn me in to the authorities. Now that's a big problem for me. You see, if the Sacri Guild caught wind of what I truly am, they would kill me without hesitation. But if I do what Damian Reed asks, there's a good chance I'll die in the process. So many great options, right? Good thing I'm not as helpless as I let people think. I've got a few tricks up my sleeve, and a crazy familiar who may or may not really be a squirrel. My brother's life is on the line so I'll take my chances with the vampire. Let's just hope I survive him with my head-and my heart-intact.

House of Chains Simon and Schuster

"I was absolutely swept away by the world of *The Bone Charmer*." – Kendare Blake, #1 New York Times bestselling author of the *Three Dark Crowns* series A deft exploration of the weight of grief and cost of revenge, Breeana Shields's *Bone Charmer* duology reaches its spine-tingling conclusion in this high-octane fantasy-thriller. Saskia returns to Ivory Hall to train in bone magic,

determined to stop Latham from gaining the power of all three Sights—past, present, and future. But danger lurks within the fortress's marrow. Trials are underway for the apprentices, and the tasks feel specifically engineered to torment Saskia, which is exactly what Latham wants. As she grows increasingly more suspicious, her thirst for revenge becomes all-consuming. Together with the friends she can trust and the boy she loved in another lifetime, Saskia traces clues from Latham's past to determine what he'll do next. Their search leads them across Kastelia and brings them to a workshop housing a vast collection of horrors, including the bones Latham stole from Gran, and the knowledge that the future isn't all that's in jeopardy—but the past as well.

What Grew in Larry's Garden Penguin

Owen, Kiel, and Bethany confront secrets, stolen memories, and some very familiar faces in the second book in the New York Times bestselling series, *Story Thieves*—which was called a "fast-paced, action-packed tale" by *School Library Journal*—from the author of the *Half Upon a Time* trilogy. Owen Conners's whole life changed the day he found out his classmate Bethany was half-fictional, and could take him into any book in the library. Which story would they jump into next? Another fantasy, like the Kiel Gnomes, *Magic Thief* books? Maybe something with superheroes? Owen's up for anything except mysteries—those just have too many hidden clues, twists that make no sense, and an ending you never see coming. Then Owen wakes up in a real-life mystery with a memory that's been erased and too many questions. How did Kiel Gnomes lose all of his magic? Where is Bethany? And who's the annoying guy wearing the question mark mask and Sherlock Holmes hat, taunting Owen and Kiel that Bethany is in grave danger? Bethany is trapped in a hidden room that's slowly filling with water, and she can't escape until her friends find her. But is she imprisoned by more than just chains and a locked door? What's she hiding from Owen and Kiel? Maybe some mysteries just shouldn't be solved... Please note: The black bars in the first nine chapters are intended.

The Thief Lord Harper Collins

The constellations come to life in this imaginative fantasy adventure debut. Honorine's life as a maid at the Vidalia mansion is rather dull, dusting treasures from faraway places and daydreaming in front of maps of the world. But everything changes when she catches two brutish sailors ransacking Lord Vidalia's study, and then follows a mysterious girl with wings out into the night.... Suddenly, Honorine is whisked into the middle of a battle between the crew of a spectacular steamship and a band of mythical constellations. The stars in the sky have come to life to defend themselves against those who want to harness their powers. Much to her surprise, Honorine is the crux of it all, the center of an epic clash between magic and science, the old ways and the new. But can this spirited young girl bring both sides of a larger-than-life fight together before they unleash an evil power even older than the stars?

The Memory Thief Harper Collins

Nothing is overdone and not a word is out of place in this auspicious debut," wrote Kirkus in a starred review of *Instead of Three Wishes*, the first book by Megan Whalen Turner. Her second book more than fulfills that promise. The king's scholar, the magus, believes he knows the site of an ancient treasure. To attain it for his king, he needs a skillful thief, and he selects Gen from the king's prison. The magus is interested only in the thief's abilities. What Gen is interested in is anyone's guess. Their journey toward the treasure is both dangerous and difficult, lightened only imperceptibly by the tales they tell of the old gods and goddesses. Megan Whalen Turner weaves Gen's stories and Gen's story together with style and verve in a novel that is filled with intrigue, adventure, and surprise.
