The Second Edition of
Johnny Saldaña's
international bestseller
provides an in-depth
guide to the multiple
approaches available

for coding qualitative data. Fully up to date, it includes new chapters, more coding techniques and an additional glossary. Clear, practical and authoritative, the book: -describes how coding initiates qualitative data analysis - demonstrates the writing of analytic memos -discusses available analytic software -suggests how best to use The Coding Manual for Qualitative Researchers for particular studies. In total, 32 coding methods are profiled that can be applied to a range of research genres from grounded theory to phenomenology to narrative inquiry. For each approach, Saldaña discusses the method's origins, a description of the

method, practical applications, and a clearly illustrated example with analytic follow-up. A unique and invaluable reference for students, teachers, and practitioners of qualitative inquiry, this book is essential reading across the social sciences.

The Unpublished Conclusion to The Once and Future King G K

Hall & Company

This remarkable book shatters just about every myth surrounding American

government, the Constitution, and the Founding Fathers, and offers the clearest warning about the alarming rise of one-man rule in the age of Obama. Most Americans believe that this country uniquely protects liberty, that it does so because of its Constitution, and that for this our thanks must go to the Founders, at their Convention in Philadelphia in 1787. F. H. Buckley's book debunks all these myths. America isn't the freest country around, according to the think tanks that study these things. And it's not the Constitution that made it free, since parliamentary regimes are generally freer than presidential ones. Finally, what we think of as the Constitution,

with its separation of powers, was not what the Founders had in mind. What they expected was a country in which Congress would dominate the government, and in which the president would play a much smaller role. Sadly, that's not the government we have today. What we have instead is what Buckley calls Crown government: the rule of an all-powerful president. The country began in a revolt against one king, and today we see the dawn of a new kind of monarchy. What we have is what Founder George Mason called an "elective monarchy," which he thought would be worse than the real thing. Much of this is

irreversible. Constitutional amendments to redress the balance of power are extremely unlikely, and most Americans seem to have accepted, and even welcomed, Crown government. The way back lies through Congress, and Buckley suggests feasible reforms that it might adopt, to regain the authority and respect it has squandered.

The fourth book from the collection *The Once and Future King* by T. H. White. It deals with the last weeks of Arthur's reign, his dealings with his son Mordred's revolts, Guenever and Lancelot's demise, and his perception of right and wrong.

T.H. White's *The Once and Future King* SAGE

The history of America's civil rights movement is marked by narratives that we hear retold again and again. This has relegated many key figures and turning points to the margins, but graphic novels and graphic memoirs present an opportunity to push against the consensus and create a more complete history. *Graphic Memories of the Civil Rights Movement* showcases five vivid examples of this: Ho Che Anderson's *King* (2005), which complicates the standard biography of Martin Luther King Jr.; Congressman John Lewis's three-volume memoir, *March* (2013–2016);

Darkroom (2012), by Lila Quintero Weaver, in which the author recalls her Argentinian father's participation in the movement and her childhood as an immigrant in the South; the bestseller *The Silence of Our Friends* by Mark Long, Jim Demonakos, and Nate Powell (2012), set in Houston's Third Ward in 1967; and Howard Cruse's *Stuck Rubber Baby* (1995), whose protagonist is a closeted gay man involved in the movement. In choosing these five works, Jorge Santos also explores how this medium allows readers to participate in collective memory making, and what the books reveal about the process by which history is (re)told, (re)produced, and (re)narrativized.

Concluding the work is Santos's interview with Ho Che Anderson.

The Anarchy

Ballantine Books

T. H. White's masterful retelling of the saga of King Arthur is a fantasy classic as legendary as Excalibur and Camelot, and a poignant story of adventure, romance, and magic that has enchanted readers for generations. Once upon a time, a young boy called "Wart" was tutored by a magician named Merlyn in preparation for a future he couldn't possibly imagine. A future in which he would ally himself with the greatest knights, love a legendary queen and unite a country dedicated to chivalrous values. A future that would see him crowned and known for all time as Arthur, King of the

Britons. During Arthur's reign, the kingdom of Camelot was founded to cast enlightenment on the Dark Ages, while the knights of the Round Table embarked on many a noble quest. But Merlyn foresaw the treachery that awaited his liege: the forbidden love between Queen Guenever and Lancelot, the wicked plots of Arthur's half-sister Morgause and the hatred she fostered in Mordred that would bring an end to the king's dreams for Britain—and to the king himself. "[The Once and Future King] mingles wisdom, wonderful, laugh-out-loud humor and deep sorrow—while telling one of the great tales of the Western world."—Guy Gavriel Kay

McClelland & Stewart

The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. The latest generation of titles in this series also feature glossaries and visual elements that complement the classic, familiar format. Based on medieval Arthurian legends, CliffsNotes on *The Once and Future King* is a twentieth-century version of young Arthur's quest for the sword Excalibur and his claim to the throne of England. Including many well-known and much-loved episodes with Merlyn, the sorcerer; Morgan La Fay, the witch; and

knights jousting and hounds engaged in the hunt, White's novel adds to the lore surrounding the person of King Arthur. This study guide covers all four volumes of *The Once and Future King* with special emphasis given to the most popular volume, *The Sword in the Stone*. Other features that help you study include Character analyses of major players Personal background of the author, T.H. White A critical essay on Arthurian films A review section that tests your knowledge A Resource Center full of books, articles, and websites Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.

The Once and Future King University of Texas Press
 Part of The Round Table Chronicles
 You've all heard the story: how Arthur Pendragon, son of the tyrant King Uther, vanquished all in his path with the aid of his fellow knights. How Merlin, a young sorcerer, born with magic, helped the young king achieve great things. How Merlin served Arthur, and how they formed an unbreakable bond. How their friendship was so strong, that they were unbeatable. You've probably also heard how Arthur married the love of his life: a lonely black smith's daughter named Guinevere. And how you must of heard of Arthur's corrupted sister, Morgana, and

the terror in which consumed her. And of course, Arthur's end: the druid boy Mordred. How wrong you are. You know nothing. The stories you have heard are just that: stories. Now, let me tell you what actually happened, for I know more than anyone. For I am... Emrys. The Truth of the Once and Future King: Arthur Pendragon by Emrys Tristan and the Lure of Caraval

New York Review of Books
An analysis of women in *The Once and Future King*.

The Book of Merlyn
University of Texas Press

The magical saga of the women behind King Arthur's throne. "A monumental reimagining of the Arthurian legends . . . reading it is a deeply moving and at times uncanny experience. . . . An impressive achievement."—The New York Times Book Review In Marion Zimmer Bradley's masterpiece, we see the tumult and adventures of Camelot's court through the eyes of the women who bolstered the king's rise and schemed for his fall. From their childhoods through the ultimate

fulfillment of their destinies, we follow these women and the diverse cast of characters that surrounds them as the great Arthurian epic unfolds stunningly before us. As Morgaine and Gwenhwyfar struggle for control over the fate of Arthur's kingdom, as the Knights of the Round Table take on their infamous quest, as Merlin and Viviane wield their magics for the future of Old Britain, the Isle of Avalon slips further into the impenetrable mists of memory, until the fissure between old and new worlds' and old and new religions' claims its most famous victim.

The Conclusion to the Once and Future King Chicken House Profiles the lives of

twenty-six women who, through their acts and deeds, helped shape and change the world during their lifetime, including pilot Amelia Earhart and anthropologist Zora Neal Hurston.

In the late 1800s, three sisters use witchcraft to change the course of history in this powerful novel of magic, family, and the suffragette movement. In 1893, there's no such thing as witches. There used to be, in the wild, dark days before the burnings began, but now witching is nothing but tidy charms and nursery rhymes. If the modern woman wants any measure of power, she must find it at the ballot box. But when the Eastwood sisters—James Juniper, Agnes Amaranth, and Beatrice Belladonna—join the

suffragists of New Salem, they begin to pursue the forgotten words and ways that might turn the women's movement into the witch's movement. Stalked by shadows and sickness, hunted by forces who will not suffer a witch to vote—and perhaps not even to live—the sisters will need to delve into the oldest magics, draw new alliances, and heal the bond between them if they want to survive. There's no such thing as witches. But there will be. An homage to the indomitable power and persistence of women, *The Once and Future Witches* reimagines stories of revolution, motherhood, and women's suffrage—the lost ways are calling. Praise for *The Once*

and Future Witches: "A glorious escape into a world where witchcraft has dwindled to a memory of women's magic, and three wild, sundered sisters hold the key to bring it back...A tale that will sweep you away."—Yangsze Choo, New York Times bestselling author "This book is an amazing bit of spellcraft and resistance so needed in our times, and a reminder that secret words and ways can never be truly and properly lost, as long as there are tongues to speak them and ears to listen."—P. Djèlí Clark, author *The Black God's Drum* For more from Alix E. Harrow, check out *The Ten Thousand Doors of January*.
Rat Queens Vol. 7: The Once and Future King

Heinemann King Arthur as you've never seen her! This bold, sizzling YA novel reimagines the *Once and Future King* as a teenage girl determined to save the universe from an evil curse. My name is Ari Helix. I have a magic sword, a cranky wizard, and a revolution to start. I've been chased my whole life. As a fugitive refugee in the territory controlled by the tyrannical Mercer corporation, I've always had to hide who I am. Until I found Excalibur. Now I'm done hiding. When Ari crash-lands on Old Earth and pulls a magic sword from its ancient resting place, she is revealed to be the newest reincarnation of King Arthur. Then she meets Merlin, who has aged backward over

the centuries into a teenager, and together they must break the curse that keeps Arthur coming back. Their quest? Defeat the cruel, oppressive government and bring peace and equality to all humankind. No

pressure. "All hail this worthier-than-ever, fresh, and affirming reincarnation of the legendary king and her round table of knights which dazzles with heroic flair, humor, and suspense." -- Kirkus, Starred Review
