KEEPING UP WITH THE KARDASHIANS: Kim Kardashain, Kris Jenner, Kylie Jenner, The Kardashians -

4 books in 1Featuring... \*Kim Kardashian\*Kris Jenner\*Kylie Jenner\*The Kardashians 4 Great Books in 1! Kim Kardashian Love them or hate them, there is no discussion of the phenomena of modern celebrity without its apex creatures, the Kardashian family. The Kardashians are exceptional in every sense of the word. A non-traditional, racially-diverse, blended family from immigrant stock, they are also spearheaded and moved by empowered women with limited education. How this brood turned the proverbial 15 minutes of fame into 15 fabulous years of that plus staggering fortune is practically a fairy tale. This is lightning in a bottle, especially for reality TV stars whose initial, ambiguous claims to fame were links to a 1970s sports icon, a 1990s murder trial and a 2007 starlet sex tape. The once unconventional family name has since become an unforgettable global brand, monetized by its members into various forms into a collective valuation of well over one billion dollars. And the journey all began with Kim. Kim Kardashian, Superstar? "Superstar" does not even begin to cut it. What she eventually became was a constellation of superstar. This is her story... Kris Jenner This is Kris Houghton Kardashian Jenner, or whatever incarnation she chooses to go by these days. With everything she has achieved, she could be anything. But before

she got here she was Kris Houghton, beautiful teen from a broken family, on the lookout for a better life and seeing it linked to securing a good husband. She was Mrs. Robert Kardashian, high school graduate suddenly swept off her feet and into the halls of the powerful, popular and wealthy - and expected to play the part of Beverly Hills homemaker to the hilt. She was Mrs. Bruce Jenner, finally able to spread her wings and explore her heretofore undiscovered talents of managing a brand and a business. She was the former Mrs. Caitlyn Jenner too, from when her husband transitioned to a woman and she consequently had to weather the storms as gracefully as possible, before the cruel glare of the spotlight and the public eye. She now holds pride in her main role of mom and manager - "momager" - to her Kardashian and Jenner children, through five of whom, she is also a loving and indulgent grandmother. This is Kris Houghton Kardashian Jenner - SELF-MADE - and all the she had made of herself, by herself. This is her story. Kylie JennerThe Kardashian family has ignited many a national debate on a variety of topics over their more than ten years in the spotlight, and on complex issues at that. Their prominence has repeatedly raised interesting questions on what it means to be a family, on modern-day celebrity, racial politics,

female sexuality and gender norms. And now, with Kylie Jenner's news-making Forbes cover, the family has stirred the pot again... The Kardashians "The American Dream" are words often uttered with the reverence it deserves. It is a collective ethos, a defining piece of national character that champions the idea that the individuals of a country, regardless of their background, would be able to maximize their personal potentials in pursuit of their happiness and success. It is a vision of meritocracy, where hard work, risk-taking and gumption is rewarded; where everyone has ample opportunity to show and be justly compensated for their abilities, determination and daring. It is an appropriately new vision, for the New World. It is a bold, revolutionary vision. But by its very name, "The American Dream" is just that - a dream. It is an acknowledgement that reality does not always match the ideal. It requires work and protection to continue being upheld. But for one family, the dream has become a reality.

"A heartfelt manual for those seeking to understand their transgender parent." - Kirkus Maybe you just found out your mom, or your dad, is transgender, or maybe you've known for a while. But now what? This guide covers everything you need to know. With chapters on navigating the changes in your family, finding community, going through the transition as a family, and much, much more, you'll see how other people have handled these experiences, and learn how you can too. From definitions to names and pronouns, you'll find all you need to support yourself and your family through the transition and beyond. Including real-life stories from people whose parents have also transitioned, and practical advice throughout, this essential book will be your companion every step of the way.

**Terroir** Macmillan

An in-depth look at the role of media in the struggle for transgender inclusion From television shows like Orange Is the New Black and Transparent, to the real-life struggles of Caitlyn Jenner splashed across the headlines, transgender visibility is on the rise. But what was it like to live as a transgender person in a media environment before this transgender boom in television? While pop culture imaginations of transgender identity flourish and shape audience's perceptions of trans identities, what does this new media visibility mean for transgender individuals themselves? *Struggling for Ordinary* engagingly answers these questions, offering a snapshot of how transgender individuals made their way toward a sense of ordinary life by integrating available media into their everyday experiences. Drawing on in-depth interviews with transgender communities, Andre Cavalcante offers a richly detailed account of how the media impacts the lives and experiences of transgender individuals. He grippingly looks at the emotional toll that media takes on this population along with their resilience in the face of disempowerment. Deeply rooted in the life stories of transgender people, the book uses everyday circumstances to show how media and technology operate as a medium through which transgender individuals are able to cultivate an understanding of their identities, build inhabitable worlds, and achieve the routine affordances of everyday life from which they are often excluded. Expertly researched and eloquently argued, *Struggling for Ordinary* sheds a fascinating new light of the everyday struggles of individuals and communities, to seek a life in which transgender identity is fully integrated into the ordinary.

**Understanding Gender Dysphoria** HarperCollins

Bruce Jenner, the celebrated Olympic icon and later the patriarch of one of the most famous families in the world, seemed to be living a dream life of success, fame, and prosperity. But the all-American image and million-dollar smile belied a lifelong struggle with gender dysphoria. The public mask of Bruce Jenner was finally retired in 2015 and Caitlyn Jenner was introduced to the world and set free to exist on her own terms. Since then, Caitlyn has undertaken an arduous emotional and physical odyssey to achieve the completeness she always felt was missing.

**Getting to Ellen** Simon and Schuster

PULITZER PRIZE FINALIST ONE OF THE NEW YORK TIMES BOOK REVIEW'S 10 BEST BOOKS OF THE YEAR WINNER OF THE KIRKUS PRIZE From the Pulitzer Prize-winning journalist and bestselling author of *Backlash*, comes *In the Darkroom*, an astonishing confrontation with the enigma of her father and the larger riddle of identity consuming our age. "In the summer of 2004 I set out to investigate someone I scarcely knew, my father. The project began with a grievance, the grievance of a daughter whose parent had absconded from her life. I was in pursuit of a scofflaw, an artful dodger who had skipped out on so many things—obligation, affection, culpability, contrition. I was preparing an indictment, amassing discovery for a trial. But somewhere along the line, the prosecutor became a witness." So begins Susan Faludi's extraordinary inquiry into the meaning of identity in the modern world and in her own haunted family saga. When the feminist writer learned

that her 76-year-old father—long estranged and living in Hungary—had undergone sex reassignment surgery, that investigation would turn personal and urgent. How was this new parent who identified as "a complete woman now" connected to the silent, explosive, and ultimately violent father she had known, the photographer who'd built his career on the alteration of images? Faludi chases that mystery into the recesses of her suburban childhood and her father's many previous incarnations: American dad, Alpine mountaineer, swashbuckling adventurer in the Amazon outback, Jewish fugitive in Holocaust Budapest. When the author travels to Hungary to reunite with her father, she drops into a labyrinth of dark histories and dangerous politics in a country hell-bent on repressing its past and constructing a fanciful—and virulent—nationhood. The search for identity that has transfixed our century was proving as treacherous for nations as for individuals. Faludi's struggle to come to grips with her father's metamorphosis takes her across borders—historical, political, religious, sexual--to bring her face to face with the question of the age: Is identity something you "choose," or is it the very thing you can't escape?

*Trans* New York Review of Books

The 1976 Olympics decathlon winner discusses his life, his Olympic experiences, the decathlon, and his involvement in the Special Olympics.

*Kardashian Dynasty* Grand Central Publishing

A compelling memoir about "Ed" Krug, who as a man, had everything that anyone could want: a soul mate's love, the adoration of two beautiful daughters, a house in the best neighborhood, and a successful trial lawyer's career. After years of self-denial, "Ed" began a "gender journey" of self-discovery. In the end, that journey meant accepting Ellen, even though doing so meant giving up much of what "Ed" had valued as a man. This is a truly compelling story that goes beyond some things lost and others gained. It has universal meaning for everyone--whether they are transgender or not.

*Dirty Sexy Money* Random House

Traces the rise of the Kardashian and Jenner families to reality show and tabloid fame. Discusses the negative publicity that has overshadowed their recent years while scrutinizing charges of exploitation that have targeted Kris Jenner, Rob Kardashian, and Caitlyn Jenner.

[Caitlyn Jenner](#) Createspace Independent Publishing Platform

In this remarkable memoir former Olympian and Kardashian family member Caitlyn Jenner reveals shocking and heartbreaking stories from her journey to become a transgender woman and fight for the LGBTQ+ community. "Imagine denying your core and soul. Then add to it the most impossible expectations that people have for you because you are the personification of The American Male Athlete." Bruce Jenner, the celebrated Olympic icon and later the patriarch of one of the most famous families in the world, seemed to be living a dream life of success, fame, and prosperity. But the all-American image and million-dollar smile belied a lifelong struggle with gender dysphoria, and it wasn't until the sensational Diane Sawyer interview that the public mask of Bruce Jenner was finally retired, and through the memorable Vanity Fair piece by Buzz Bissinger, that Caitlyn Jenner was introduced to the world and set free to exist on her own terms. Since then, Caitlyn has undertaken an arduous emotional and physical odyssey to achieve the completeness she always felt was missing. In *THE SECRETS OF MY LIFE*, Caitlyn reflects on the inner conflict she experienced growing up in an era of rigidly defined gender identities, and the cruel irony of being hailed by an entire nation as the ultimate symbol of manhood. She recounts her Olympic triumph, her rise to fame, and relates how her sense of frustration and shame grew with the passing years and the lengths to which she had to go to conceal her true self. Caitlyn in turn uncovers the toll that these personal struggles had on her three marriages and, subsequently, the relationships with her children. She also talks candidly about her life in the public eye as a member of the Kardashian clan, what led to her decision to become Caitlyn, and how she, her family, the transgender community, and the rest of the world has since embraced her new life. Filled with incredibly personal and moving stories of struggle and victory, of anxiety and fear, and, finally, of surrender and acceptance, *THE SECRETS OF MY LIFE* reveals the real Caitlyn Jenner by tracing her long and eventful journey to becoming herself.

Investigator and #1 New York Times bestselling author Ian Halperin pulls back the curtain on America's notorious Kardashian family's seemingly meteoric rise to fame, and the dark secrets they've struggled to hide in *Kardashian Dynasty*, now in paperback. The Kardashians and Jenners have taken the world by storm, collectively rising to superfame after making their reality show debut on E! with *Keeping Up with the Kardashians* in 2007. Since then, their family life has

remained a constant circus of tabloid headlines, red carpet appearances, branding deals, reality shows and their spinoffs, and a slew of media coverage. And yet, amidst their mega success, the Kardashians have faced a firestorm of negative publicity over the years: particularly over Kris Jenner's role in the family. As matriarch and momager of the Kardashian clan, Kris has been accused of exploiting her children for fame and money and playing the media like a deck of cards. Based on extensive research, Ian Halperin delivers the salacious details behind the Kardashians' rise to fame. With revelations exposing the family's foundation as unstable at best and scandalous at worst, Halperin scrutinizes their self-made multi-million dollar brand and provides an unparalleled glimpse into the events and scandals that have propelled the Kardashians to worldwide celebrity, for better or worse.

*Becoming Nicole* NYU Press

Award-winning songwriter Linda Thompson breaks her silence, sharing the extraordinary story of her life, career, and epic romances with two of the most celebrated, yet enigmatic, modern American superstars—Elvis Presley and Bruce Jenner For the last forty years, award-winning songwriter Linda Thompson has quietly led one of the most remarkable lives in show business. The longtime live-in love of Elvis Presley, Linda first emerged into the limelight during the 1970s when the former beauty pageant queen caught the eye of the King. Their chance late-night encounter at a movie theater was the stuff of legend, and it marked the beginning of a whirlwind that would stretch across decades, leading to a marriage with Bruce Jenner, motherhood, and more drama than she ever could have imagined. Now, for the first time, Linda opens up about it all, telling the full story of her life, loves, and everything in between. From her humble beginnings in Memphis to her nearly five-year relationship with Elvis, she offers an intimate window into their life together, describing how their Southern roots fueled and sustained Graceland's greatest romance. Going inside their wild stories and tender moments, she paints a portrait of life with the King, as raucous as it is refreshing. But despite the joy they shared, life with Elvis also had darkness, and her account also presents an unsparing look at Elvis's twin demons—drug abuse and infidelity—forces he battled throughout their time together that would eventually end their relationship just eight months before his untimely death. It was in the difficult aftermath of Elvis's death that Linda found what she believed was her true home: the arms of Olympic gold medal—winner Bruce Jenner. Detailing her marriage to Bruce, Linda reveals the seemingly perfect life that they built with their two young sons—Brandon and Brody—before Bruce changed everything with a secret he'd been carrying his entire life, a secret that Linda herself kept for nearly thirty years, a secret that Bruce's transition to Caitlyn Jenner has finally laid bare for the world. Providing a candid look inside one of the most challenging moments of her life, Linda uncovers the struggles she went through as a woman and a mother, coming to terms with the reality of Bruce's identity and resolving to embrace him completely no matter what, even as it meant they could no longer be together. And yet, despite her marriage unraveling, her search for love was not over, eventually leading her to the legendary music producer and musician David Foster—a relationship that lasted for nineteen tumultuous years, resulting in a bond that spurred her songwriting career to new heights but also tested her like never before. Filled with compelling and poignant stories and sixteen pages of photographs, *A Little Thing Called Life* lovingly recounts Linda's incredible journey through the years, bringing unparalleled insight into three legendary figures.

**Caitlyn Jenner Talking** Macmillan + ORM

NEW YORK TIMES BESTSELLER • The inspiring true story of transgender actor and activist Nicole Maines, whose identical twin brother, Jonas, and ordinary American family join her on an extraordinary journey to understand, nurture, and celebrate the uniqueness in us all. Nicole appears as TV's first transgender superhero on CW's *Supergirl* When Wayne and Kelly Maines adopted identical twin boys, they thought their lives were complete. But by the time Jonas and Wyatt were toddlers, confusion over Wyatt's insistence that he was female began to tear the family apart. In the years that followed, the Maineses came to question their long-held views on gender and identity, to accept Wyatt's transition to Nicole, and to undergo a wrenching transformation of their own, the effects of which would reverberate through their entire community. Pulitzer Prize-winning journalist Amy Ellis Nutt spent almost four years reporting this story and tells it with unflinching honesty, intimacy, and empathy. In her hands, *Becoming Nicole* is more than an account of a courageous girl and her extraordinary family. It's a powerful portrait of a slowly but surely changing nation, and one that will inspire all of us to see the world with a little more humanity and understanding. Named One of the Ten Best Books of the Year by *People* • One of the Best Books of the Year by *The New York Times Book Review* and *Men's Journal* • *A Stonewall*

Honor Book in Nonfiction • Finalist for the Lambda Literary Award for Transgender Nonfiction  
 “Fascinating and enlightening.”—Cheryl Strayed “If you aren’t moved by *Becoming Nicole*, I’d suggest there’s a lump of dark matter where your heart should be.”—The New York Times  
 “Exceptional . . . ‘Stories move the walls that need to be moved,’ Nicole told her father last year. In telling Nicole’s story and those of her brother and parents luminously, and with great compassion and intelligence, that is exactly what Amy Ellis Nutt has done here.”—The Washington Post  
 “A profoundly moving true story about one remarkable family’s evolution.”—People  
 “*Becoming Nicole* is a miracle. It’s the story of a family struggling with—and embracing—a transgender child. But more than that, it’s about accepting one another, and ourselves, in all our messy, contradictory glory.”—Jennifer Finney Boylan, former co-chair of GLAAD and author of *She’s Not There: A Life in Two Genders*

**The Caitlyn Jenner Story** Princeton University Press

Everybody's favorite "momager," the businesswoman behind the Kardashian empire, shares her never-before-told story.

*Caitlyn Jenner Talking* Simon & Schuster

How the transgender experience opens up new possibilities for thinking about gender and race In the summer of 2015, shortly after Caitlyn Jenner came out as transgender, the NAACP official and political activist Rachel Dolezal was "outed" by her parents as white, touching off a heated debate in the media about the fluidity of gender and race. If Jenner could legitimately identify as a woman, could Dolezal legitimately identify as black? Taking the controversial pairing of “transgender” and “transracial” as his starting point, Rogers Brubaker shows how gender and race, long understood as stable, inborn, and unambiguous, have in the past few decades opened up—in different ways and to different degrees—to the forces of change and choice. Transgender identities have moved from the margins to the mainstream with dizzying speed, and ethnoracial boundaries have blurred. Paradoxically, while sex has a much deeper biological basis than race, choosing or changing one's sex or gender is more widely accepted than choosing or changing one's race. Yet while few accepted Dolezal's claim to be black, racial identities are becoming more fluid as ancestry—increasingly understood as mixed—loses its authority over identity, and as race and ethnicity, like gender, come to be understood as something we do, not just something we have. By rethinking race and ethnicity through the multifaceted lens of the transgender

experience—encompassing not just a movement from one category to another but positions between and beyond existing categories—Brubaker underscores the malleability, contingency, and arbitrariness of racial categories. At a critical time when gender and race are being reimagined and reconstructed, *Trans* explores fruitful new paths for thinking about identity.

*Finding the Champion Within* Simon and Schuster

The only lie told more often than "No, that looks totally cute on you" and "I got AIDS through oral" is "It gets better." Well, a lotta times it don't. Sometimes it just sucks less. But I promise you: where there's a Willam, there's a way. But this isn't all about me (for once). It's about you and how you can Suck Less at a variety of things drag queens are so much better at than the average person. I've got clap backs and life hacks and tips on classing up a simple grab-and-run lifting spree to the much more dignified act of larceny. Super-important life stuff with my own special, secret fag- swag sauce. So welcome to Willam's School of Bitchcraft and Wiggotry. Class is in session. With a foreword from Neil Patrick Harris.

**Bruce Or Caitlyn Jenner: the True Story** Createspace Independent Publishing Platform

Ladies of London star Marissa Hermer grew up in southern California picking avocados from her grandmother's tree. Weekends meant trips to the Newport Beach pier for fresh fish and bowls of granola baked in the sunny family kitchen. But everything changed when Marissa moved to London to be with the love of her life, a British restaurateur who prefers meat and potatoes to guacamole. A classic Sunday roast replaced her beachside BBQ, and sticky toffee pudding elbowed out the s'mores. But as she made her home in England and started a family of her own, Marissa didn't want to lose her roots. She began incorporating a bit of California into her recipes, creating homey British favorites with a brighter twist. Drawing inspiration from both her American upbringing and British cuisine, the 120 recipes in *An American Girl in London* show you how to cook delicious, nourishing, family-friendly fare that earns raves on both sides of the pond. From a flavorful sourdough bread and butter pudding to a rich mushroom and tarragon pie, Marissa shows you how to amp up the flavors of home to keep you, your family, and friends feeling fit, loved, and completely nourished. While her home kitchen might not be the most traditional, it's a match made in transatlantic heaven.

*In the Kitchen with Kris* InterVarsity Press

*Trans/formations* is a new addition to "SCM's Controversies in Contextual Theology" series. Like anything coming from Marcella Althaus-Reid and Lisa Isherwood, it is controversial and challenging

as well as highly original. The book will: make visible a range of trans lived experience [transgendered and transsexual], offer theological reflection on these experiences, create challenging theology from this experiential base, and provide a resource for churches and theology students not to date available. It includes an excellent range of contributors, including Elizabeth Stuart and Virginia Ramey Mollenkott. This is a valuable addition to reading lists of courses on religion, gender and the body.

*The Kardashians* The Rosen Publishing Group, Inc

Bruce Jenner captured America's attention by shattering world records in the Decathlon at the 1976 Summer Olympics. Launched onto the world stage, Jenner was young, photogenic, All-American. He humbly accepted the adulation of a nation, and has stayed a household name ever since, even more so in recent years as the patriarch of one of America's most famous—and infamous—families, the Kardashian / Jenner clan. Almost forty years later, the press has been covering Jenner's transition from male to female, and should he come out publicly, it would make him the highest-profile person ever to come out as transgender. Living life proudly and openly, Jenner would serve as a role model for much of the transgender community. But not for all. His path has been controversial, as some advocates see the celebrity glare given off by his connection to the Kardashian family as exploitative, and his public persona making him a less-than-ideal spokesperson for transgendered people. Bruce Jenner, who seemingly always being watched by crowds, now finds himself more scrutinized than ever.

**The Evolution of Bruce Jenner** Simon and Schuster

The human spirit is at the heart of Conservatism. Conservatives have become a marginalized and misunderstood demographic in our pop-political culture. They are not as they are often portrayed: greedy, racists, sexist, homophobic and violent. Rather, they believe in equality, opportunity, accountability, freedom and independence. Harvard graduate Pillinger Choi, a first generation daughter of a Korean mother and a Jewish father, presents conservative views on social, fiscal and foreign policy issues from a modest and compassionate perspective. Bleeding Heart Conservatives will invigorate jaded conservatives, closet conservatives, and conservatives-turned-libertarian/independent, as well as enlighten curious apoliticals and liberals. "It's essential to revitalize an honest and intelligent understanding and promotion of conservatism in America. This book is an excellent move toward achieving that." - Gary Kasparov
