Onyx Harper Collins

I wasn't always in love with Colton Calloway; I was in love with his younger brother, Kyle, first. Kyle was my first one true love, my first in every way. Then, one stormy August night, he died, and the person I was died with him. Colton didn't teach me how to live. He didn't heal the pain. He didn't make it okay. He taught me how to hurt, how to not be okay, and, eventually, how to let go. Nell Hawthorne is in love with her life-long best friend, Kyle Calloway. Things are great, and they're in love, young, full of promise. Then Kyle dies in a tragic accident and Nell is forever changed. She meets Kyle's older brother Colton at the funeral, and there's a spark, but it's wrong and they both know it. The moment passes, and they both move on with life. A couple years later, they meet again in New York City, and Colton realizes that Nell has never really gotten over Kyle's death, and seems to be harboring a deeply rooted pain, something like guilt, perhaps. He knows he shouldn't

get involved, but he can't help himself. Trust doesn't come easily for either of them, and they both have demons, Colton especially. Together, they learn the purpose of pain and the meaning of healing, and the importance of forgiveness.

Obsession Entangled: Brazen

The unforgettable second novel in the acclaimed Covenant series from #1 New York Times bestselling Jennifer L. Armentrout. Includes a special bonus scene from Seth's point of view. Enter the world of Covenant... For Alexandria, being destined to become some kind of supernatural electrical outlet isn't exactly awesome - especially when her 'other half' is everywhere she goes. Seth's in her training room, outside her classes, and keeps showing up in her bedroom - so not cool. Their connection does have some benefits, like staving off her memories of the tragic showdown with her mother, but it has no effect on what Alex feels for the forbidden, pure-blooded Aiden. When daimons infiltrate the Covenants and attack students, the gods send furies - creatures determined to eradicate any threat to the Covenants and to the gods... and that includes Alex. If that and hordes of aether-sucking monsters weren't bad enough, a mysterious threat seems willing

to do anything to neutralize Seth, even if that means forcing Alex into servitude... or killing her. **These Deadly Games** Hodder Paperbacks
Sur une île au large de la Caroline du Nord vivent les hematoï, des individus au sang pur et aux pouvoirs divins capables de maîtriser les quatre éléments. Ceux dont la lignée a connu un métissage sont contraints de choisir leur destin : intégrer le corps des Sentinelles du Covenant pour chasser les démons, leurs ennemis originels, ou être réduits à la servitude. De retour depuis peu au Covenant pour des raisons qui lui appartiennent, Alexandria n'a pas le choix : fille d'une hématoï et d'un simple mortel, elle se doit de réussir l'examen lui permettant de devenir Sentinelle. L'institution applique une discipline de fer, et les relations entre sang-pur et sang-mêlé sont formellement interdites, sous peine d'exclusion, ou pire. Une règle qui pourrait être simple si Aiden, un sang-pur aux yeux couleur d'orage qu'Alex convoite depuis toujours, n'avait pas été désigné comme son entraîneur personnel...

Just Like Heaven Harper Collins

First published in 1943, *The Little Prince* by Antoine de Saint-Exupéry has been translated into

more than 250 languages, becoming a global phenomenon. The Sahara desert is the scenery of Little Prince's story. The narrator's plane has crashed there and he has scarcely some food and water to survive. Trying to comprehend what caused the crash, the Little Prince appears. The serious blonde little boy asks to draw him a sheep. The narrator consents to the strange fellow's request. They soon become friends and the Little Prince informs the pilot that he is from a small planet, the asteroid 325, talks to him about the baobabs, his planet volcanoes and the mysterious rose that grew on his planet. He also talks to him about their friendship and the lie that evoked his journey to other planets. Often puzzled by the grown-ups' behavior, the little traveler becomes a total and eternal symbol of innocence and love, of responsibility and devotion. Through him we get to see how insightful children are and how grown-ups aren't. Children use their heart to feel what's really important, not the eyes. Heart-breaking, funny and thought-provoking, it is an enchanting and endlessly wise fable about the human condition and the power of imagination. A book about both childhood and adulthood, it can be read as a parable, a war story, a classic children's fairy-tale, and many more things besides: The Little Prince is a book for everyone; after all, all grown-ups were children once.

Origine (Tome 1) - Étoile noire Entangled: Teen

In the irresistibly sexy series from #1 New York Times bestselling author Jennifer L. Armentrout, two free spirits find their lives changed by a one-night stand... Some things you just believe in, even if you've never experienced them. For Stephanie, that list includes love. It's out there. Somewhere. Eventually. Meanwhile she's got her job at the mixed martial arts training center and hot flings with gorgeous, temporary guys like Nick. Then a secret brings them closer, opening Steph's eyes to a future she never knew she wanted—until tragedy rips it away. Nick's self-assured surface shields a past no one needs to know about. His mind-blowing connection with Steph changes all that. As fast as he's knocking down the walls that have kept him commitment-free, she's building them up again, determined to keep the hurt—and Nick—out. But he can't walk away. Not when she's the only one who's ever made him wish for forever . . .

From the #1 New York Times bestselling author of Wait for You and Be with Me comes a daring tale that pushes boundaries . . . At 21, Calla hasn't done a lot of things. She's never been kissed, never seen the ocean, never gone to an amusement park. But growing up, she witnessed some things no child ever should. She still carries the physical and emotional scars of living with a strung-out mother, Mona—secrets she keeps from everyone, including her close circle of college friends. But the safe cocoon Calla has carefully built is shattered when she discovers her mom has stolen her college money and run up a huge credit card debt in her name. Now, Calla has to go back to the small town she thought shed left behind and clean up her mom's mess again. Of course, when she arrives at her mother's bar, Mona is nowhere to be found. Instead, six feet of hotness named Jackson James is pouring drinks and keeping the place humming. Sexy and intense, Jax is in Calla's business from the moment they meet, giving her a job and helping her search for Mona. And the way he looks at her makes it clear he wants to get horizontal . . . and maybe something more. Before Calla can let him get close, though, she's got to deal with the pain of the past—and some very bad guys out to mess her up if she doesn't give them her mom.

Walking Disaster HarperCollins

When a number of virile humans are abducted, Mia Snow, a member of an elite task force within the New Chicago PD assigned to stalk and kill otherworldly predators, suspects that the Arcadians, a powerful race of aliens with powerful psychic talents, are responsible and must use her own psychic abilities and fighting skills to stop the terror. A first novel. Reprint.

Trust in Me Librairie Droz

Quatre ans se sont écoulés depuis l'invasion extraterrestre. À l'âge de 17 ans, Evie Dasher n'en a

que peu de souvenirs. Lorsqu'elle décide de se rendre en cachette dans une boîte de nuit connue pour être l'un des rares lieux où il est encore possible de côtoyer les Luxens survivants, la soirée ne se déroule pas tout à fait comme prévu. Quand les choses tournent mal, elle fait la connaissance de Luc, un jeune homme beaucoup trop beau pour être humain. De plus en plus attirée par celui qu'elle prend pour un Luxen, Evie découvre un monde insoupçonné qui remet en question tout ce qu'elle pensait savoir. Un monde composé d'êtres aussi lumineux que ténébreux...

Shadows Jeu de patience Ne jamais ôter son bracelet, être ponctuelle, ne pas attirer l'attention : tels sont les trois préceptes qu'Avery s'est imposé pour son entrée à la fac. Une stratégie que le séduisant Cameron Hamilton pourrait bien déjouer à coups de regard pénétrant et de sourire enjôleur. Patient et obstiné, lorsque Cam a jeté son dévolu sur quelqu'un, il ne recule devant rien, excepté peut-être le passé d'Avery, qui semble s'acharner à ressurgir... Ensemble, seront-ils capables d'affronter le souvenir de cette terrible nuit qui, cinq ans auparavant et à des kilomètres de là, a tout changé ? Wait for You

It's Wait for You as you've never seen it. Trust in Me lets you in on Cam's side of the #1 New York Times bestselling story. Cameron Hamilton is used to getting what he wants, especially when it comes to women. But when Avery Morgansten comes crashing into his life—literally—he finally meets the one person who can resist his soulful baby blues. But Cam's not ready to give up. He can't get the feisty and intriguing girl out of his head. Avery has secrets, secrets that keep her from admitting the feelings Cam knows she has for him. Will persistence (and some delicious homemade cookies) help him break down her barriers and gain her trust? Or will he be shut out of Avery's life, losing his first real shot at the kind of love that lasts forever?

Book Three of the bestselling Lux series No one is like Daemon Black. When he set out to prove his feelings for me, he wasn't fooling around. Doubting him isn't something I'll do again, and now that we've made it through the rough patches, well... There's a lot of spontaneous combustion going on. But even he can't protect his family from the danger of trying to free those they love. After everything, I'm no longer the same Katy. I'm different... And I'm not sure what that will mean in the end. When each step we take in discovering the truth puts us in the path of the secret organization responsible for torturing and testing hybrids, the more I realize there is no end to what I'm capable of. The death of someone close still lingers, help comes from the most unlikely source, and friends will become the deadliest of enemies, but we won't turn back. Even if the outcome will shatter our worlds forever. Together we're stronger...and they know it. Tempting the Best Man (A Gamble Brothers Novel) by J. Lynn Madison Daniels has worshipped her brother's best friend since they were kids. Everyone thinks she and Chase Gamble would make the perfect couple, but there are two major flaws in their logic. 1) Chase has sworn off relationships of any kind, and 2) after blurring the line between friends and lovers for one night four years ago, they can't stop bickering. Forced together for her brother's wedding getaway, Chase and Madison decide to call a truce for the happy couple. Except all bets are off when they're forced to shack up in a tacky 70's honeymoon suite and survive a multitude of "accidents" as the family tries to prove their "spark" can be used than for more than fighting. That is, if they don't strangle each other first...

New York Times bestselling author Jennifer L. Armentrout delivers the unforgettable story of a woman whose new life has just begun—but may end in murder . . . Julia Hughes has always played it safe until she learned a very painful lesson. Now Julia's starting over with a job in the Louisiana bayou—and a scorching encounter with a stranger, only to discover he's Lucian de Vincent . . . her new employer. The de Vincent brothers share a massive fortune and a dark reputation. Julia cares for their troubled sister, but a menacing presence in the mansion—and the ever-present temptation of Lucian—prove dangerously distracting. Lucian's grandmother claimed de Vincent men fall in love once—and hard. Apparently, it's Lucian's turn. Julia's compassionate care of his twin makes Lucian want to lay himself bare. But some secrets are better for Julia not to know. The recent "suicide" of Lucian's father is the latest in a string of deaths on the estate. Someone is eliminating the de Vincents. And the best way to get to Lucian may be through Julia. . . .

Discover the New York Times bestselling Lux series, which RT Book Reviews called "A thrilling ride from start to finish," from the very beginning... Starting over sucks. When we moved to West Virginia right before my senior year, I'd pretty much resigned myself to thick accents, dodgy internet access, and a whole lot of boring...until I spotted my hot neighbor, with his looming height and eerie green eyes. Things were looking up. And then he opened his mouth. Daemon is infuriating. Arrogant. Stab-worthy. We do not get along. At all. But when a stranger attacks me and Daemon literally freezes time with a wave of his hand, well, something...unexpected happens. The hot alien living next door marks me. You heard me. Alien. Turns out Daemon and his sister have a galaxy of enemies wanting to steal their abilities, and Daemon's touch has me lit up like the Vegas Strip. The only way I'm getting out of this alive is by sticking close to Daemon until my alien mojo fades. If I don't kill him first, that is.
