 A story ten years in the making, here at last is the triumphant third book of the "Demonsouled" series. Mazael, now Lord of Castle Cravenlock, faces his darkest challenge yet. A horde of inhuman fiends has descended upon the Grim Marches, slaying and killing. The priests of the serpent god lurk in the shadows, scheming vengeance upon Mazael...and upon his family. But both the fiends and the priests of the serpent god serve another master, one who plots to seize the throne of the heavens itself, a foe that even Mazael's skill and valor may not be able to defeat...
Lady of Light and Shadows Macmillan
 "Sure, six weeks earlier Evie--bike messenger, supernatural tracker, and avid Red Sox fan--had been instrumental in bringing down the Fiana, the organization of magicians that had ruled Boston's undercurrent for hundreds of years. But now they were gone, Boston could breathe easy again, the Sox had a chance at the

pennant, and Evie was ready to relax. Except it turns out that when you take down the guy on top, everyone assumes you're going to fill his spot, and now Evie finds herself at the center of a whole lot of unwelcome magical attention. On top of that, a new client needs her to call up a family ghost and ask about a stolen inheritance; Evie's friend Nate has a supernatural problem of his own; and a legendary pack of hounds has been terrorizing Boston's undercurrent. And try as Evie might to deny the legacy that runs through her blood, when the Hunt is called, the Hound must run ..."--Page 4 of cover.

"[Jason Pargin] has updated the Lovecraft tradition and infused it with humor that rather than lessening the horror, increases it dramatically. Every time I set the book down down, I was wary that something really was afoot, that there were creatures

I couldn't see, and that because I suspected this, I was next. Engaging, comic, and terrifying." —Joe Garden, Features Editor, The Onion "[Pargin] is like a mash-up of Douglass Adams and Stephen King... 'page-turner' is an understatement." —Don Coscarelli, director, Phantasm I-V, Bubba Ho-tep "That rarest of things--a genuinely scary story." —David Wellington, author of Monster Island, Vampire Zero "JOHN DIES AT THE END has a cult following for a reason: it's horrific, thought-provoking, and hilarious all at once. This is one of the most entertaining and addictive novels I've ever read." —Jacob Kier, Publisher, Permuted Press STOP. You should not have touched this flyer with your bare hands. NO, don't put it down. It's too late. They're watching you. My name is David. My best friend is John. Those names are fake. You might want to change yours. You may not want to know about the things you'll read on these pages, about the sauce, about Korrok, about the invasion, and the future. But it's too late. You touched the book. You're in the game. You're under the eye. The only defense is knowledge. You need to read this book, to the end. Even the part with the bratwurst. Why? You just have to trust me. The important thing is this: The sauce is a drug, and it gives users a window into another dimension. John and I never had the chance to say no. You still do. I'm sorry to have involved you in this, I really am. But as you read about these terrible events and the very dark epoch the world is about to enter as a result, it is crucial you keep one thing in mind: None of this was my fault.
