The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. Paper P5 Advanced Performance Management is an optional paper at Professional level. It builds on the performance management techniques introduced in Paper F5. There is also a significant element of strategic thinking and thus P5 has links with paper P3 Business Analysis. The syllabus looks at external factors that affect the organisation's performance such as stakeholders. Internal factors are also considered including the design features of effective performance management information and monitoring systems. Ethics is introduced as a key ACCA topic. Finally, the syllabus considers the impact of current developments in management accounting and performance management on organisational performance. This examiner-reviewed Study Text covers all that you need to know for P5. It features plenty of recent case studies illustrating key syllabus areas and questions to hone your understanding of what you have just read. This paper tests your application of knowledge so these studies and questions are key learning tools. You will also find up-to-date information on the latest management theories and techniques which feature highly in this paper. Then there are plenty of exam tips to guide your study and help you focus on what is essential to know. Now it's up to you. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams.

Take the risk out of financial risk management Written by bestselling author and past winner of the GARP Award's Risk Manager of the Year, Aaron Brown, *Financial Risk Management For Dummies* offers thorough and accessible guidance on successfully managing and controlling financial risk within your company. Through easy-to-follow instruction, you'll find out how to manage risk, firstly by understanding it, and then by taking control of it. Plus, you'll discover how to measure and value financial risk, set limits, stop losses, control drawdowns and hedge bets. Financial risk management uses financial instruments to manage exposure to risk within firms, large and small—particularly credit risk and market risk. From managing and measuring risk to working in financial institutions and knowing how to communicate risk to your company and clients, *Financial Risk Management For Dummies* makes it easy to make sense of the management of risk when working in various different financial institutions and concludes by covering the topic of how to communicate risk — how to report it properly and how to deal with and comply with all of the regulations. Covers managing risk and working as a financial risk manager Provides everything you need to know about measuring financial risk Walks you through working in financial institutions Demonstrates how to communicate risk If you work in the financial sector and want to make financial risk management your mission, you've come to the right place!
