Corporate Law by Dr. O.P. Gupta is a publication of the SBPD Publishing House, Agra. Dr. O.P. Gupta holds a M.Com., LL.B., Ex-F.C.S. and PhD degree. He was a reader at the P.G.D.A.V. College (University of Delhi), New Delhi. The authors have tried to present the subject of Corporate Law in a simple and clear language. The difficult provisions of Corporate Law have been illustrated with the help of Indian and International cases decided by the law courts. For thematic unity, the subject has been discussed topic-wise but for ready reference, relevant sections have been quoted. Important questions asked in various examinations have been given at the end of each chapter. To make the book more useful Objective Type Questions with their answers have also been given at the end of each chapter. The book has been written primarily for the students preparing for B. Com. Examination and examinations conducted by other Professional Bodies as well.

The text and images in this book are in grayscale. A hardback color version is available. Search for ISBN 9781680922929. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable

real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

Bloomsbury's The Companies Act, 2013 and Rules Gurukul Books & Packaging

Mumbai is an ever-evolving city, bustling and brimming, never sleeping for a wink. But the past four decades brought upheavals of great magnitude that shaped the city as we know today. Marred by communal riots, gang wars and terrorism, the spirit of Mumbai has emerged indomitable every single time. Born and raised in the lanes of Bombay 3, this is the story of Jagan Kumar who dreams of being a television journalist and changing the world. But once he achieves this, he realises that television journalism has lost its path, now afflicted with sensationalism, corruption and bias. As a crime reporter, he comes across various unscrupulous means that law enforcement agencies adopt to combat organised crime syndicates. He is shocked to witness interdepartmental rivalry that often jeopardises public security. Disenchanted, in conflict with his conscience and confused about his calling, he is about to quit when something happens that changes the course of his life. Bombay 3 begins from the bylanes of old Bombay of the seventies and then takes you to Mosul in ISIS's Iraq of 2014 and finally to the streets of Bangkok where the underworld of Mumbai has spread its tentacles. A fast-paced thriller, it answers certain questions about life in Mumbai and raises a few new ones.

The Bankers Magazine SBPD Publishing House

Over the years Advanced Accountancy has emerged as the definitive and comprehensive textbook on accountancy as it completely meets the requirements of students preparing for BCom, MCom, MBA, BBA and professional examinations conducted by different institutions, such as the Institute of Chartered Accountants of India, the Indian Institute of Bankers, the Institute of Company Secretaries of India, and the Institute of Cost Accountants of India.

Bloomsbury Publishing

Fundamentals of Corporate Accounting has been designed as per the CBCS syllabus prescribed by University of Calcutta and other allied universities of West Bengal. The book is primarily intended for third year B.Com students but would also be useful for students of professional courses. The content has been presented in a systematic manner (theory-illustrations-practice problems) with elaborate explanation on core topics. The Companies Act, 2013, along with recent amendments and rules, and the latest Accounting Standards have also been explained in detail. Abundant Solved Examples, illustrations with detailed working notes, previous years' questions and solutions, and practice questions will greatly benefit the students and help them master the subject.

Financial Accounting for BBA, 2nd Edition Vikas Publishing House

Business Legislation for Management is meant for students of business management, who need to be familiar with business laws and company law in their future role as managers. The book explains these laws in a simple and succinct manner, making the students sufficiently aware of the scope of these laws so that they are able to operate their businesses within their legal confines. The book approaches the subject in a logical way, so that even a student with no legal background is able to understand it.
