Questions Men Ask about
Women* Vintage

For any woman who has experienced illness, chronic pain, or endometriosis comes an inspiring memoir advocating for recognition of women's health issues. In the fall of 2010, Abby Norman's strong dancer's body dropped forty pounds and gray hairs began to sprout from her temples. She was repeatedly hospitalized in excruciating pain, but the doctors insisted it was a urinary tract infection and sent her home with antibiotics. Unable to get out of bed, much less attend class, Norman dropped out of college and embarked on what would become a years-long journey to discover what was wrong with her. It wasn't until she took matters into her own hands--securing a job in a hospital and educating herself over lunchtime

reading in the medical library--that she found an accurate diagnosis of endometriosis. In *Ask Me About My Uterus*, Norman describes what it was like to have her pain dismissed, to be told it was all in her head, only to be taken seriously when she was accompanied by a boyfriend who confirmed that her sexual performance was, indeed, compromised. Putting her own trials into a broader historical, sociocultural, and political context, Norman shows that women's bodies have long been the battleground of a never-ending war for power, control, medical knowledge, and truth. It's time to refute the belief that being a woman is a preexisting condition. *Ask Me About My Uterus* John Wiley & Sons
In the 1960s, increasing numbers of African American students entered predominantly White colleges and universities in the northern and western United States. *Too Much to Ask* focuses on the women of this pioneering generation, examining

their educational strategies and experiences and exploring how social class, family upbringing, and expectations--their own and others'--prepared them to achieve in an often hostile setting. Drawing on extensive questionnaires and in-depth interviews with Black women graduates, sociologist Elizabeth Higginbotham sketches the patterns that connected and divided the women who integrated American higher education before the era of affirmative action. Although they shared educational goals, for example, family resources to help achieve those goals varied widely according to their social class. Across class lines, however, both the middle- and working-class women Higginbotham studied noted the importance of personal initiative and perseverance in helping them to combat the institutionalized racism of elite institutions and to succeed. Highlighting the actions Black women took to secure their own futures as well as the

challenges they faced in achieving their goals, *Too Much to Ask* provides a new perspective for understanding the complexity of racial interactions in the post-civil rights era.

Brave Ask for it
How Women Can Use the Power of Negotiation to Get what They Really Want

A new voice in comics is incisive, funny, and fiercely feminist. "The mental load. It's incessant, gnawing, exhausting, and disproportionately falls to women. You know the scene--you're making dinner, calling the plumber/doctor/mechanic, checking homework and answering work emails--at the same time. All the while, you are being peppered with questions by your nearest and dearest 'where are my shoes?', 'do we have any cheese?...' " --Australian Broadcasting Corp on Emma's comic
In her first book of comic strips, Emma reflects on social and feminist issues by means of simple line drawings, dissecting the mental load, ie all that invisible and unpaid organizing, list-making and planning women do to manage their lives, and the lives of their family

members. Most of us carry some form of mental load--about our work, household responsibilities, financial obligations and personal life; but what makes up that burden and how it's distributed within households and understood in offices is not always equal or fair. In her strips Emma deals with themes ranging from maternity leave (it is not a vacation!), domestic violence, the clitoris, the violence of the medical world on women during childbirth, and other feminist issues, and she does so in a straightforward way that is both hilarious and deadly serious.. If you're not laughing, you're probably crying in recognition. Emma's comics also address the everyday outrages and absurdities of immigrant rights, income equality, and police violence. Emma has over 300,000 followers on Facebook, her comics have been shared 215,000 times, and have elicited comments from 21,000 internet users. An article about her in the French magazine *L'Express* drew 1.8 million views--a record since the site was created. And her comic has just been picked up

by *The Guardian*. Many women will recognize themselves in *THE MENTAL LOAD*, which is sure to stir a wide ranging, important debate on what it really means to be a woman today.

Profile Books
In this collection of lively essays, Cynthia Enloe makes better sense of globalization and international politics by taking a deep and personal look into the daily realities in a range of women's lives. She proposes a distinctively feminist curiosity that begins with taking women seriously, especially during this era of unprecedented American influence. This means listening carefully, digging deep, challenging assumptions, and welcoming surprises. Listening to women in Asian sneaker factories, Enloe reveals, enables us to bring down to earth the often abstract discussions of the global economy. Paying close attention to Iraqi women's organizing efforts under military occupation exposes the false global promises made by officials. Enloe

also turns the beam of her inquiry inward. In a series of four candid interviews and a new set of autobiographical pieces, she reflects on the gradual development of her own feminist curiosity. Describing her wartime suburban girlhood and her years at Berkeley, she maps the everyday obstacles placed on the path to feminist consciousness—and suggests how those obstacles can be identified and overcome. *The Curious Feminist* shows how taking women seriously also challenges the common assumption that masculinities are trivial factors in today's international affairs. Enloe explores the workings of masculinity inside organizations as diverse as the American military, a Serbian militia, the UN, and Oxfam. A feminist curiosity finds all women worth thinking about, Enloe claims. She suggests that we pay thoughtful attention to women who appear complicit in violence or in the oppression of others, or too cozily wrapped up in their relative privilege to inspire praise or compassion. Enloe's vitality, passion, and incisive wit illuminate each essay. *The Curious*

Feminist is an original and timely invitation to look at global politics in an entirely different way.

Loud Black Girls: 20 Black Women Writers Ask: What's Next?

Ballantine Books
 Brave: Honest Questions Women Ask Leader Kit by Angela Thomas is based on her trade book "Do You Know Who I Am? and other Brave Questions Women Ask." This Bible study for women looks at the heart of what women are thinking and feeling. Angela speaks to participants about deep feelings that all women have at one time or another. She looks boldly at some of the fears and struggles of being a woman, and she helps us see how we can be brave in the face of those challenges. It takes a brave woman to ask these questions and dig into these topics alongside other believers. We've all got insecurities, flaws, and struggles that we're afraid to address. But if we can be brave enough to raise the questions, God will answer us. You've got questions. God's got answers. Be brave. Ask. Why can't I get it together? Am I as invisible as I feel? What am I so afraid of? Unlike many current Bible studies in

the marketplace, in this study, each week does not necessarily build on the next. Therefore, the leader may choose the topic that most relates to the group at that particular time. This approach lends itself to a great fill-in Bible study in women's Sunday school, connect groups, and small group gatherings. (7 sessions) DVD Sessions: Session 1: Introduction. (12:15) Session 2: I am worn out. (36:27) Session 3: I am suffering with a thorn. (26:53) Session 4: I am undisciplined. (34:52) Session 5: I am trembling inside. (38:40) Session 6: I am invisible. (26:55) Session 7: I am broken. (36:44) Features: Small Group member book with leader helps. 6 weeks of study, 5 days a week 2 DVD's with 7 Group Sessions"

Intimate Issues Univ of California Press
 Intimate Issues answers the twenty-one questions about sex most frequently asked by Christian wives, as determined by a nationwide poll of over one thousand women. Written from the perspective of two mature Christian wives and Bible teachers—women who you'll come to know as teachers and friends—Intimate Issues is

biblical and informative: sometimes humorous, other times practical, but always honest. Through its solid teaching warm testimonials, scriptural insights, and experts' advise, you'll find resolution for your questions and fears, surprising insights about God's perspective on sex, and a variety of practical and creative ideas for enhancing your physical relationship with the husband you love. With warmth and wisdom, authors Linda Dillow and Lorraine Pintus speak woman to woman: examining the teachings of Scripture, exposing the lies of the world, and offering real hope that every woman's marriage relationship can become all it was intended to be in God's design.

Women Don't Ask JHU Press

From the bestselling author of *The Ragged Edge of Night* comes a powerful and poetic novel of survival and sacrifice on the American frontier. Wyoming, 1876. For as long as they have lived on the frontier, the Bemis and Webber families have relied on each other. With no other settlers for miles, it is a matter of survival. But when Ernest Bemis finds his wife, Cora, in a

compromising situation with their neighbor, he doesn't think of survival. In one impulsive moment, a man is dead, Ernest is off to prison, and the women left behind are divided by rage and remorse. Losing her husband to Cora's indiscretion is another hardship for stoic Nettie Mae. But as a brutal Wyoming winter bears down, Cora and Nettie Mae have no choice but to come together as one family--to share the duties of working the land and raising their children. There's Nettie Mae's son, Clyde--no longer a boy, but not yet a man--who must navigate the road to adulthood without a father to guide him, and Cora's daughter, Beulah, who is as wild and untamable as her prairie home. Bound by the uncommon threads in their lives and the challenges that lie ahead, Cora and Nettie Mae begin to forge an unexpected sisterhood. But when a love blossoms between Clyde and Beulah, bonds are once again tested, and these two resilient women must finally decide whether they can learn to trust each other--or else risk losing everything they hold dear.

Twenty-One Questions Christian Women Ask About Sex Simon and Schuster

"You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, *The Subtle Art of Not Giving A F*ck*, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" Sydney Morning Herald

"There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" Huffington Post

Why Women Don't Ask Da Capo Lifelong Books

Popular leadership blogger gives the low-down on standing up for yourself In *Pushback*, top leadership consultant Selena Rezvani argues that self-advocacy is critical to success. Yet women initiate negotiations four times less often than men, resulting in getting less of what they want—promotion opportunities, plum assignments, and higher pay. This book shines a light on the real rules of holding your own and pushing back for what is rightfully yours. Drawing on interviews with high-level leaders, Rezvani offers readers in the first half of their career the unedited truth about how women have asked their way to the top and triumphed—and how you can too. Includes interviews with top business leaders such as Marie Chandoha, CEO of Charles Schwab Investment Management; Cindi Bigelow, President of Bigelow Tea Company;

Fizzah Jafri, COO at Morgan Stanley; Rosemary Turner, President at UPS; and Irene Chang Britt, Chief Strategy Officer at Campbell's Soup Offers a reliable and methodic approach to negotiating and navigating tough conversations Highlights compelling facts and research from the world of psychology and leadership Insightful and accessible, *Pushback* is a timely resource for savvy women who want to leverage their skills, promote themselves effectively, and fast track their careers.

101 Answers to Questions Women Are Too Embarrassed to Ask about Pregnancy, Childbirth, and Motherhood NYU Press

Given Guatemala's record of human rights abuses, its legal system has often been portrayed as illegitimate and anemic. *I Ask for Justice* challenges that perception by demonstrating that even though the legal system was not always just, rural Guatemalans considered it a legitimate arbiter of their grievances and an important tool for advancing their agendas. As both a mirror and an instrument of the state, the judicial system

simultaneously illuminates the limits of state rule and the state's ability to co-opt Guatemalans by hearing their voices in court. Against the backdrop of two of Latin America's most oppressive regimes—the dictatorships of Manuel Estrada Cabrera (1898–1920) and General Jorge Ubico (1931–1944)—David Carey Jr. explores the ways in which indigenous people, women, and the poor used Guatemala's legal system to manipulate the boundaries between legality and criminality. Using court records that are surprisingly rich in Maya women's voices, he analyzes how bootleggers, cross-dressers, and other litigants crafted their narratives to defend their human rights. Revealing how nuances of power, gender, ethnicity, class, and morality were constructed and contested, this history of crime and criminality demonstrates how Maya men and women attempted to improve their socioeconomic positions and to press for their rights with strategies that ranged from the pursuit of illicit activities

to the deployment of the legal system.
What You Need to Lead But Won't Learn in Business School Hillcrest Publishing Group
 There is no time like your twenties. The freedom -- and the anxiety. The adventures and the disappointments. The world is at your fingertips... and now what do you do? One twentysomething had a feeling that other successful women could hold some answers. So she set to work, interviewing women from all walks of life, gleaning wisdom from their generation for ours. What she found in her mission were some great perspectives and answers the questions burning in so many young women -- what does it mean to really love yourself? How do I become a success? What does it mean to truly "get it?" With advice like setting goals, taking action, embracing conflict, and loving yourself and those around you, these women blaze a bold trail for future generations of our gender. They have truly discovered who they are, not who they hope to be. Sometimes surprising, sometimes funny, and always empowering, women share their stories

with us, answering the questions that we would never know unless we ask.
How I Learned to Stop Worrying and Let People Help Galley Beggar Press
 Did you know that by failing to negotiate her starting salary for her first job, a woman may sacrifice over a half a million pounds in earnings by the end of her career? Yet, as research reveals, men are four times as likely to ask for higher pay than are women with the same qualifications. In this eye-opening book, Linda Babcock and Sara Laschever draw on research in psychology, sociology, economics and organisational behaviour as well as dozens of interviews to explore the personal and societal reasons why women seldom ask for what they need, want and deserve at work and at home. *Why Women Don't Ask* - a sensation when published in the US in 2003 - is a call to arms that will help you recognise the ways in which our culture perpetuates inequalities - and how you can begin to overcome them.
Black Women in the Era of Integration GENERAL PRESS
 Provides men with

Four Patterns Working Women Need to Know Lifeway Church Resources
 The authors of *Women's Don't Ask* present an innovative approach to negotiation that explains how women can identify important goals, takes them step by step through the entire planning and preparation process, and offers strategic advice on the negotiation stage, with tips on managing emotions, confidence building, and an effective collaborative style. Reprint. 20,000 first printing.
One for the Blackbird, One for the Crow Seven Stories Press
A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let

me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem. *Things Are Against Us* Simon and Schuster The groundbreaking classic that explores how women can and should negotiate for parity in their workplaces, homes, and beyond When Linda Babcock wanted to know why male graduate students were teaching their own courses while female students were always assigned as assistants, her dean said: "More men ask. The women just don't ask." Drawing on psychology, sociology, economics, and organizational behavior as

well as dozens of interviews with men and women in different fields and at all stages in their careers, *Women Don't Ask* explores how our institutions, child-rearing practices, and implicit assumptions discourage women from asking for the opportunities and resources that they have earned and deserve—perpetuating inequalities that are fundamentally unfair and economically unsound. *Women Don't Ask* tells women how to ask, and why they should. *Iceland's Extraordinary Women and How They Are Changing the World* Seal Press It's time to get past the idea that divorce equals failure. Sure, it may not be what you had in mind when you walked down the aisle, but if it's the escape hatch into a better life, it should be filled with more promise. It can be celebrated. *Ask Me About My Divorce* is a spicy, fun, riveting collection of essays by women from all walks of life. With the unifying thread "I got divorced, and the world came into view," the words within will make readers laugh, cry, nod their heads, and feel inspired to do what they need to for themselves.

These aren't stories from women tiptoeing around a difficult subject -- they're about the ways divorce can be, in fact, a new lease on life. *Hood Feminism* Pan Australia From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work •

your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party

Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole*

Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Just Ask a Woman W. W. Norton & Company

Part two of the literary sci-fi thriller follows a boy and a girl who are caught in a warring town where thoughts can be heard – and secrets are never safe. Reaching the end of their flight in *The Knife* of Never Letting Go, Todd and Viola did not find healing and hope in Haven. They found instead their worst enemy, Mayor Prentiss, waiting to welcome them to New Prentisstown. There they are forced into separate lives: Todd to prison, and Viola to a house of healing where her wounds are treated. Soon Viola is swept into the ruthless activities of the Answer, while Todd faces impossible choices when forced to join the mayor's oppressive new regime. In alternating narratives the two struggle to reconcile their own dubious actions with their deepest beliefs. Torn by confusion and compromise, suspicion and betrayal, can their

trust in each other possibly survive?

[Searching for Women in a New Age of Empire](#) New World Library

Four young Black sisters come of age during the American Civil War in *So Many Beginnings*, a warm and powerful YA remix of the classic novel *Little Women*, by national bestselling author Bethany C. Morrow. North Carolina, 1863. As the American Civil War rages on, the Freedpeople's Colony of Roanoke Island is blossoming, a haven for the recently emancipated. Black people have begun building a community of their own, a refuge from the shadow of the "old life." It is where the March family has finally been able to safely put down roots with four young daughters: Meg, a teacher who longs to find love and start a family of her own. Jo, a writer whose words are too powerful to be contained. Beth, a talented seamstress searching for a higher purpose. Amy, a dancer eager to explore life outside her family's home. As the four March sisters come into their own as independent young women, they will face first love, health struggles, heartbreak, and new horizons. But they will

face it all together. Praise for *So Many Beginnings: A Little Women Remix* "Morrow's ability to take the lingering stain of slavery on American history and use it as a catalyst for unbreakable love and resilience is flawless. That she has remixed a canonical text to do so only further illuminates the need to critically question who

holds the pen in telling our nation's story." —Booklist, starred review "Bethany C. Morrow's prose is a sharpened blade in a practiced hand, cutting to the core of our nation's history. ... A devastatingly precise reimagining and a joyful celebration of sisterhood. A narrative about four young women who

unreservedly deserve the world, and a balm for wounds to Black lives and liberty." —Tracy Deonn, New York Times-bestselling author of *Legendborn* "A tender and beautiful retelling that will make you fall in love with the foursome all over again." —Tiffany D. Jackson, New York Times-bestselling author of *White Smoke* and *Grown*
