 Neil Young is one of rock and roll's most important, influential and enigmatic figures, an intensely reticent artist who has granted no writer access to his inner sanctum -- until now. In Shakey, Jimmy McDonough tells the whole story of Young's incredible life and career: from his childhood in Canada to the founding of folk-rock pioneers Buffalo Springfield; to the bleary conglomeration of Crazy Horse and simultaneous monstrous success of Crosby, Stills, Nash & Young; to the depths of the Tonight's the Night depravity and the strange changes of the Geffen years; and Young's unprecedented nineties "comeback" with Ragged Glory and Harvest Moon. No detail is spared -- not the sex, drugs, relationships, breakups, births, deaths, nor the variety of chameleon-like transformations that have enabled Young to remain one of the most revered musical forces of our time. Shakey (the title refers to one of Young's many aliases) is not only a detailed chronicle of the rock era told through the life of one uncompromising artist, but the compelling human story of a lonely kid for whom music was the only outlet; a driven yet tortured figure who learned to control his epilepsy via "mind over matter"; an oddly passionate model train mogul who -- inspired by his own son's struggle with cerebral palsy -- became a major activist in the quest to help those with the condition. Based on interviews with hundreds of Young's associates (many speaking freely for the first time), as well as extensive exclusive interviews with Young himself, Shakey is a story told through the interwoven voices of McDonough -- biographer, critic, historian, obsessive fan -- and the ever-cantankerous (but slyly funny) Young himself, who puts his biographer through some unforgettable paces while answering the question: Is it better to burn out than to fade away?

The Song Remains the Same Wise Publications

How much do you remember about the music of the Big '80s? Don't Dream It's Over: The '80s Music Party Game tests your knowledge of the songs, albums, lyrics, and lifestyles of hundreds of your favorite New Wave bands, New Jack swingers, and Old School rappers. The 1000+ questions cover everything from ABC to ZZ Top, hair metal to eyeliner goth, and high top fade hip hop to spiky-haired techno pop. With nine different ways to play and questions ranked according to difficulty, everybody can join in the fun. So slip on your rubber bracelets, call all your friends, turn your home into a Culture Club, and get ready for a neon-colored synthesizer-soaked flashback that will take your breath away.

Prince's Sign 'O' the Times St. Martin's Press

The Little Black Songbook returns without any songs! Instead, this collection provides over 1100 Guitar chords, each is presented in an easy-to-read format, including fingerings, note names and helpful tips for all guitarists. There is also a useful guide to some of the most common alternative

tunings, advice on power chords and more. Whether you're a beginner looking for a handy reference for those chords you need, or a more experienced player looking to branch out into more esoteric sounds and gain some songwriting prompts, this little book is the perfect companion.

"Fans of live music will get a kick out of" this Texas Country Music Hall of Famer's "fond but brutally honest memories, playing gigs with Willie Nelson" (Publishers Weekly). When it comes to Texas honky-tonk, nobody knows the music or the scene better than Johnny Bush. Author of Willie Nelson's classic concert anthem "Whiskey River," and singer of hits such as "You Gave Me a Mountain" and "I'll Be There," Johnny Bush is a legend in country music, a singer-songwriter who has lived the cheatin', hurtin', hard-drinkin' life and recorded some of the most heart-wrenching songs about it. He has one of the purest honky-tonk voices ever to come out of Texas. And Bush's career has been just as dramatic as his songs—on the verge of achieving superstardom in the early 1970s, he was sidelined by a rare vocal disorder. But survivor that he is, Bush is once again filling dance halls across Texas and inspiring a new generation of musicians. In Whiskey River (Take My Mind), Johnny Bush tells the twin stories of his life and of Texas honky-tonk music. He recalls growing up poor and learning his chops in honky-tonks around Houston and San Antonio. Bush vividly describes life on the road in the 1960s as a band member for Ray Price and Willie Nelson. Woven throughout Bush's autobiography is the never-before-told story of Texas honky-tonk music, from Bob Wills and Floyd Tillman to Junior Brown and Pat Green. For everyone who loves genuine country music, Johnny Bush, Willie Nelson, and stories of triumph against all odds, Whiskey River (Take My Mind) is a must-read.

Always Looking Up Daniel Wheway

When video killed the radio star, Sharon Oreck was calling the shots. Video Slut takes an irreverent look behind the scenes of the music-video industry during its eighties heyday. Oreck, one of the top producers of all time, bluffed her way into the business with no experience whatsoever and went on to produce more than six hundred video shoots with Madonna, Sting, Mick Jagger, Prince, and several members of the increasingly unstable Jackson family—not to mention a cadre of delinquent caterers, deranged interns, self-absorbed record executives, and malfasant animal trainers. Oreck also shares the at turns hilarious, biting, and poignant story of her origins as a single teen mother, disowned by her middle-class parents, and of her journey from welfare to kung fu movie sets to film school. She approaches her own delinquency and that of the superstars she encountered with humor and candor. The result is an acerbic but sympathetic account of the outrageous effects of fame, power, and money on people in the entertainment business. No one is spared, especially herself.

The Rock-'n'-Roll Guide to Grammar and Style Cambridge Scholars Publishing

Alisa Valdés-Rodríguez's vibrant, can't-put-it-down novel of six friends--each one an unforgettable Latina woman in her late '20s--and the complications and triumphs in their lives Inseparable since their days at Boston University almost ten years before, six friends form the Dirty Girls Social Club, a mutual support and (mostly) admiration society that no matter what happens to each of them (and a lot does), meets regularly to dish, dine and compare notes on the bumpy course of life and love. Las sucias are: --Lauren, the resident "caliente" columnist for the local paper, which advertises her work with the line "her casa is su casa, Boston," but whose own home life has recently involved hiding in her boyfriend's closet to catch him in the act --Sara, the perfect wife and mother who always knew exactly the life she wanted and got it, right down to the McMansion in the suburbs and two boisterous boys, but who is paying a hefty price --Amber, the most idealistic and artistic member of the club, who was raised a valley girl without a word of Spanish and whose increasing attachment to her Mexica roots coincides with a major record label's interest in her rock 'n' roll --Elizabeth, the stunning black Latina whose high profile job as a morning television anchor conflicts with her intensely private personal life, which would explain why the dates the other dirty girls set her up on never work out --Rebecca, intense and highly controlled, who flawlessly runs Ella, the magazine she

created for Latinas, but who can't explain why she didn't understand the man she married and now doesn't even share a room with; and --Usnavy, irrepressible and larger than life, whose agenda to land the kind of man who can keep her in Manolo Blahniks and platanos almost prevents her seeing true love when it lands in her lap. There's a lot of catching up to do.

Don't Dream It's Over Bloomsbury Publishing USA

Cher started her career as a backing vocalist for Phil Spector's iconic Wall of Sound, before shooting to superstardom herself with the sixties anthem I Got You Babe. Cher mastered folk-rock, achieved three US #1's during the singer-songwriter era of the 1970's, whilst having a glittering television career. She made her mark on disco, Broadway and the 1980's hair metal scene and earned the highest acting honor available. Cher absolutely conquered the 1990's dance scene whilst in her 50's, and was given the Goddess Of Pop title in her 60's. Along the way, Cher has knocked The Beatles off #1, had five US Hot 100 hits simultaneously, appeared on the Live Aid stage, had US#1 movies with Meryl Streep and Jack Nicholson, attended Madonna's wedding in a purple wig, called David Letterman an "asshole", inaugurated Disneyland, had the highest-grossing female tour of all-time, had hits in six decades and held Lady Gaga's meat purse. She's done it all. She's Cher - The Goddess of Pop... 2017, and more so 2018, have been active and exciting years for Cher — and her fans. With the success of Classic Cher and Edith+Eddie, and the announcements of Mamma Mia! Here We Go Again, the Here We Go Again Tour and The Cher Show, plus Cher receiving the Billboard Icon Award, it paved the way for updated versions of The Cher Bible, Vol. 1: Essentials and The Cher Bible, Vol. 2: Timeline.

The Wonder Stuff Diaries 86 - 89 Simon and Schuster

The ultimate guide to one of the most revered periods and movements in American rock history. The 1980s are one of the most ridiculed and parodied epochs in popular music—what with all the skinny lapels, synthesizers, spandex, and Aqua Net. However, music fans in the know recognize that beneath the glossy veneer broiled a revolutionary movement of self-directed, anti-corporate, punk-influenced bands that created a nationwide network from the ground up, thanks to independently recorded releases, photocopied fanzines, and self-financed tours. In Gimme Indie Rock, music journalist Andrew Earles describes 500 essential indie-rock albums released by 308 bands and artists from coast to coast in markets large and small. From giants of the movement (Black Flag, the Minutemen, Mission of Burma, Fugazi, Superchunk, Melvins, Dead Kennedys, Minor Threat, Hüsker Dü, the Replacements, Sonic Youth, Mudhoney, Dinosaur Jr., Big Black, the Pixies), to more obscure bands which nonetheless made their own impacts (Jesus Lizard, Cows, Low, Mercury Rev, Polvo, Squirrel Bait, Karp, Bongwater, Naked Raygun, Sun City Girls, and many others) and scores of artists who still await their proper due (Fly Ashtray, Dumptruck, Truly, Man-Sized Action, Steel Pole Bath tub, godheadSilo, Sorry, Team Dresch, Further, Grifters, World of Pooh, Trumans Water, Malignus Youth, Eggs, and many more), Earles provides an exhaustive album guide to the era. Earles also features those bands that cut their teeth on the indie circuit but graduated to a greater degree of mainstream recognition in the late 1980s and early 1990s (acts like R.E.M., Soul Asylum, Urge Overkill, Hole, Smashing Pumpkins, and Nirvana), making Gimme Indie Rock is the definitive manual for the best of American indie music made between 1981 and 1996.

The Boy in the Song Vintage Canada

Songbird is the hit compilation of great female voices. This matching songbook presents all the songs from this album, arranged with Guitar chord boxes and full lyrics from original recordings. Whether you're a performer or just looking to quickly bolster your repertoire with these great female-led songs, this is the perfect songbook for you. Songlist: - (Looking For) The Heart Of Saturday Night [Shawn Colvin] - (There Is) No Greater Love [Amy Winehouse] - 4th Of July [Aimee Mann] - A Place Called Home [Kim Richey] - Angel [Sarah McLachlan] - Angel Rays [Sissel] - At Seventeen [Jodie Brooke Wilson] - Be Still My Heart [Silje Nergaard] - Beguiling Eyes [Gwyneth Herbert] - Bend [Shelby Lynne] - Chuck E's In Love [Rickie Lee Jones] - Come Away With Me [Melissa Elliott] - Don't Bring Me Down Sia] - Eternity [Lizz Wright] - Evangeline [Liz Fraser] - How Do I Live [Leann Rimes] - I Try [Macy Gray] - If I Fall [Alice Martineau] - Love And Affection [Joan Armatrading] - Luka [Suzanne Vega] - My Songbird [Lenou] - Narrow Daylight [Diana Krall] - Night Ride Home [Joni Mitchell] - Now We Are Free [Lisa Gerrard] - Once In A Very Blue Moon [Nanci Griffith] - Prayer [Karen Matheson] - Pretty Good Year [Tori Amos] - San Andreas Fault [Natalie Merchant] - Songbird [Eva Cassidy] - The Ballad Of Lucy Jordan [Marianne Faithful] - The Closest Thing To Crazy [Katie Melua] - The Edge Of The Moon [Roisin O'Reilly] - The First Cut Is The Deepest [Sheryl Crow] - The First Time Ever I Saw You Face [Alison Moyet] - The Night They Drove Old Dixie Down [Joan Baez] - This Shirt [Mary Chapin Carpenter] - Tomorrow Morning [Gretchen Peters] - Walk On By [Gabrielle] - Who Painted The Moon Black? [Hayley Westenra] - Wonder Child [Mary Black]

Aftermath G.P. Putnam's Sons Books for Young Readers

In an age when the pressures of the modern family are often complicated with the pressures of the modern world, many women are struggling to strike a balance between a wide variety of issues. From their own careers to their kids' schooling to matters of faith and health, women are juggling many roles that do not always go hand in hand. In Love Your Life, Victoria Osteen speaks directly to women and gives them a pathway to understanding the great responsibility, and how to learn to embrace its beautiful choices. She believes that you must teach yourself the principles of self-love in order to be able to pass them on. Osteen speaks nearly every week about the role of women to the large congregation that makes up the Lakewood Church in Texas. The book will be a powerful tool for all women to help them to better savour their lives and enjoy their family, their friends and themselves.

Shakey SAGE Publications

"Folklore, history, literature, and technology combine with structuralism and functionalism, repertoire studies, and themes of cultural change to reflect the multidisciplinary nature of the field today."--Jacket.

Investigating Social Problems Bloomsbury Publishing USA

An illuminating history of the song for every kind of music lover Often today, the word 'song' is used to describe all music. A free-jazz improvisation, a Hindustani raga, a movement from a Beethoven symphony: apparently, they're all songs. But they're not. From Sia to Springsteen, Archie Roach to Amy Winehouse, a song is a specific musical form. It's not so much that they all have verses and choruses - though most of them do - but that they are all relatively short and self-contained; they have beginnings, middles and ends; they often have a single point of view, message or story; and, crucially, they unite words and music. Thus, a Schubert song has more in common with a track by Joni Mitchell or Rihanna than with one of Schubert's own symphonies. The Song Remains the Same traces these connections through seventy-five songs from different cultures and times: love songs, anthems, protest songs, lullabies, folk songs, jazz standards, lieder and pop hits; 'When You Wish Upon a Star' to 'We Will Rock You', 'Jerusalem' to 'Jolene'. Unpicking their inner workings makes familiar songs strange again, explaining and restoring the wonder, joy (or possibly loathing) the reader experienced on first hearing. 'As much about singing, musicianship and recording as it is about songwriting, this eclectic ride through a unique choice of songs (everyone will argue for alternatives) is cleverly curated and littered with intriguing details about the creators and their times, filled with loving cross-references to other songs and deft musical analysis. I defy anyone not to leap online to listen to the unfamiliar, or re-listen to old favourites in light of new detail. One of

the best games in this book is figuring out why one song follows the other: there's always an intelligent, often very funny, link.' —Robyn Archer

If Not Now, When? Farrar, Straus and Giroux

In celebration of the 45th anniversary of The Dark Side of the Moon, Bill Kopp explores the ingenuity with which Pink Floyd rebranded itself following the 1968 departure of Syd Barrett. Not only did the band survive Barrett's departure, but it went on to release landmark albums that continue to influence generations of musicians and fans. Reinventing Pink Floyd follows the path taken by the remaining band members to establish a musical identity, develop a songwriting style, and create a new template for the manner in which albums are made and even enjoyed by listeners. As veteran music journalist Bill Kopp illustrates, that path was filled with failed experiments, creative blind alleys, one-off musical excursions, abortive collaborations, general restlessness, and—most importantly—a dedicated search for a distinctive musical personality. This exciting guide to the works of 1968 through 1973 highlights key innovations and musical breakthroughs of lasting influence. Kopp places Pink Floyd in its historical, cultural, and musical contexts while celebrating the test of fire that took the band from the brink of demise to enduring superstardom.

Songbird Chord Songbook Penguin UK

When Luca first arrives at the dog park, the other dogs turn him away. "You're not a dog," they say, "You're a fox." But . . . Luca likes to chase cats. He likes to yip at mailmen. And he likes sniff other dogs you-know-where. Still, Luca has to admit, he doesn't look like the other dogs. So . . . he must be a fox, right? But when Luca finds a trio of foxes in the forest and asks to join them, they don't think that Luca is a fox at all. After all, Luca acts just like a dog. Luca can't seem to find anyone quite like him, but then he meets a caring little girl and finds something even better—a friend. In this heartwarming tale, Karina Wolf and Chuck Groenick remind us that you don't need a label to find just where you belong.

The Album Bella Books

The author is a proud sponsor of the 2020 SAGE Keith Roberts Teaching Innovations Award—enabling graduate students and early career faculty to attend the annual ASA pre-conference teaching and learning workshop. "Given the complexity of the issues, the study of social problems requires, indeed demands, specialized focus by experts." -A. Javier Treviño A. Javier Treviño, working with a panel of experts, thoroughly examines all aspects of social problems, providing a contemporary and authoritative introduction to the field. Each chapter is written by a specialist on that particular topic and the unique, contributed format ensures that the research and examples provided are the most current and relevant available. The text is framed around three major themes: intersectionality (the interplay of race, ethnicity, class, and gender), the global scope of many problems, and how researchers take an evidence-based approach to studying problems. The Dirty Girls Social Club Crown Books for Young Readers

Michael J. Fox shares his personal outlook on maintaining the positive attitude that has lifted him through the difficult times. Fox shows us how to live a more appreciative and fulfilling life by recognizing the things we already have.

Reading Octavia E. Butler: 'Xenogenesis' / 'Lilith's Brood' Scarecrow Press

The long-awaited memoir from John Fogerty, the legendary singer-songwriter and creative force behind Creedence Clearwater Revival. Creedence Clearwater Revival is one of the most important and beloved bands in the history of rock, and John Fogerty wrote, sang, and produced their instantly recognizable classics: "Proud Mary," "Bad Moon Rising," "Born on the Bayou," and more. Now he reveals how he brought CCR to number one in the world, eclipsing even the Beatles in 1969. By the next year, though, Creedence was falling apart; their amazing, enduring success exploded and faded in just a few short years. Fortunate Son takes readers from Fogerty's Northern California roots, through Creedence's success and the retreat from music and public life, to his hard-won revival as a solo artist who finally found love.

I-DJ Greenleaf Book Group

From John Philip Sousa to Green Day, from Scott Joplin to Kanye West, from Stephen Foster to Coldplay, The Encyclopedia of Great Popular Song Recordings, Volumes 1 and 2 covers the vast scope of its subject with virtually unprecedented breadth and depth. Approximately 1,000 key song recordings from 1889 to the present are explored in full, unveiling the stories behind the songs, the recordings, the performers, and the songwriters. Beginning the journey in the era of Victorian parlor balladry, brass bands, and ragtime with the advent of the record industry, readers witness the birth of the blues and the dawn of jazz in the 1910s and the emergence of country music on record and the shift from acoustic to electrical recording in the 1920s. The odyssey continues through the Swing Era of the 1930s; rhythm & blues, bluegrass, and bebop in the 1940s; the rock & roll revolution of the 1950s; modern soul, the British invasion, and the folk-rock movement of the 1960s; and finally into the modern era through the musical streams of disco, punk, grunge, hip-hop, and contemporary dance-pop. Sullivan, however, also takes critical detours by extending the coverage to genres neglected in pop music histories, from ethnic and world music, the gospel recording of both black and white artists, and lesser-known traditional folk tunes that reach back hundreds of years. This book is ideal for anyone who truly loves popular music in all of its glorious variety, and anyone wishing to learn more about the roots of virtually all the music we hear today. Popular music fans, as well as scholars of recording history and technology and students of the intersections between music and cultural history will all find this book to be informative and interesting.

Encyclopedia of Great Popular Song Recordings eBookIt.com

The Cher Bible, Vol. 1: Essentials "Let's call it what it is, before Britney, before Madonna, there was only Cher." - Gene Simmons, KISS. Rightfully coined the "Goddess of Pop", Cher has conquered music, film and television during her 50-year showbiz career, selling 100-million records, grossing \$650-million on tour, drawing \$700-million at the U.S. Box Office and winning Oscar, Grammy, Emmy and Golden Globe Awards. She is one-half of highly-successful duo Sonny & Cher, a multi-million-selling doll, multi-million-selling fitness icon, hit songwriter, enduring sex symbol, award-winning television producer, film director, video director, award-winning fashion icon, author, model, humanitarian, mother, daughter, and of course the idol of a highly diverse fan base.
