## **PARSONS TREVINO**

---

For All Time HarperCollins

'If you are interested in stories with  
happy endings, you would be better off  
reading some other book.' Violet, Klaus  
and Sunny Baudelaire are most

unfortunate children. Orphaned after the  
sudden death of their parents in a house  
fire, they are left in the hands of their  
guardian, Count Olaf, who has diabolical  
plans for them . . . 'A Series of  
Unfortunate Events' has sold more than  
60 million copies worldwide, has been  
translated into 41 languages and was  
adapted into a 2004 film starring Jim  
Carrey. 'Wicked good fun' - Kirkus

Reviews

**A Series of Unfortunate Events Box:  
The Loathsome Library** HarperCollins

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . In *The Reptile Room* the siblings endure a car accident, a terrible smell, a deadly serpent, a long knife, a brass reading lamp, and the re-appearance of a person they'd hoped never to see again. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade.

We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake. *Skunk and Badger (Skunk and Badger 1)* HarperCollins

Catastrophes and misfortune continue to plague the Baudelaire orphans after being sent to live with fearful Aunt Josephine, who offers little protection against Count Olaf's treachery.

*A Series of Unfortunate Events  
Collection: Books 1-3 with Bonus  
Material* Harper Collins

This mysterious illustrated tie-in to Netflix's award-winning A Series of Unfortunate Events -- featuring an introduction by Count Olaf's legal representative, Neil Patrick Harris --

shares insider secrets about the Baudelaire family and the making of the show. In every library there is a single book that can answer the question that burns like a fire in the mind... In this collector's companion you will discover never-before-seen photographs, never-before-told stories, and never-before-revealed secrets spanning all three seasons of the hilariously twisted, critically acclaimed hit series. You will encounter original concept art, annotated script excerpts, and interviews with the creative team and all-star cast, as well as glossaries, recipes, lyric sheets, hidden Easter eggs, shocking backstories, and suspicious pages from the titular tome, unredacted, and revealed here for the first time. Featuring interviews with: Tony Hale

Daniel Handler Aasif Mandvi Sara Rue Barry Sonnenfeld Patrick Warburton Bo Welch Alfre Woodard and more...

Perhaps you are wondering how a noble person such as yourself might become a member of a secret organization. Like so many things in life, it starts by picking up the right book. So go ahead, read at your own risk.

**A Big Day for Baseball** Algonquin Books

NOW A NETFLIX ORIGINAL SERIES Dear Reader, If you have not read anything about the Baudelaire orphans, then before you read even one more sentence, you should know this: Violet, Klaus, and Sunny are kindhearted and quick-witted, but their lives, I am sorry to say, are filled with bad luck and misery. All of the stories about these three

children are unhappy and wretched, and this one may be the worst of them all. If you haven't got the stomach for a story that includes a hurricane, a signalling device, hungry leeches, cold cucumber soup, a horrible villain, and a doll named Pretty Penny, then this book will probably fill you with despair. I will continue to record these tragic tales, for that is what I do. You, however, should decide for yourself whether you can possibly endure this miserable story. With all due respect, Lemony Snicket "*When Did You See Her Last?*" Egmont Books (UK)

Forget Frosty the Snowman or Rudolph the Red-Nosed Reindeer. The next great holiday hero is a small, flammable chunk of barbecue fodder. He's impeccably dressed, he's terribly grumpy, and he's

looking for a holiday miracle. It's unmistakably Snicket - here's the opening line: This holiday season is a time for stoytelling, and whether you are hearing the story of a candelabra staying lit for more than a week, or a baby born in a barn without proper medical supervision, these stories often feature miracles.

HarperCollins

Twelve favorite PJ Masks action-packed adventures are now available in one SUPER edition! Do you want to go into the night to save the day? Then come along with the PJ Masks as they defeat Romeo, Night Ninja, and Luna Girl, all in a night's work. PJ Masks and the Dinosaur! Into the Night to Save the Day! Owlette Gets a Pet Super Moon Adventure Catboy Does it Again Meet Catboy! Meet Owlette! Meet Gekko! Good Night, Heroes Meet the Heroes...and the Villains, too! PJ Masks © Frog Box / Entertainment One UK Limited / Walt Disney EMEA Productions Limited 2014

*A Global Snapshot of Solid Waste Management to 2050* Harper Collins  
NOW A NETFLIX ORIGINAL SERIES  
Lemony Snicket's unhappy tale of the unlucky Baudelaire siblings begins with *The Bad Beginning*. In this short

bothersome book alone, the three orphans encounter a greedy and repulsive villain, itchy clothing, a disastrous fire, a plot to steal their fortune, and cold porridge for breakfast. Should you not mind deadly serpents, slippery salamanders, lumpy beds, large brass reading lamps, Ing knives, and terrible odors, then proceed with caution to the second book in the miserable series, *The Reptile Room*. Readers unbothered by inclement weather, hungry leeches, and cold cucumber soup will want to continue with the third installment, *The Wide Window*. Others will not. If you've got the stomach to wade through the first three tragic tales in Lemony Snicket's *A Series of Unfortunate Events*, then this troubling collection might be the one for you.

Several loathsome extras, including a compilation of unsettling quotations and a very disturbing portrait, await those who successfully complete the wretched journey. You've been warned!

The Bad Beginning Harper Collins

A Series of Unfortunate Events #3: The Wide Window Harper Collins

*Make More Noise!* Galaxy Children's Large Print

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . There are many pleasant things to read about, but The Miserable Mill contains none of them. Within its pages one will

find a giant pincher machine, a bad casserole, a man with a cloud of smoke where his head should be, a hypnotist, a terrible accident and coupons. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

### **Comprehensive Planning for Safe Learning Environments**

Nosy Crow  
NOW A NETFLIX ORIGINAL SERIES A

Warning from the Publisher: If you have come this far, it is likely too late.

Readers who have experienced the first

nine volumes in A Series of Unfortunate Events by Lemony Snicket are usually so weakened by their dreadful knowledge of the Baudelaire orphans' story that they spend most of their time moaning and weeping, and have no strength to read *The Slippery Slope*, *The Grim Grotto*, *The Penultimate Peril*, or *The End*. If, by chance, your moaning and weeping is more or less under control, there is no need to further risk your physical, emotional, and literary health by reading the four remaining volumes in the series. It would be better to regain your strength by spending your time indulging in less alarming activities, such as whistling or making cupcakes for the elderly. After all, this collection contains all of the calamities in the last four volumes of A Series of Unfortunate

Events, including abandoned condiments, cigarette smoking, a shocking revelation, a ridiculous laugh, a fearsome storm, a herd of wild sheep, a truly haunting secret about the Baudelaire parents, another shocking revelation, and Phil. There is no need to expose yourself to such atrocities, not after all you've been through already.

*A Series of Unfortunate Events #5: The Austere Academy* CD Egmont Books (UK)  
 Learn how Skunk and Badger first became roommates before embarking on their latest adventure, Egg Marks the Spot, now on sale! A Best Book of 2020: People \* Kirkus Reviews \* Booklist \* School Library Journal \* Publishers Weekly \* Shelf Awareness for Readers \* New York Public Library \* Chicago Public Library \* Evanston Public Library  
 Wallace and Gromit meets Winnie-the-Pooh in a fresh take on a classic odd-couple friendship, from Newbery Honor author Amy Timberlake with full-color and black-and-white illustrations throughout

by Caldecott Medalist Jon Klassen. No one wants a skunk. They are unwelcome on front stoops. They should not linger in Important Rock Rooms. Skunks should never, ever be allowed to move in. But Skunk is Badger's new roommate, and there is nothing Badger can do about it. When Skunk plows into Badger's life, everything Badger knows is upended. Tails are flipped. The wrong animal is sprayed. And why-oh-why are there so many chickens?

"Nooooooooooooooooooooo!" Newbery Honor author Amy Timberlake spins the first tale in a series about two opposites who need to be friends. New York Times bestselling author/illustrator and Caldecott Medalist Jon Klassen completes the book with his signature lushly textured art. This beautifully

bound edition contains both full-color plates and numerous black-and-white illustrations. *Skunk and Badger* is a book you'll want to read, reread, and read out loud . . . again and again.

*What a Waste 2.0* World Bank Publications

This book provides school administrators, school-based mental health professionals, and other educational professionals with the framework and tools needed to establish a comprehensive safe learning environment. The authors identify four necessary phases to achieve this (prevention, preparedness, response, and recovery) and provide numerous examples and tools to help readers create safe environments, while also addressing students' academic,

emotional, and social needs. An emphasis is placed on the importance of the balance between physical and psychological safety within a multi-tiered framework - it is not enough for students to know their school is secure; they must also feel they are safe and can turn to their teachers and school-based mental health professionals with their concerns. An accompanying CD contains several valuable resources, such as forms, handouts, articles, and monitoring tools.

**The Wide Window** Hachette Books

From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been

called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a

Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big

and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide*

“Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Wintertime is here, and that means it is bedtime for Bear. But Bear's friends don't think so. They want Bear to come and play outside in the snow. Bear can hear his friends calling. He hears them laughing and playing. Bear can't sleep.

But it's bedtime! What is a bear to do?

[Ask a Manager](#) Routledge

A Parade Magazine Best Young Adult Book of 2021 “A romance for the ages...one perfect little novel.” —Stacey Lee, award-winning author of *The Downstairs Girl* *The Sun Is Also a Star* meets *Outlander* in this “unforgettable and artfully crafted romance” (Julie Murphy, #1 New York Times bestselling author of *Dumplin’*) about two teens who relive their tragic love story over and over until they uncover what they must do to change their fate. Tamar is a musician, a warrior, a survivor. Fayard? He’s a pioneer, a hustler, a hopeless romantic. Together, Tamar and Fayard have lived a thousand lives, seen the world build itself up from nothing only to tear itself down again in civil war.

They've even watched humanity take to the stars. But in each life one thing remains the same: their love and their fight to be together. One love story after another. Their only concern is they never get to see how their story ends. Until now. When they finally discover what it will take to break the cycle, will they be able to make the sacrifice?

*The Serpent's Curse* Simon and Schuster  
 WARNING: LISTENING TO THIS TAPE WILL ONLY MAKE YOU WEEP... Dear Listener, If you are looking for a story about cheerful youngsters spending a jolly time at boarding school, look elsewhere. Violet, Klaus and Sunny Baudelaire are intelligent and resourceful children, and you might expect that they would do very well at school. Don't. For the Baudelaires, school turns out to be

another miserable episode in their unlucky lives. Truth be told, within the chapters that make up this dreadful story, the children will face snapping crabs, strict punishments, dripping fungus, comprehensive exams, violin recitals. S.O.R.E., and the metric system. It is my solemn duty to stay up all night reading my history of these three hapless youngsters into a microphone, but you may be more comfortable getting a good night's sleep. In that case, you should probably listen to something else. With all due respect,

Looking for wit, wisdom, and inspiration all within the pages of one useful book? Read *Something Else*. Life is a turbulent journey, fraught with confusion, heartbreak, and inconvenience. This collection of wit and wisdom from New York Times bestselling author Lemony Snicket is unlikely to help. It includes a new introduction filled with curious aphorisms, a handful of never-before-seen-or-heard quotations, and fan favorites from works over the years. These dubious offerings, collected from Snicket's books, unpublished papers, and more, have been made pleasing to the eye by illustrations, select fan art, and design flourishes.
