Every year, Reader's Digest readers send in tens of thousands of jokes and funny anecdotes, in their quest for a \$100 check and, as an extra benefit, eternal glory: to have their joke published in the world's best-read magazine. One man is stopping them from their quest. Andy Simmons. It takes a sense of humor. And Andy certainly has that. Not only is he the arbiter of all things funny in Reader's Digest; he is their Mark Twain, Bill Cosby, and even their

David Sedaris. In other words, Andy is the guy Reader's Digest turns to whenever they need a funny story all of America can appreciate. He's perfect for the job. Andy takes great delight in the funny and oddball side of everyday life. In *Now That's Funny!*, Andy presents his most popular, funniest writings on all things America, some exclusive and all-new, some taken from the award-winning pages of Reader's Digest. You'll discover the Andy that goes out and tries things. His first-person tales of taking dance lessons, participating in a Revolutionary War reenactment, and even taking stand-up comedy lessons are some of the funniest articles to ever appear in Reader's Digest. Then you discover the Andy that observes America. His roundups of dumb criminals, crazy lawsuits, ridiculous excuses and out-of-touch scientific research will have you roaring with laughter -- and feeling much better about yourself. Then there's Andy, the family man. You'll laugh out loud as he goes in search of his inner macho --or for the next stop on his vacation, if only he can find the directions. And Andy's observations on marriage and fatherhood are as accurate as they are funny. Finally, there's Andy the jokester. Here are tales from the job of trying to think, act, and be funny every workday, no matter what the dog did this morning on the rug. Tales of his sit-downs with comic legends from Robin Williams to Woody Allen will have you in stitches. Andy also shares his favorite jokes -- many of them too edgy for printing in Reader's Digest! Add it up, and it's a book filled with hundreds of feel-good, laugh-out-loud moments about life in these United States -- exactly the type of reading we need today!

Is your dad funny? Is he funny looking? Just kidding. In the Reader's Digest Dumb Dad Jokes we have compiled some of the funniest jokes, riddles, and one-liners that can be shared across generations, around the dinner table or the campfire. Truly, there's something for everyone from 6 to 106. "Knock! Knock! Who's there? Justin. Justin who? Justin the neighborhood and thought I'd come over." Most dads get their best material from their families. And that's what we have here: a collection of riddles, jokes, one-liners, hilarious anecdotes and pointed wit that see families for what they truly are--our chief source of amusement! Reader's Digest has a long tradition of providing our readers with laughter through our many columns in the magazine. This collection is pulled right from that humorous source. "Did you hear that NASA has launched several cows into orbit? It was the herd shot around the world!"

People are funny, but so are the animals we love-and our day-to-day relationships with them can be even more entertaining. Dogs and cats obviously rule the comedic roost, but parrots, parakeets, and other talking birds are often an endless source of amusement as well. Even our connection to bunnies, hamsters, and the occasional white rat can evoke a good laugh. The 500-plus pet anecdotes, cartoons, and quotes in *Laughter Is The Best Medicine: Those Lovable Pets* have been collected from more than eight decades' worth of Reader's Digest magazines and are guaranteed

to cheer up your day. You'll meet the woman whose dog trembled at the "Beware of Dog" sign in their front yard until she told him, "Relax! It's you!"; the vet whose advice to a woman whose cat had swallowed lots of unpopped popcorn was, "first, keep him out of the sun"; the mother-in-law who concealed her way-too-plump piglet's weight loss pills in ice cream; and much more. Our furry or fine feathered friends not only warm our hearts but also amuse us (and our joke writers, too) with their antics—one reason, no doubt, the market for this book is so vast: At the minimum, 40 percent of American households own at least one pet.

The Communicative Mind Reader's Digest

With more than sixty-five illustrations, this irreverent collection of amusements culled from the popular Reader's Digest column "Laughter, the best medicine" includes one-liners, silly riddles, jokes, quips, and cartoons. Original.

If ever there was a time of year in which we need a sense of humor, it's the holidays in America—and the latest little book in this best-selling series is here to help! Brimming with America's funniest stories, one-liners, cartoons, quotes, and jokes, this side-splitting collection explodes the myth that the holidays are the picture of clean homes, well-behaved children, meticulously wrapped gifts, absolutely perfect food, distinguished guests, and perpetual, shiny white smiles. Here is just a sampling of the holiday havoc we all recognize—and love: "Thanksgiving dinners take eighteen hours to prepare. They are consumed in twelve minutes. Half-times take twelve minutes. This is not coincidence." —Erma Bombeck Last Christmas morning, after all the presents were opened, it was clear that my five-year-old son wasn't thrilled with the ratio of toys to clothes he'd received. As he trudged slowly up the stairs, I called out, "Hey, where are you going?" "To my room," he said, "to play with my new socks." "The one thing women don't want to find in their stockings on Christmas morning is their husband." —Joan Rivers

Are you ready to lead? Will you pass the test? Despite all the effort through the years to understand what it takes to be an effective leader, the challenges of leadership remain enormously

difficult and elusive; even today, most CEOs don't last five years in the job. The demands to deliver at a consistently high level can be unforgiving. The loneliness. The weight of responsibility. The relentless second-guessing and criticism. The pressure to build all-star teams. The 24/7 schedule that requires superhuman stamina. The tough decisions that often leave no one happy. The expectation to always have the right answer when it can be hard just to know the right question. These challenges are brought into their highest and sharpest relief in the corner office, but they are hardly unique to chief executives. All leaders face their own version of these tests, and the authors draw on the distilled wisdom, stories, and lessons from hundreds of chief executives to show how every aspiring leader can master these challenges and lead like a CEO. These foundational leadership skills will make all aspiring executives more effective in their roles today and lift the trajectory of their careers. The CEO Test is the authoritative, no-nonsense insider's guide to navigating leadership's toughest challenges, brought to you by authors uniquely qualified to tell the stories. Adam Bryant has conducted in-depth interviews with more than 600 CEOs. Kevin Sharer spent more than two decades as president and then CEO of Amgen, where he led its expansion from \$1 billion in annual revenues to nearly \$16 billion. He has served on many boards and is a sought-after mentor for CEOs of global companies. Leadership is getting harder as the speed of disruption across all industries accelerates. The CEO Test will better prepare you to succeed, whether you're a CEO or just setting out to become one.

If laughter is the best medicine, then look no further to cure whatever ails you. The column "Offbase," formally known as "Humor in Uniform," has appeared in the Reader's Digest

magazine for over half a century, and has published more than 3,500 jokes, quotes, and funny stories from the more than a million readers who have submitted them. This volume—from the world’s #1 source of humor—contains laugh-out-loud gems from one of Reader’s Digest’s most popular columns. This side-splitting collection of humor delivers hundreds of the best jokes, anecdotes, cartoons, quotes, and stories from men and women in the armed forces or their families proving that life is often funnier than fiction. Such as:

- From a Family Member: My son regaled me with stories about how they do things in the modern Air Force. Being an old Air Force man myself, I scoffed at their complicated methods. “That’s not the way we did it when I was in the service,” I said. “Yeah,” he shot back. “But when you were in, there were only two pilots, Wilbur and Orville” — Ted Shirley
- From an Army Soldier: Our Army Unit was overseas conducting maneuvers with the Marines. On shift one night, a Marine asked my sergeant where he was from. “I’m originally from Central America,” said the sergeant. “Oh, yeah?” asked the Marine. “Kansas?” — David Denbek
- From Iraq: At the end of a tough day in Iraq, my daughter, the airman, collapsed onto the first seat in the transport truck, forcing everyone else to climb over her. “Private!” hollered the sergeant, “Skinny girls get in the back so when we men get on with our weapons and equipment, we don’t have to climb over you. Have I made myself clear?” Suddenly my daughter perked up, “Do you really think I’m skinny?” — Margaret Culbertson
- About the Military: A soldier stationed at Fort Bliss, Texas, actually got a letter addressed to “Fort Ignorance.” “How did you know where to deliver it?” she asked the mailman. “We were stumped at first,” he admitted. “But then I remembered, ignorance is bliss.” — William De Graf
- For yourself, a friend, or family member—what could be better than the gift of laughter? *That Reminds Me of a Joke* Simon and Schuster

More than two dozen timeless favorites from the Reader’s Digest archives. From everyday heroes to larger-than-life characters, small moments to historic events, the unforgettable stories in Reader’s Digest come alive as never before in this keepsake book. Our editors have combed the archives for the narratives—sometimes funny, often poignant, always inspirational—that still strike deep chords today, such as: The gripping tale of a North Carolina woman and her Shepherd, Gandalf, who found a lost Boy Scout in the woods during their first

search-and-rescue job The tragic account of the crash of the Columbia Space Shuttle The miracle of the old letter that led to a couple being reunited after nearly 60 years apart The heroic actions of an eighteen-year-old girl who carried a young boy to safety after being pulled out to sea in a riptide The hilarious anecdote about the one exception to humorist Calvin Trillin’s happy childhood, a sickly collie named Chubby Featuring the best of the best from the present and past, this collection of timeless favorites will thrill your senses, warm your heart, and brighten your day.

Life in These United States Penguin

In the spirit of Mindy Kaling, Kelly Oxford, and Sarah Silverman, a compulsively readable and outrageously funny memoir of growing up as a fish out of water, finding your voice, and embracing your inner crazy-person, from popular actress, writer, and comedian Bonnie McFarlane. It took Bonnie McFarlane a lot of time, effort, and tequila to get to where she is today. Before she starred on *Last Comic Standing* and directed her own films, she was an inappropriately loud tomboy growing up on her parents’ farm in Cold Lake, Canada, wetting her pants during standardized tests and killing chickens. Desperate to find “her people”—like-minded souls who wouldn’t judge her because she was honest, ruthless, and okay, sometimes really rude—Bonnie turned to comedy. In her explosively funny and no-holds-barred memoir, Bonnie tells it like it is, and lays bare all of her smart (and her not-so-smart) decisions along her way to finding her friends and her comedic voice. From fistfights in elementary school to riding motorcycles to the World Famous Comic Strip, to *Late Night with David Letterman*, and through to her infamous “c” word bit on *Last Comic Standing*, *You’re Better Than Me* is her funny and outrageous trip through the good, bad, and ugly of her life in comedy. McFarlane doesn’t always keep her mouth shut when she should, but at least she makes people laugh. And that’s all that matters, right?
