Milton Nieuwsma explains why he wrote *Miracle on Chestnut Street* and reflects on Thomas Jefferson, the man and his legacy: So why did you write this book? "For a couple of reasons. One was to tell the story of the Declaration of Independence from Jefferson's point of view and in real time. The other reason was to restore his rightful place in history." Why do you say that? "Well, he's had a pretty rough go of it the past few decades, first because of DNA and then because of the 1619 Project." What do you think is Jefferson's biggest legacy? "More than anyone, he defined the idea of America, the idea that individual freedom is basic to our way of life. He was our country's first human rights champion. Even with all of our problems today, our country is still a beacon of hope and freedom to people around the world. We owe that mainly to Jefferson." Tom

Jefferson, a young plantation owner from Virginia, was the least likely member of the Second Continental Congress to make a name for himself. When he arrived in Philadelphia in 1775 it was by defau Yet we associate Jefferson's name more than any other with what happened on the most important day in American history: July 4, 1776. Notwithstanding many other defining moments in our nation's past-Appomattox, Pearl Harbor, the Apollo moon landing, 9/11 to name a few-the Declaration of Independence that Jefferson wrote and the Continental Congress adopted on that date symbolizes more than any other event what America stands for as a nation. Now, for the first time, the story of that historic event is told from Jefferson's point-of-view. Drawing from his letters, journals, diaries and other sources, as well as from on-site research at Monticello (Jefferson's home in Virginia), Colonial Williamsburg and Independence National Historical Park in Philadelphia, two-time Emmy-winning writer Milton Nieuwsma recreates the sixteen most important months in Jefferson's life, from his election to the Continental Congress to the Declaration of Independence. *Miracle on Chestnut Street* is not only an inside account of how a piece of paper came to define the American republic; it's the story of how a young man entered the world stage through the back

door-and how the ideas he expressed in that document still resonate in the 21st century.

START-UP NATION addresses the trillion dollar question: How is it that Israel-- a country of 7.1 million, only 60 years old, surrounded by enemies, in a constant state of war since its founding, with no natural resources-- produces more start-up companies than large, peaceful, and stable nations like Japan, China, India, Korea, Canada and the UK? With the savvy of foreign policy insiders, Senor and Singer examine the lessons of the country's adversity-driven culture, which flattens hierarchy and elevates informality-- all backed up by government policies focused on innovation. In a world where economies as diverse as Ireland, Singapore and Dubai have tried to re-create the "Israel effect", there are entrepreneurial lessons well worth noting. As America reboots its own economy and can-do spirit, there's never been a better time to look at this remarkable and resilient nation for some impressive, surprising clues.

WINNER OF THE EDGAR AWARD FOR BEST FIRST NOVEL The "gripping... page-turner" (Time)

hitting all the best of summer reading lists, Miracle Creek is perfect for book clubs and fans of Liane Moriarty and Celeste Ng How far will you go to protect your family? Will you keep their secrets? Ignore their lies? In a small town in Virginia, a group of people know each other because they're part of a special treatment center, a hyperbaric chamber that may cure a range of conditions from infertility to autism. But then the chamber explodes, two people die, and it's clear the explosion wasn't an accident. A powerful showdown unfolds as the story moves across characters who are all maybe keeping secrets, hiding betrayals. Chapter by chapter, we shift alliances and gather evidence: Was it the careless mother of a patient? Was it the owners, hoping to cash in on a big insurance payment and send their daughter to college? Could it have been a protester, trying to prove the treatment isn't safe? "A stunning debut about parents, children and the unwavering hope of a better life, even when all hope seems lost" (Washington Post), Miracle Creek uncovers the worst prejudice and best intentions, tense rivalries and the challenges of parenting a child with special needs. It's "a quick-paced murder mystery that plumbs the power and perils of community" (O Magazine) as it carefully pieces together the tense atmosphere of a courtroom drama and the complexities of life as an immigrant family. Drawing on the author's own experiences as a Korean-American, former trial lawyer, and mother of a "miracle submarine" patient, this is a novel steeped in suspense and igniting discussion. Recommended by Erin Morgenstern, Jean Kwok, Jennifer Weiner, Scott Turow, Laura Lippman, and more-- Miracle Creek is a brave, moving debut from an unforgettable new voice.

Over 100,000 copies sold! A true story of a marine and the miraculously loyal dog he befriends in Iraq. Nubs, an Iraqi dog of war, never had a home or a person of his own. He was the leader of a pack of wild dogs living off the land and barely surviving. But Nubs's life changed when he met Marine Major Brian Dennis. The two formed a fast friendship, made stronger by Dennis's willingness to share his meals, offer a warm place to sleep, and give Nubs the kind of care and attention he had never received before. Nubs became part of Dennis's human "pack" until duty required the Marines to relocate a full 70 miles away--without him. Nubs had no way of knowing that Marines were not allowed to have pets. So began an incredible journey that would take Nubs through a freezing desert, filled with danger to find his friend and would lead Dennis on a mission that would touch the hearts of people all over the world. Nubs and Dennis will remind readers that friendship has the power to cross deserts, continents, and even species.

First published in 1985, Chester Liebs' *Main Street to Miracle Mile* established the twentieth-century roadside landscape as a subject for serious study. Liebs traces the transformation of commercial development as it has moved from centralized main streets, out along the street car lines, to form the "miracle miles" and shopping malls of today. He also explores the evolution of roadside buildings, from supermarkets and motels to automobile showrooms and drive-in theaters. Both an historical survey and invaluable guide for reading highway landscapes, this classic work--which has inspired numerous studies, museum exhibits, and preservation efforts--is now back in print with new commentary by the author.

This Christmas he's confronting the past... Wyoming rancher Cade Hunt rents a room in Marietta for the month of December for one purpose—to unravel the mysteries of his past. He's not interested in the local Christmas festivities, even though his pretty landlord Merri Bradley is more appealing than any woman he can remember. After losing her husband far too early, hospice nurse Merri has dedicated her life to caring for the grief-stricken during their final goodbyes. She loves her busy and fulfilling life and has no time for a brooding cowboy during her favorite time of year. Yet Cade is tempting, and she's technically his hostess. But Marietta is full of Christmas magic and miracles. Soon Cade is embraced by the family he didn't know he had—a grandfather and four Wyatt cowboy cousins. For the first time in his life, Cade has a sense of belonging and the desire to set down roots if only he can convince Merri that second chances are the best chance for their own

happily ever after.

IN GODS HANDS is a book of poetry that is designed to put you in a place where you can come into the presence of GOD. The poetry does not stand-alone. Poems in Chapter I are enhanced by a Bible verse that supports the essence of the poetry it accompanies. The poetry in Chapter II has a short narrative that prefaces each poem, detailing its origination. I pray that you enjoy the poetry inside the covers of IN GODS HANDS, and that you find a Blessing in them. == == == Below is a sample of what you will find inside the covers of IN GODS HANDS GOD LIVES Have you ever wondered If GOD is anywhere Just look into the mirror And you will see him there. GOD sits inside our hearts And rests within our souls He wells up in our laughter And flows when tears unfold. When we offer prayer to him He smiles down heavenly So if you ever wondered GOD lives in you and me. Philippians 4:13 I can do all things through Christ which strengthens me. == == == MY SPIRITUAL GIFT A Gift of Love for us to share To minister to those in need, with care To understand the reason why A gift was given to me and I Hope and pray that I can do What God entrusted me to Share my Gift so others can see What my God Really means to me. 1 Corinthians 7:7 For I would that all men were even as I myself. But every man hath his proper gift of GOD, one after this manner, and another after that. == == == THE VISION God provide to me a vision for your people Make me strong and obedient to your will Adorn the manifestation of your vision To be viewed from valleys and hills And have your people respond to the vision As you would have them to do And we will be steadfast in your vision And your people will be truer to you. Lord make me an instrument of your vision Strengthen me to observe and uphold The vision you have given for your people The vision your love has foretold. Numbers 12:6 Then HE said, Hear now MY words, If there is a prophet among you, I, the LORD, make MYSELF known to him in a vision, I speak to him in a dream.
