 Deep Listening: A Composer's Sound Practice offers an exciting guide to ways of listening and sounding.
 Deep Listening: A Composer's Sound Practice: Pauline ... Deep Listening: A Composer's Sound Practice offers an exciting guide to ways of listening and sounding. This book provides unique insights and perspectives for artists, students, teachers, meditators and anyone interested in how consciousness may be effected by profound attention to the sonic environment .Deep Listening: A Composer's Sound Practice by Pauline ... Deep listening by Pauline Oliveros, is by far the most unusual book I have read concerning the art of listening. It is less a work on composition or methods of sound making, and more a holistic search for inner tranquility in order to hear the noise all around you.
