*Ascension* K.A. Linde Inc.

Before he fully realized the diabolical cruelties of the National Socialist German Worker's Party, Konrad Wengler had committed atrocities against his own people, the Jews, out of fear of both his faith and his heritage. But after he witnesses firsthand the concentration camps, the corruption, the inhuman malevolence of the Nazi war machine and the propaganda aimed at annihilating an entire race, he knows he must find a way to turn the tide and become the saviour his people desperately need. Konrad Wengler is captured and sent from one Soviet prison

camp to another. Even hearing the war has come to an end makes no difference until he's arrested as a Nazi Party member. In jail, Konrad refuses to defend himself for things he's guilty of and should be punished for. Will his be an eye-for-an-eye life sentence, or leniency in regard of the good he tried to do once he learned the truth?

Ascension Ballantine Books

This urban fantasy boxed set contains the first three novels in The Ascension Series and totals 300,000 words. When it comes to problems involving evil, Elise Kavanagh is the expert in saving the day. Not only is she a legendary demon hunter known as the Godslayer, she's also the most powerful demon to ever walk the Earth—a once-human creature that other demons now look up to

as a deity. Rylie Gresham is Alpha of the last werewolf pack. They're hiding from recent government laws regulating preternaturals and trying to avoid conflict. But someone's trying to get into Eden. The garden holds secrets too dangerous for anyone to possess, including Elise's former partner James Faulkner: a half-witch, half-angel bent on becoming God. He doesn't care what it takes to get into Eden, and the werewolf pack gets trapped at the center of the conflict. Elise will do anything to keep James—or anyone else—from reaching Eden, even if it means journeying deep into Hell and seizing control of the City of Dis. Trapped between shadow and light, Elise walks a fine line trying to save the world yet again...even if it means losing her friends among the werewolves, the man she once loved, and her soul itself. ABOUT SACRIFICED IN SHADOW Lincoln Marshall is a small-town deputy with a very big problem. Six members of his church have been found dead, killed by a rogue werewolf. He'll have to make a deal with the Devil to save victims that have gone missing—maybe literally. Elise Kavanagh, preternatural investigator and exorcist, is the expert when it comes to violent deaths at the jaws of evil. She's also among the most powerful demons that Hell has spawned. Elise jumps at Lincoln's case, and it's not just because of his down-home charm. Someone's laid a trap for her in Northgate, and she wants to find out who. She'll have to team up with Rylie Gresham, Alpha of the last surviving werewolf pack, to figure out who's trying to blame the murders on werewolves. Only together can they stop the killings—and uncover the secrets buried in Northgate. ABOUT OATHS OF BLOOD Werewolves are immune to every illness and can heal any wound. It should be impossible for one to become

possessed by a demon. But that's exactly what Seth Wilder is facing: a werewolf gone insane from possession. He has no choice but to deliver her to the only exorcist in America, Elise Kavanagh, who also happens to be a powerful demon known as the Godslayer. Elise is in hiding when Seth and Rylie Gresham, Alpha werewolf, arrive seeking her help. She agrees, but everything has its price. What they learn about the possessed werewolf changes everything—Hell and Earth, the pack, and the future of the entire world... ABOUT RULED BY STEEL Elise Kavanagh failed to prevent the Breaking, and now Hell is spilling onto Earth. She's delved deep into the City of Dis in an attempt to stop the infernal armies—but even the legendary Godslayer is unprepared to face Dis's fiercest demons, not to mention the responsibility of liberating the humans they've enslaved. On Earth, rogue angel Nash Adamson is wing-deep in damage control after the Breaking, and his fellow angels don't want to get involved. War is approaching the werewolf sanctuary. If Heaven won't help them, he'll have to turn to Hell for salvation. Everything hinges on who can control the City of Dis. Elise and her allies have no choice but to rule by steel... **Ascension** Lyrical Press

In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother

Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.
