McGraw Hill Professional The bestselling coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. The House on Mango Street is the remarkable story of Esperanza

Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes—sometimes heartbreaking, sometimes deeply joyous—Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. Savvas Learning Company From the Emmy-

nominated, award-winning bilingual preschool series Canticos, comes a new version of Little Chickies / Los Pollitos, a part of the Canticos Nursery Rhymes collection. "Canticos resonates with parents who want to raise multilingual children through quality, appealing content." - NBC Celebrate with your little chickie and increase their vocabulary in both English and Spanish.

Complete with beautiful illustrations, this book is a great way to make learning and singing with your little one special in not one, but two languages! Format: 8" x 7" novelty book with a unique magnetic closure and an accordion fold so the book can be opened completely, laid flat, or made to stand so children can surround themselves with the story. Interactive lift-the-flap features. Reversible

with the original Spanish song on one side and an English adaptation on the other. Beautiful art with brightly colored characters from the Emmy-nominated series. "Good books not only teach your child about different cultures and their traditions, they are also a great way to help your child pick up new vocabulary and information about different

regions around the world. Canticos... is a great place to start" - Motherly "Susie Jaramillo created a media company with an educational, cross-cultural, and intergenerational mission." - School Library Journal "¿Qué hacer cuando los niños no quieren dormir? La colección bilingüe Canticos de Susie Jaramillo reúne tiernas canciones de cuna de nuestra

infancia.” -

mysterious island. An abandoned orphanage. A strange collection of very curious photographs. It all waits to be discovered in Miss Peregrine's Home for Peculiar Children, an unforgettable novel that mixes fiction and photography in a thrilling reading experience. As our story opens, a horrific family tragedy sets sixteen-year-old Jacob journeying to a remote island off the

coast of Wales, where he discovers the crumbling ruins of Miss Peregrine's Home for Peculiar Children. As Jacob explores its abandoned bedrooms and hallways, it becomes clear that the children were more than just peculiar. They may have been dangerous. They may have been quarantined on a deserted island for good reason. And somehow—impossible though it seems—they

may still be alive. A spine-tingling fantasy illustrated with haunting vintage photography, Miss Peregrine's Home for Peculiar Children will delight adults, teens, and anyone who relishes an adventure in the shadows. "A tense, moving, and wondrously strange first novel. The photographs and text work together brilliantly to create an unforgettable story."—John Green, New
