Alfred Hitchcock: A Life in Darkness and Light is the definitive biography of the

Master of Suspense and the most widely recognized film director of all time. In a career that spanned six decades and produced more than 60 films - including The 39 Steps, Vertigo, Psycho, and The Birds - Alfred Hitchcock set new standards for cinematic invention and storytelling. Acclaimed biographer Patrick McGilligan re-examines his life and extraordinary work, challenging perceptions of Hitchcock as the "macabre Englishman" and sexual obsessive, and reveals instead the ingenious craftsman, trickster, provocateur, and romantic. With insights into his relationships with Hollywood legends - such as Cary Grant, James Stewart, Ingrid

Bergman, and Grace Kelly - as well as his 54-year marriage to Alma Reville and his inspirations in the thriller genre, the book is full of the same dark humor, cliffhanger suspense, and revelations that are synonymous with one of the most famous and misunderstood figures in cinema.

Flesh-eating danger abounds in the chilling sequel to The Monstrumologist that is "as fast-paced, elegant, and yes, gruesome as its predecessor"

(Publishers Weekly, starred review). While Dr. Warthrop is attempting to disprove that Homo vampiris, the vampire, could exist, his former

fiancée asks him to save her husband, who has been captured by a Wendigo—a creature that starves even as it gorges itself on human flesh. Although Dr. Warthrop considers the Wendigo to be fictitious, he relents and performs the rescue—but is he right to doubt the Wendigo's existence? Can the doctor and Will Henry hunt down the ultimate predator, who, like the legendary vampire, is neither living nor dead, and whose hunger for human flesh is never satisfied? This second book in The Monstrumologist series explores the line between myth and reality, love and hate, genius and madness. *The Mammoth Book of New Jules Verne Stories* Yearling

The Novel of the Century
Turtleback Books

Twelve years ago, Richard Yancey answered a blind ad in the newspaper offering a salary higher than what he'd made over the three previous years combined. It turned out that the job was for the Internal Revenue Service -- the most hated and feared organization in the federal government. So Yancey became the man who got in his car, drove to your house, knocked on your door, and made you pay. Never mind that his car was littered with candy wrappers, his palms were sweaty, and he couldn't remember where he stashed his own tax records. He was there on the authority of the United States government. With "a rich mix of humor, horror, and angst [and] better than

most novels on the bestseller lists" (Boston Sunday Globe), *Confessions of a Tax Collector* contains an astonishing cast of too-strange-for-fiction characters. But the most intriguing character of all is Yancey himself who -- in detailing how the job changed him and how he managed to pull himself back from the brink of moral, ethical, and spiritual bankruptcy -- reveals what really lies beneath those dark suits and mirrored sunglasses. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

A spellbinding novel that will resonate with

readers of Mark Haddon, Louise Erdrich, and John Irving. Perfect tells the story of a young boy who is thrown into the murky, difficult realities of the adult world with far-reaching consequences. Byron Hemmings wakes to a morning that looks like any other: his school uniform draped over his wooden desk chair, his sister arguing over the breakfast cereal, the click of his mother's heels as she crosses the kitchen. But when the three of them leave home, driving into a dense summer fog, the morning takes an unmistakable turn. In one terrible moment, something happens, something completely unexpected and at odds with life as Byron understands it. While

his mother seems not to have noticed, eleven-year-old Byron understands that from now on nothing can be the same. What happened and who is to blame? Over the days and weeks that follow, Byron's perfect world is shattered. Unable to trust his parents, he confides in his best friend, James, and together they concoct a plan. . . . As she did in her debut, *The Unlikely Pilgrimage of Harold Fry*, Rachel Joyce has imagined bewitching characters who find their ordinary lives unexpectedly thrown into chaos, who learn that there are times when children must become parents to their parents, and who discover that in confronting the hard truths about their pasts, they will forge

unexpected relationships that have profound and surprising impacts. Brimming with love, forgiveness, and redemption, *Perfect* will cement Rachel Joyce's reputation as one of fiction's brightest talents. Praise for *Perfect* "Touching, eccentric Joyce does an inviting job of setting up these mysterious circumstances, and of drawing Byron's magical closeness with Diana."—Janet Maslin, *The New York Times* "Haunting . . . compelling."—*Minneapolis Star Tribune* "[Joyce] triumphantly returns with *Perfect*. . . . As Joyce probes the souls of Diana, Byron and Jim, she reveals—slowly and deliberately, as if peeling back a delicate

onion skin—the connection between the two stories, creating a poignant, searching tale.”—O: The Oprah Magazine “Perfect touches on class, mental illness, and the ways a psyche is formed or broken. It has the tenor of a horror film, and yet at the end, in some kind of contortionist trick, the narrative unfolds into an unexpected burst of redemption. [Verdict:] Buy It.”—New York “Joyce’s dark, quiet follow-up to her successful debut, *The Unlikely Pilgrimage of Harold Fry*, could easily become a book club favorite. . . . Perfect is the kind of book that blossoms under thoughtful examination, its slow tendencies redeemed by moments of loveliness and insight.

However sad, Joyce’s messages—about the limitations of time and control, the failures of adults and the fears of children, and our responsibility for our own imprisonment and freedom—have a gentle ring of truth to them.”—The Washington Post “There is a poignancy to Joyce’s narrative that makes for her most memorable writing.”—NPR’s All Things Considered [The Last Star Anchor](#) “Born in Vienna, Alfred Bader fled to England at the age of fourteen, ten months before the outbreak of World War II. Although a Jewish refugee from the Nazis, he was interned in 1940, along with other ‘enemy aliens’, and sent to a Canadian prisoner-of-war camp.” “Obtaining his release

in 1941, he was accepted at Queen's University in Kingston, Ontario, where he studied engineering chemistry. There followed a fellowship in organic chemistry at Harvard. He worked in Milwaukee as a research chemist for the Pittsburgh Plate Glass Company and in 1951 co-founded Aldrich, which today, as Sigma-Aldrich, is the world's largest supplier of research chemicals." "He spent forty years building Aldrich's distinctive reputation, and the extraordinary story of how he was eventually thrown off the board of Sigma-Aldrich will be of key interest to people in the chemical industry worldwide, as well as to students of business." "After leaving Sigma-Aldrich,

he continued a fruitful career as an art collector and dealer, and he has some very pertinent and amusing things to say about his experiences in the art world."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

"The Narrative of Arthur Gordon Pym of Nantucket" is the only complete novel written by American writer Edgar Allan Poe. The story was inspired by a newspaper account of the shipwreck and subsequent rescue of the two men on board. Poe developed the story into a tale of the young Arthur Gordon Pym, who stows away aboard a whaling ship called the *Grampus*. Yet, it's not the mere adventures that make this book a literary masterpiece. Poe imbued his tale with allegorical richness, biblical imagery, and psychological insights. This novel has influenced numerous writers, including Melville, James, Verne, and Nabokov.

Experience one of the greatest adventure stories of the modern age in this New York Times bestseller: the harrowing tale of British explorer Ernest Shackleton's 1914 attempt to reach the South Pole. In August 1914, polar explorer Ernest Shackleton boarded the *Endurance* and set sail for Antarctica, where he planned to cross the last uncharted continent on foot. In January 1915, after battling its way through a thousand miles of pack ice and only a day's sail short of its destination, the *Endurance* became locked in an island of ice. Thus began the legendary ordeal of Shackleton and his

crew of twenty-seven men. When their ship was finally crushed between two ice floes, they attempted a near-impossible journey over 850 miles of the South Atlantic's heaviest seas to the closest outpost of civilization. With an introduction by Nathaniel Philbrick, *Endurance* is the

definitive account of Ernest Shackleton's fateful trip. Alfred Lansing brilliantly narrates the gripping and miraculous voyage that has defined heroism for the modern age.
