This information has  
been hidden for aeons  
but is being brought to  
light now. As you'll see,  
we have been  
attempting to

communicate this information throughout history. Only now, with the advent of the internet and social media has it become possible to reach the masses. It's time to look within and eat from the tree of knowledge. Embark on a journey beyond lifetimes. From secret societies and psychedelics, to what happens when you die and the purpose of the universe, this book contains the big picture of the hyperian system and will give you the tools to experience the source, become yourself, and understand what you are, where you are, and why you're here. The Path of Shadow: Self and Universal Completion is about becoming whole by integrating your

shadow and light, experiencing the underlying domain of the source, and understanding the mathematical nature of reality. This book is divided into three sections, the first explores your shadow self, primal urges, lusts, and secret desires. The second, outlines techniques for experiencing the source through frequency states, mental sex, psychedelics, art, symbols, and various mental exercises. In the third, the mathematics of the source and innerlight is introduced, explaining how existence is possible, how space and time began, and the purpose of the universe.

From debut author Daniel Abraham comes *A Shadow in Summer*, the first book in the Long Price Quartet fantasy series. The powerful city-state of Saraykeht is a bastion

of peace and culture, a major center of commerce and trade. Its economy depends on the power of the captive spirit, Seedless, an *andat* bound to the poet-sorcerer Heshai for life. Enter the Galts, a juggernaut of an empire committed to laying waste to all lands with their ferocious army. Saraykeht, though, has always been too strong for the Galts to attack, but now they see an opportunity. If they can dispose of Heshai, Seedless's bonded poet-sorcerer, Seedless will perish and the entire city will fall. With secret forces inside the city, the Galts prepare to enact their terrible plan. In the middle is Otah, a simple laborer with a complex past. Recruited to act as a

bodyguard for his girlfriend's boss at a secret meeting, he inadvertently learns of the Galtish plot. Otah finds himself as the sole hope of Saraykeht, either he stops the Galts, or the whole city and everyone in it perishes forever.
