NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • A deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. A "majestic, moving novel ... an instant classic, a book that will be read, discussed and taught beyond the rest of our lives" (Chicago Tribune), from the critically acclaimed author of *A Gathering of Old Men* and *The Autobiography of Miss Jane Pittman*.

A Novel W. W. Norton & Company

In *Citizen K-9*, bestselling author David Rosenfelt masterfully blends mystery with dogs and humor to create an investigative team that readers will be rooting for book after book. The Paterson Police Department has created a cold case division, and they want to hire the private investigators known as the K Team to look into the crimes. After all, Corey Douglas and his K-9 partner, German shepherd Simon Garfunkel, recently retired from the force. Plus, another K Team member, Laurie Collins, used to be a cop as well. Their first cold case hits home for the K Team. A decade ago, at Laurie's tenth high school reunion, two of their friends simply... vanished. At the time Laurie had just left the force, and Corey was in a different department, so they had no choice but to watch from the sidelines. With no leads, the case went cold. As the team starts to delve deeper into the events leading up to that night—reopening old wounds along the way—the pieces start to come together. But someone wants to stop them from uncovering the truth behind the disappearance, by any means necessary.

The Year I Got Everything I Ever Wanted - and ALS Harper Collins

From the star of the Netflix reality series *My Unorthodox Life*, a riveting, inspiring memoir of one woman's escape from an extremist religious sect and an extraordinary rise from housewife to shoe designer, to CEO and co-owner of the modeling agency Elite World Group "An irresistible read . . . Written with great intensity and rare candor, *Brazen* is a story of longing for more and manifesting that vision."—Tommy Hilfiger Ever since she was a child, every aspect of Julia Haart's life—what she wore, what she ate, what she thought—was controlled by the dictates of ultra-Orthodox Judaism. At nineteen, after a lifetime spent caring for her seven younger siblings, she was married off to a man she barely knew. For the next twenty-three years, her marriage would rule her life. Eventually, when Haart's younger daughter, Miriam, started to innocently question why she wasn't allowed to sing in public, run in shorts, or ride a bike without being covered from neck to knee, Haart reached a breaking point. She knew that if she didn't find a way to leave, her daughters would be forced into the same unending servitude that had imprisoned her. So Haart created a double life. In the ultra-Orthodox world, clothing has one purpose—to cover the body, head to toe—and giving any thought to one's appearance beyond that is considered sinful, an affront to God. But when no one was

looking, Haart would pore over fashion magazines and sketch designs for the clothes she dreamed about wearing in the world beyond her Orthodox suburb. She started preparing for her escape by educating herself and creating a "freedom" fund. At the age of forty-two, she finally mustered the courage to flee the fundamentalist life that was strangling her soul. Within a week of her escape, Haart founded a shoe brand, and within nine months, she was at Paris Fashion Week. Just a few years later, she was named creative director of La Perla. Soon she would become co-owner and CEO of Elite World Group, and one of the most powerful people in the fashion industry. Along the way, her four children—Batsheva, Shlomo, Miriam, and Aron—have not only accepted but embraced her transformation. Propulsive and unforgettable, Haart's story is the journey from a world of no to a world of yes, and an inspiration for women everywhere to find their freedom, their purpose, and their voice.

Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

For everyone who enjoyed the inspiration and wisdom of Morrie Schwartz in Mitch Albom's moving best-seller *Tuesdays with Morrie*, here is Morrie's own book, presenting the philosophies by which he triumphantly lived, even as he faced the end of his life. For decades Morrie engaged his Brandeis

University students in the importance of community and involvement in life. Ever the teacher, in his last year, as his battle with the fatal illness amyotrophic lateral sclerosis (ALS), or Lou Gehrig's Disease, gradually weakened him, he appeared on three memorable "Nightline" programs with Ted Koppel, simply titled "Morrie," and captivated millions of viewers across the country with his spirit and compassion. Before he died, Morrie finished the manuscript for this book, which was originally titled *Letting Go*. He saw it as his greatest teaching opportunity. Whether you or a loved one is healthy or ill, young or old, there is invaluable wisdom here that can enrich your life. From "handling frustration" and "reaching acceptance" to "relating to others" and "being kind to yourself," Morrie's life-affirming insights help you take stock of where you are now and where you may want to be. *Morrie: In His Own Words* will have a lasting impact on whoever reads it. It is Morrie's invaluable legacy to us all.

Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, the insights faded and the world seemed colder.

Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive the wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing his old mentor was dying, Mitch visited Morrie in his study. Their rekindled relationship turned into one final 'class': lessons in how to live.

#### A Lesson Before Dying HarperCollins

A little over a year ago, Darcy Wakefield was a single, 33-year-old, athletic, workaholic English professor, a vegetarian who had never had a serious health problem or injury. Then she was diagnosed with ALS, and her world turned upside down. *I Remember Running* is Darcy's story of change and loss and challenges during her first year with ALS, as she struggles to make sense of her diagnosis and redefine herself in the face of this terminal illness. With unflagging courage, wit, and eloquence, Darcy shares what she calls her "fast-forward" life, a life in which she applies for disability, leaves her job, and plans her own funeral as well as meets and moves in with her true love, buys a house, and gives birth to her first child in less time than it takes most of us to accomplish even one of these things. Beautifully written and wholly inspiring, *I Remember Running* proves that it is possible to live a rich, meaningful life after being diagnosed with a terminal illness. "Ed Husain has become one of the most vital Muslim voices in the world. The House of Islam could

very well be his magnum opus.” -Reza Aslan, #1 New York Times bestselling author of *Zealot* “This should be compulsory reading.” -Peter Frankopan, author of the international bestseller *The Silk Roads Today*, Islam is to many in the West an alien force, with Muslims held in suspicion. Failure to grasp the inner workings of religion and geopolitics has haunted American foreign policy for decades and has been decisive in the new administration's controversial orders. The intricacies and shadings must be understood by the West not only to build a stronger, more harmonious relationship between the two cultures, but also for greater accuracy in predictions as to how current crises, such as the growth of ISIS, will develop and from where the next might emerge. *The House of Islam* addresses key questions and points of disconnection. What are the roots of the conflict between Sunni and Shi'a Muslims that is engulfing Pakistan and the Middle East? Does the Koran encourage the killing of infidels? The book thoughtfully explores the events and issues that have come from and contributed to the broadening gulf between Islam and the West, from the United States' overthrow of Iran's first democratically elected leader to the emergence of ISIS, from the declaration of a fatwa on Salman Rushdie to the attack on the offices of Charlie Hebdo. Authoritative and engaging, Ed Husain leads us clearly and carefully through the nuances of Islam and its people, taking us back to basics to contend that the Muslim world need not be a stranger to the West, nor our enemy, but our peaceable allies.

What if our beliefs were not what divided us, but what pulled us together In *Have a Little Faith*, Mitch Albom offers a beautifully written story of a remarkable eight-year journey between two worlds--two men, two faiths, two communities--that will inspire readers everywhere. Albom's first nonfiction book since *Tuesdays with Morrie*, *Have a Little Faith* begins with an unusual request: an eighty-two-year-old rabbi from Albom's old hometown asks him to deliver his eulogy. Feeling unworthy, Albom insists on understanding the man better, which throws him back into a world of faith he'd left years ago. Meanwhile, closer to his current home, Albom becomes involved with a Detroit pastor--a reformed drug dealer and convict--who preaches to the poor and homeless in a decaying church with a hole in its roof. Moving between their worlds, Christian and Jewish, African-American and white, impoverished and well-to-do, Albom observes how these very different men employ faith similarly in fighting for survival: the older, suburban rabbi embracing it as death approaches; the younger, inner-city pastor relying on it to keep himself and his church afloat. As America struggles with hard times and people turn more to their beliefs, Albom and the two men of God explore issues that perplex modern man: how to endure when difficult things happen; what heaven is; intermarriage; forgiveness; doubting God; and the importance of faith in trying times. Although the texts, prayers, and histories are different, Albom begins to recognize a striking unity between the two worlds--and indeed, between beliefs everywhere. In the end, as the rabbi nears death and a harsh winter threatens the pastor's wobbly church, Albom sadly fulfills the rabbi's last request and writes the eulogy. And he finally understands what both men had been teaching all along: the profound comfort of believing in something bigger than yourself. *Have a Little Faith* is a book about a life's purpose; about losing belief and finding it again; about the divine spark inside us all. It is one man's journey, but it is everyone's story. Ten percent of the profits from this book will go to charity, including *The Hole In The Roof Foundation*, which helps refurbish places of worship that aid the

homeless.

#1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE FINALIST • This inspiring, exquisitely observed memoir finds hope and beauty in the face of insurmountable odds as an idealistic young neurosurgeon attempts to answer the question What makes a life worth living? NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • People • NPR • The Washington Post • Slate • Harper's Bazaar • Time Out New York • Publishers Weekly • BookPage Finalist for the PEN Center USA Literary Award in Creative Nonfiction and the Books for a Better Life Award in Inspirational Memoir At the age of thirty-six, on the verge of completing a decade's worth of training as a neurosurgeon, Paul Kalanithi was diagnosed with stage IV lung cancer. One day he was a doctor treating the dying, and the next he was a patient struggling to live. And just like that, the future he and his wife had imagined evaporated. When *Breath Becomes Air* chronicles Kalanithi's transformation from a naïve medical student “possessed,” as he wrote, “by the question of what, given that all organisms die, makes a virtuous and meaningful life” into a neurosurgeon at Stanford working in the brain, the most critical place for human identity, and finally into a patient and new father confronting his own mortality. What makes life worth living in the face of death? What do you do when the future, no longer a ladder toward your goals in life, flattens out into a perpetual present? What does it mean to have a child, to nurture a new life as another fades away? These are some of the questions Kalanithi wrestles with in this profoundly moving, exquisitely observed memoir. Paul Kalanithi died in March 2015, while working on this book, yet his words live on as a guide and a gift to us all. “I began to realize that coming face to face with my own mortality, in a sense, had changed nothing and everything,” he wrote. “Seven words from Samuel Beckett began to repeat in my head: ‘I can't go on. I'll go on.’” When *Breath Becomes Air* is an unforgettable, life-affirming reflection on the challenge of facing death and on the relationship between doctor and patient, from a brilliant writer who became both.
