The Bible frequently speaks of Satan and demons, and there is no mistaking the teaching of Scripture on this one point: as there is a kingdom of God, so too is there a kingdom of Satan. And the two are embroiled in open conflict. Yet many Christians today are unaware of this battle and are woefully ill equipped to engage in the work of spiritual warfare. Or they believe Satan and the demonic are part of a worldview that has long since lost its usefulness and cogency. This is the 21st century, for heaven's sake. Sam Storms believes we cannot so easily dispense with the multitude of biblical assertions concerning the reality of Satan and his demonic hordes. The truth is that believers in Jesus are likely to encounter on a daily basis men and women of all ages who are sorely oppressed, tormented, and tempted by demonic powers. How do we respond to these people? Is there help we can offer them? The good news is that Jesus offers deliverance and freedom from the influence of the enemy, and the resultant joy, peace, and spiritual flourishing

that comes through the victory of Jesus dying and rising again. Understanding Spiritual Warfare explains the biblical teaching on spiritual warfare and also shares numerous personal accounts of personal victories over the demonic, together with practical guidance on how you, too, can extinguish the "flaming darts" (Eph. 6:16) of the "cosmic powers" and "spiritual forces of evil" (Eph. 6:12) that so often bombard your life. Scattered throughout the pages of this book are real-life testimonies of men and women who have experienced deliverance from demonic oppression and now walk in the joy and freedom of inner spiritual healing, and in the case of some, physical healing as well. Understanding Spiritual Warfare is useful as a reference to address common questions about spiritual warfare, but it also serves as a training manual for a ministry of deliverance and inner healing. It is perfect for any individual or group who wants to grow in their understanding of spiritual warfare today.

Are you aware of the spiritual battle being waged around you today? The truth is that although spiritual warfare is a major theme in the Bible, many of us gloss over it--or ignore it completely. But 80 percent of the synoptic gospels addresses the battle with evil spirits, and Jesus and His disciples set a clear example for believers. We cannot afford to practice a powerless Christianity in a fallen world. In this essential, accessible resource, former evangelical seminary professor and

missionary Charles Kraft helps you find your footing in the spiritual battle. Based on a solid biblical foundation and on decades of ministry experience, this book will help you: · Differentiate between myths and truths about spiritual warfare · Recognize the everyday battles taking place around you · Learn what demons really are and what they actually do · Understand the rules for engaging the enemy · Achieve victory in daily battles with the help of the Holy Spirit Don't let fear keep you from engaging the spiritual forces at work around you. Some problems can't be overcome in any other way. "This book is a must-read for anyone looking to engage in spiritual warfare." --Larry Richards, author of *The Full Armor of God* "Dr. Kraft has removed the veil of mystery that has surrounded deliverance ministry for far too long. With truth and honesty, he has opened the door to the evangelical community and given us the tools to set the captives free."--Tim Howard, president and founder, Wellsprings of Freedom International "For more than thirty years now, Dr. Charles Kraft has been studying and writing about spiritual warfare. In this latest book, Dr. Kraft summarizes his findings and shares from his years of experience his approach to inner healing and deliverance ministries. This book needs to be read by every student studying spiritual formation, by every missiologist engaged in missionary activities and by every pastor and church worker committed to making healthy disciples of the Lord Jesus Christ."--Douglas Hayward, department chair, Graduate Intercultural Studies, Cook School of Intercultural Studies, Biola University

"Personally awakened to the spiritual nature of our Christian faith, Charles Kraft calls us to wake up as well. This book is a must-read for any who seek to understand God's work in the world today from the vantage point of an evangelical who daily engages in spiritual warfare."--Scott Moreau, professor of intercultural studies, Wheaton College Graduate School "Most Christians are blind to the spiritual realities around us. This book pulls back the veil into the unseen world, where there is a battle. This book will quickly become a classic. Charles is steeped in wisdom in the area of spiritual warfare and has dedicated his life to bringing restoration to the church."--Judith MacNutt, M.A., president and co-founder, Christian Healing Ministries "Charles Kraft has taken a topic that is still controversial among some in the body of Christ--spiritual warfare--and boiled it down to something we can all agree on: There is an enemy countering expressions of God's love in the lives of believers and lost souls alike that we must combat."--Jennifer LeClaire, senior editor at Charisma magazine and director of Awakening House of Prayer in Fort Lauderdale "Again, Chuck Kraft has reminded us that 'we are at war with a cruel enemy.' This guide to the warfare reflects Dr. Kraft's passion for God's people to experience the full measure of the Father's love. His writing is grace-filled, balanced, thoughtful and practical."--John Shultz, Ph.D., president, Ashland Theological Seminary

Demons wage war against families because families are vital to God's plan of salvation. This stark reality requires that your family members become well-trained spiritual warriors who actively secure your home and fight to keep it off-limits to demonic activity. In *A Family Guide to Spiritual Warfare*, Kathleen Beckman offers you potent advice from her 12 years of active participation on an exorcist's team. She shows you how to "clean up" your household by cultivating in your family a civilization of love — and how to withstand the spiritual attacks that inevitably come to destroy the harmonious family life you create. Beckman reveals how you can recognize diabolical disguises in your home and offers proven means of protection found only in the Church's arsenal of spiritual weapons. You'll also learn the devil's strategies — how he does not necessarily seek to possess but simply to seed your family with the venom of hatred, desolation, envy, and vice. This, she explains, is why it's so important for spouses and children to become schooled in the art of spiritual combat. It's the only way you can destroy the works of the devil and unmask the hidden evil that weaves in and out of your daily family life. Along with more than two dozen effective prayers for family healing and deliverance, you'll also learn: How to understand the spirits working for — and against — your family, and what to do in response to them What specific actions to take if you believe your family has come under the influence of demonic activity How to use your baptismal, spousal, and parental authority in spiritual warfare How curses can become effective — and what can be done to counteract them The difference between diabolical temptation, oppression, obsession, and possession The seven ways your family can wear the full armor of God The diabolical counterparts to each of the Ten Commandments and the Beatitudes The 13 weapons you can use to defend yourself and your family against evil spirits

Obstacles to Deliverance Thomas Williams

In presenting this book, which is a true story, I relate a dramatic chain of events featuring dynamic miracles. During a time frame of just over half a year, pertinent scriptures were quickened to me at a time of impending bankruptcy, after trials of childhood trauma, coping pshyologically with a twenty year old incurable wound, and the need for deliverance from evil spirits. The first chapter of this testimony presents the mystery that the names of books, and the numbers of chapter and verse of scriptures spontaneously came to mind twice in relatively quick succession when I travailed before God to get a word. I rejected the first word because it baffled me and seemed irrelevant; therefore I tried again, only to receive a different text with exactly the same meaning, which, I believe, defied co-incidence:and whoever will not receive you, nor heed your words, when you depart from that house or city, shake off the dust from your feet. Matthew 10:14 (italics mine) similar text from Luke 9:5 After recording the events of this book, I dwelt on amplifying the personification of the word city in an unrelated scripture:and you shall be called Sought Out, A City Not Forsaken, Isaiah 62:12 A mystery is thus unfolded to those of my readers, who will embrace this testimony of victory in the spirit and echo the words which are the theme of this book, the song of praise and thanksgiving that Moses sang when God brought the Israelites safely through the Red Sea: Sing unto the Lord For He has triumphed gloriously The horse and his rider Hath He thrown into the sea Exodus 15:1

Why does deliverance sometimes fail? This is, in essence, the same question raised by Jesus' first disciples. When these disciples were unable to cast out a spirit of epilepsy, they were puzzled and asked Jesus the reason for their failure. Jesus gave a multi-part answer which leads us to take into account the petitioner's faith, the deliverance minister's capability, the spiritual qualifications that must be met, the strength of the spirit confronted and the strategy of warfare employed. In

particular, there are myths, misunderstandings and misinformation concerning the ministry of deliverance. The first battleground is in the minds of men, where Satan has sown questions, doubts and fears that become hindrances to involvement in this valid, biblical ministry. Those who want an answer should be given an answer. Ignorance, prejudice and fear are hurdles that some sincere Christi ans must get over before they are willing to become involved in spiritual warfare. Before one can bring himself to obedience to deal with the devil and demons, certain obstacles must be overcome in one's mind.

This book was birthed from the author's encounter with a student while lecturing on Spiritual Warfare at Bible School in Japan. The student was a Buddhist and had never been to church, she had never read the Bible or any book about God. During this encounter, the author explained to the student that if she was to know anything about God or to decide if God is better than Buddha, she would need to read the Bible to know who God is. The student agreed to this line of reasoning and promised to read the Bible. As a result of this encounter along with other reasons, the Holy Spirit impressed upon the author to put together a Deliverance Workbook to help create an awareness and enlighten the upcoming generation on the important subject matter of deliverance. The book explains all the major aspects of deliverance and is strongly recommended to all Churches, Ministries, Ministers of God, Prayer Band/Intercessory Groups, Prayer Ministries, Bible Schools, Seminaries, and all other Christian organizations worldwide. The book address such topics as: "What is Deliverance?", "Satanic Kingdoms", "Can A Christian Have Demons?", "Satanic Initiations", and much more. To reject the teachings on deliverance is sheer ignorance. It is time to rise up and build a militant army, to join hands with Jesus Christ in destroying the works of Satan (1 John 3: 8).

"Spiritual Warfare, " the sequel to Stella Davis's first book, "Giving God the Praise, " provides teachings on spiritual warfare for both priests and laity through the recounting of Davis's own experiences in ministry and those of her team. As a veteran missionary herself, Davis believed that various texts she had read available to the public and to priests did not treat spiritual warfare in the depth required, especially at a time when evil has so increased, and the need to know how to combat it is so great. Extraordinary supernatural phenomena have become more common in our day and cannot escape our attention. Even those who consider themselves "enlightened," who maintain that the power of nature is unlimited, are put on their mettle by the undeniable facts of the preternatural. Intrigues of Satan are as active today as they were when God first called Davis to ministry. Hence, "Spiritual Warfare" attempts to address the need to deal with these occurrences, offering a call to repentance, healing, deliverance, and action.
