*Citadel (Languedoc, #3) by Kate Mosse* Citadel Languedoc 3 Kate Mosse 3.5 stars to Citadel, the third book in the Languedoc trilogy, written by Kate Mosse in 2011. I read the first two books in the

series many years ago and loved them both. I hadn't been aware of this one until three years ago when I found a copy at a discount sale. Citadel (Languedoc, #3) by Kate Mosse The third installment of Mosse's popular Languedoc trilogy takes place in WWII-era Carcassonne, in the south of France. The action revolves around a group of women who make it their mission to obstruct the Nazi occupiers and smuggle refugees across the

Pyrenees into Spain. Citadel: A Novel (Languedoc Trilogy Book 3) - Kindle ...Kate Mosse works hard to please her fans but I think "Citadel" is an example of an author trying to do too much. It is part historical novel, love story, and tale of the supernatural; a little too ambitious in scope. Had she concentrated on the main theme of the role of women in the French Resistance, she could have scored big.
