LESTER LEWIS

Maniac Magee (Newbery Medal Winner) Prentice Hall Professional

Get more out of your legacy systems: more performance, functionality, reliability, and manageability Is your code easy to change? Can you get nearly instantaneous feedback when you do change it? Do you understand it? If the answer to any of these questions is no, you have legacy code, and it is draining time and money away from your development efforts. In this book, Michael Feathers offers start-to-finish strategies for working more effectively with large, untested legacy code bases. This book draws on material Michael created for his renowned Object Mentor seminars: techniques Michael has used in mentoring to help hundreds of developers, technical managers, and testers bring their legacy systems under control. The topics covered include Understanding the mechanics of software change: adding features, fixing bugs, improving design, optimizing performance Getting legacy code into a test harness Writing tests that protect you against introducing new problems Techniques that can be used with any language or platform—with examples in Java, C++, C, and C# Accurately identifying where code changes need to be made Coping with legacy systems that aren't object-oriented Handling applications that don't seem to have any structure This book also includes a catalog of twenty-four dependency-breaking techniques that help you work with program elements in isolation and make safer changes.

[The Believing Brain](#) Knopf

"A heart-healing, mocs-on-the-ground story of music, family and friendship." -- Cynthia Leitich Smith, author of Tantalize and Rain is Not My Indian Name. Lewis "Shoe" Blake is used to the joys and difficulties of life on the Tuscarora Indian reservation in 1975: the joking, the Fireball games, the snow blowing through his roof. What he's not used to is white kids being nice to him -- kids like George Haddonfield, whose family recently moved to town with the Air Force. As the boys connect through their mutual passion for music, especially the Beatles, Lewis has to lie more and more to hide the reality of his family's poverty from George. He also has to deal with the vicious Evan Reiningger, who makes Lewis the special target of his wrath. But when everyone else is on Evan's side, how can he be defeated? And if George finds out the truth about Lewis's home -- will he still be his friend? Acclaimed adult author Eric Gansworth makes his YA debut with this wry and powerful novel about friendship, memory, and the joy of rock 'n' roll.

Men Are Like Waffles--Women Are Like Spaghetti Villard

"will give toddlers a happy Halloween" - The Sunday Times This eye-poppingly colourful, hilarious book is an instant winner with children and adults alike. Starring an adorably grumpy bat and animal friends, I Am Bat is perfect for fans of Superbat and Oi Frog! Bat's cherries keep going missing. One by one, they are whisked away by mischievous animal tricksters behind Bat's back. Super-talent Morag Hood cleverly draws the reader into this interactive story: as Bat attempts to track down the guilty cherry thief everyone's a suspect - including you! From the illustrator of Sophie Johnson: Unicorn Expert and creator of The Steves, Aalfred and Aalbert and Colin and Lee, Carrot and Pea.

[Tales of a Female Nomad](#) without the hot air

Move over Miss Lonelyhearts . . . Steven R. Schirripa, author of the runaway bestseller A Goomba's Guide to Life, is back with more life lessons from the neighborhood. Recalling stories of his own colorful journey from the streets of Bensonhurst to the bright lights of Las Vegas and stardom as Bobby "Bacala" Baccalieri in the HBO hit series The Sopranos, Schirripa observes the finer points of amore in all its forms—love for his mother and her Sunday sauce, his wife and kids, his friends, his goomar on the side, even for his car (and he better not catch you eating in it, if you know what's good for you). Alternately touching, telling, and laugh-out-loud funny, The Goomba's Book of Love proves that no one loves as fiercely (or as frequently) as a goomba.

[The Best We Could Do](#) One World

In this Bank Street College of Education Best Children's Book of the Year, Paula Young Shelton, daughter of Civil Rights activist Andrew Young, brings a child's unique perspective to an important chapter in America's history. Paula grew up in the deep south, in a world where whites had and blacks did not. With an activist father and a community of leaders surrounding her, including Uncle Martin (Martin Luther King), Paula watched and listened to the struggles, eventually joining with her family—and thousands of others—in the historic march from Selma to Montgomery. Poignant, moving, and hopeful, this is an intimate look at the birth of the Civil Rights Movement.

He lives with his family in Massachusetts, USA. www.wimpykidclub.co.uk

I Am Bat Lerner Publishing Group

This title shows the process of cleaning code. Rather than just illustrating the end result, or just the starting and ending state, the author shows how several dozen seemingly small code changes can positively impact the performance and maintainability of an application code base.

[The Godfather: The Corleone Family Cookbook](#) Vintage

A quarter of carbon emissions is from food. This accessible, quantitative description of how food and climate change are connected, inspired by the author's former mentor David Mackay (Sustainable Energy without the Hot Air), steers clear of emotive words to focus on facts.

[Taste Barefoot Books](#)

A beautiful new edition of one of the most beloved cookbooks of all time, from "the Queen of Italian Cooking" (Chicago Tribune). A timeless collection of classic Italian recipes—from Basil Bruschetta to the only tomato sauce you'll ever need (the secret ingredient: butter)—beautifully illustrated and featuring new forewords by Lidia Bastianich and Victor Hazan "If this were the only cookbook you owned, neither you nor those you cooked for would ever get bored." —Nigella Lawson Marcella Hazan introduced Americans to a whole new world of Italian food. In this, her magnum opus, she gives us a manual for cooks of every level of expertise—from beginners to accomplished professionals. In these pages, home cooks will discover: • Minestrone alla Romagnola • Tortelli Stuffed with Parsley and Ricotta • Risotto with Clams • Squid and

Potatoes, Genoa Style • Chicken Cacciatora • Ossobuco in Bianco • Meatballs and Tomatoes • Artichoke Torta • Crisp-Fried Zucchini blossoms • Sunchoke and Spinach Salad • Chestnuts Boiled in Red Wine, Romagna Style • Polenta Shortcake with Raisins, Dried Figs, and Pine Nuts • Zabaglione • And much more This is the go-to Italian cookbook for students, newlyweds, and master chefs, alike. Beautifully illustrated with line drawings throughout, *Essentials of Classic Italian Cooking* brings together nearly five hundred of the most delicious recipes from the Italian repertoire in one indispensable volume. As the generations of readers who have turned to it over the years know (and as their spattered and worn copies can attest), there is no more passionate and inspiring guide to the cuisine of Italy.

[The Road](#) New York ; Toronto : Scholastic Book Services

A Newbery Medal winning modern classic about a racially divided small town and a boy who runs. Jeffrey Lionel "Maniac" Magee might have lived a normal life if a freak accident hadn't made him an orphan. After living with his unhappy and uptight aunt and uncle for eight years, he decides to run--and not just run away, but run. This is where the myth of Maniac Magee begins, as he changes the lives of a racially divided small town with his amazing and legendary feats.

[Clean Code](#) Cardinal Rule Press

"Talk to the hand, 'cause the face ain't listening," the saying goes. When did the world stop wanting to hear? When did society become so thoughtless? It's a topic that has been simmering for years, and Lynne Truss says it's now reached the boiling point. Taking on the boorish behavior that for some has become a point of pride, *Talk to the Hand* is a rallying cry for courtesy. Like *Eats, Shoots & Leaves*, *Talk to the Hand* is not a stuffy guidebook, and is sure to inspire spirited conversation. Why hasn't your nephew ever thanked you for your carefully selected gift? What makes your contractor think it's fine to snub you in the midst of a major renovation? Why do crowds spawn selfishness? What accounts for the appalling treatment you receive in stores (if you're lucky enough to get a clerk's attention at all)? Most important, what will it take to roll back a culture that applauds those who are disrespectful? In a recent U.S. survey, 79 percent of adults said that lack of courtesy was a serious problem. For anyone who's fed up with the brutality inflicted by modern manners (or lack thereof), *Talk to the Hand* is a colorful call to arms—from the wittiest defender of the civilized world.

Leroy Ninker Saddles Up Simon and Schuster

SUMMARY: Minnie, the monkey, hasn't any time to play because she is eating more and more spaghetti.

[The Other Wes Moore](#) Turtleback

A raw and powerful memoir of Jaycee Lee Dugard's own story of being kidnapped as an 11-year-old and held captive for over 18 years On 10 June 1991, eleven-year-old Jaycee Dugard was abducted from a school bus stop within sight of her home in Tahoe, California. It was the last her family and friends saw of her for over eighteen years. On 26 August 2009, Dugard, her daughters, and Phillip Craig Garrido appeared in the office of her kidnapper's parole officer in California. Their unusual behaviour sparked an investigation that led to the positive identification of Jaycee Lee Dugard, living in a tent behind Garrido's home. During her time in captivity, at the age of fourteen and seventeen, she gave birth to two daughters, both fathered by Garrido. Dugard's memoir is written by the 30-year-old herself and covers the

period from the time of her abduction in 1991 up until the present. In her stark, utterly honest and unflinching narrative, Jaycee opens up about what she experienced, including how she feels now, a year after being found. Garrido and his wife Nancy have since pleaded guilty to their crimes.

The Ugly Truth Sterling Publishing Company, Inc.

Yippie-i-oh! Saddle up for the first in a spin-off series starring favorite characters from Kate DiCamillo's New York Times best-selling *Mercy Watson* books. Leroy Ninker has a hat, a lasso, and boots. What he doesn't have is a horse – until he meets Maybelline, that is, and then it's love at first sight. Maybelline loves spaghetti and sweet nothings, and she loves Leroy, too. But when Leroy forgets the third and final rule of caring for Maybelline, disaster ensues. Can Leroy wrestle fate to the ground, rescue the horse of his heart, and lasso loneliness for good? Join Leroy, Maybelline, and a cast of familiar characters – Stella, Frank, Mrs. Watson, and everyone's favorite porcine wonder, Mercy – for some hilarious and heartfelt horsing around on Deckawoo Drive.

Female Nomad and Friends Andrews McMeel Publishing

NEW YORK TIMES BESTSELLER • From the governor-elect of Maryland, the “compassionate” (People), “startling” (Baltimore Sun), “moving” (Chicago Tribune) true story of two kids with the same name from the city: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. Selected by Stephen Curry as his “Underrated” Book Club Pick with Literati The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn't shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they'd hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world.

The Gospel of the Flying Spaghetti Monster Perfection Learning

"Like A Wrinkle in Time (Miranda's favorite book), *When You Reach Me* far surpasses the usual whodunit or sci-fi adventure to become an incandescent exploration of 'life, death, and the beauty of it all.'" —The Washington Post This Newbery Medal

winner that has been called "smart and mesmerizing," (The New York Times) and "superb" (The Wall Street Journal) will appeal to readers of all types, especially those who are looking for a thought-provoking mystery with a mind-blowing twist. Shortly after a fall-out with her best friend, sixth grader Miranda starts receiving mysterious notes, and she doesn't know what to do. The notes tell her that she must write a letter—a true story, and that she can't share her mission with anyone. It would be easy to ignore the strange messages, except that whoever is leaving them has an uncanny ability to predict the future. If that is the case, then Miranda has a big problem—because the notes tell her that someone is going to die, and she might be too late to stop it. Winner of the Boston Globe-Horn Book Award for Fiction A New York Times Bestseller and Notable Book Five Starred Reviews A Junior Library Guild Selection "Absorbing." —People "Readers ... are likely to find themselves chewing over the details of this superb and intricate tale long afterward." —The Wall Street Journal "Lovely and almost impossibly clever." —The Philadelphia Inquirer "It's easy to imagine readers studying Miranda's story as many times as she's read L'Engle's, and spending hours pondering the provocative questions it raises." —Publishers Weekly, Starred review

Food and Climate Change Without the Hot Air Penguin

"This is that rare audiobook that truly makes the print version come alive. The sound effects alone are priceless, with homage to Grammy Award-winner Bobby McFerrin. If you've ever wondered what punctuation marks sound like, Beach provides hilarious voices and sound effects for each one. A masterful, creative, amusing, must-have production that simplifies the rules of punctuation." -School Library Journal

The New Vegetable & Herb Expert Pan Macmillan

Can I get a “ramen” from the congregation?! Behold the Church of the Flying Spaghetti Monster (FSM), today's fastest growing carbohydrate-based religion. According to church founder Bobby Henderson, the universe and all life within it were created by a mystical and divine being: the Flying Spaghetti Monster. What drives the FSM's devout followers, a.k.a. Pastafarians? Some say it's the assuring touch from the FSM's “noodly appendage.” Then there are those who love the worship service, which is conducted in pirate talk and attended by congregants in dashing buccaneer garb. Still others are drawn to the Church's flimsy moral standards, religious holidays every Friday, or the fact that Pastafarian heaven is way cooler: Does your heaven have a Stripper Factory and a Beer Volcano? Intelligent Design has finally met its match—and it has nothing to do with apes or the Olive Garden of Eden. Within these pages, Bobby Henderson outlines the true facts– dispelling such malicious myths as evolution (“only a theory”), science (“only a lot of theories”), and whether we're really descended from apes (fact: Humans share 95 percent of their DNA with chimpanzees, but they share 99.9 percent with pirates!) See what impressively credentialed top scientists have to say: “If Intelligent Design is taught in schools, equal time should be given to the FSM theory and the non-FSM theory.” –Professor Douglas Shaw, Ph.D. “Do not be hypocritical. Allow equal time for other alternative ‘theories’ like FSMism, which is by far the tastier choice.” –J. Simon, Ph.D. “In my scientific opinion, when comparing the two theories, FSM theory seems to be more valid than classic ID theory.” –Afshin Beheshti, Ph.D. Read the book and decide for yourself!
