A powerfully moving novel from a three-time Newbery Honor-winning author Evie Thomas is not who she used to be. Once she had a best friend, a happy home and a loving grandmother living nearby. Once her name was Toswiah. Now, everything is different. Her family has been forced to move to a new place and change their identities. But that's not all that has changed. Her once lively father has become depressed and quiet. Her mother leaves teaching behind and clings to a new-found religion. Her only sister is making secret plans to leave. And Evie, struggling to find her way in a new city

where kids aren't friendly and the terrain is as unfamiliar as her name, wonders who she is. Jacqueline Woodson weaves a fascinating portrait of a thoughtful young girl's coming of age in a world turned upside down A National Book Award Finalist

Essentially a complete teacher's manual for the book, this LitPlan Teacher Pack includes lesson plans and reproducible resource materials for the book *Fahrenheit 451* by Ray Bradbury. It includes: 18 Daily Lessons Short answer study questions Multiple choice quiz questions Vocabulary worksheets for each reading assignment 3 detailed writing assignments Individual and group activities Critical thinking discussion questions 5 unit tests (2 short answer, 2 multiple choice, 1 advanced) Evaluation forms Review puzzles & games Bulletin board ideas Reproducible student materials And more! A Note About A Few Of The Many Different Assignments Included: The unit project is for students to make a presentation describing what they think the world will be like 50 years from now. There is also a daily lesson devoted to exploring the idea of censorship. There are three writing assignments in this unit, each with the purpose of informing,

persuading, or expressing personal opinions. The detailed writing assignment sheets guide students through the assignments. The first assignment is to inform: students create a fire escape plan for their homes. The second assignment is to express personal opinions: students tell what they think the future will be like (as a preparation for the group activity). The third assignment is to persuade: students persuade the teacher that today is better than 50 years from now will be or vice versa. These materials are geared for whole class use but are very easily adapted for independent study work, lit circles or book groups, home school use, or tutoring. If you have never taught this book before, this manual will give you a great foundation of materials on a variety of levels. If you have taught this book before, you might like to know that many veteran teachers have told us they have found our LitPlan Teacher Pack manuals to be much more thorough and more helpful than other materials they have used. All publications are copyrighted materials, with permission to print student materials as needed for ONE teacher's classroom use only, unless otherwise specifically

stated. Documents may not be reproduced, displayed, or distributed in any other way without written permission from Teacher's Pet Publications, Inc.

"A teen thriller in the vein of the '90s horror movie *The Craft* . . . A beautiful meditation on meditation . . . Frequently hilarious, and thoughtful throughout."
—The New York Times Book Review "The *Lightness* could be the love child of Donna Tartt and Tana French, but its savage, glittering magic is all Emily Temple's own."
—Chloe Benjamin, New York Times bestselling author of *The Immortalists* A Belletrist Book Club Pick! A Most Anticipated Novel by Entertainment Weekly • USA Today • Marie Claire • Elle • WSJ. Magazine • Glamour • Vulture • Bustle • BuzzFeed • The Millions • The Philadelphia Inquirer • Minneapolis Star Tribune • The Daily Beast • Refinery 29 • Publishers Weekly • Literary Hub • Electric Literature • and more! A stylish, stunningly precise, and suspenseful meditation on adolescent desire, female friendship, and the female body that shimmers with rage, wit, and fierce longing—an audacious, darkly observant,

and mordantly funny literary debut for fans of Emma Cline, Ottessa Moshfegh, and Jenny Offill. One year ago, the person Olivia adores most in the world, her father, left home for a meditation retreat in the mountains and never returned. Yearning to make sense of his shocking departure and to escape her overbearing mother—a woman as grounded as her father is mercurial—Olivia runs away from home and retraces his path to a place known as the Levitation Center. Once there, she enrolls in their summer program for troubled teens, which Olivia refers to as “Buddhist Boot Camp for Bad Girls”. Soon, she finds herself drawn into the company of a close-knit trio of girls determined to transcend their circumstances, by any means necessary. Led by the elusive and beautiful Serena, and her aloof, secretive acolytes, Janet and Laurel, the girls decide this is the summer they will finally achieve enlightenment—and learn to levitate, to defy the weight of their bodies, to experience ultimate lightness. But as desire and danger intertwine, and Olivia comes ever closer to discovering what a body—and a girl—is capable of, it becomes increasingly clear that this is an

advanced and perilous practice, and there’s a chance not all of them will survive. Set over the course of one fateful summer that unfolds like a fever dream, *The Lightness* juxtaposes fairy tales with quantum physics, cognitive science with religious fervor, and the passions and obsessions of youth with all of these, to explore concepts as complex as faith and as simple as loving people—even though you don’t, and can’t, know them at all. “A suspenseful debut.” –People Pick *Quick review study notes for students* Harvard University Press Easy to use in the classroom or as a tool for revision, the Oxford Literature Companions provide student-friendly analysis of a range of popular set texts. A controversial tale of friendship and tragedy during the Great Depression They are an unlikely pair: George is "small and quick and dark of face"; Lennie, a man of tremendous size, has the mind of a young child. Yet they have formed a "family," clinging together in the face of loneliness and alienation. Laborers in California's dusty vegetable fields, they hustle work when they can, living a hand-to-mouth existence. For George and Lennie have a

plan: to own an acre of land and a shack they can call their own. When they land jobs on a ranch in the Salinas Valley, the fulfillment of their dream seems to be within their grasp. But even George cannot guard Lennie from the provocations of a flirtatious woman, nor predict the consequences of Lennie's unswerving obedience to the things George taught him. "A thriller, a gripping tale . . . that you will not set down until it is finished.

Steinbeck has touched the quick." —The New York Times
