Objective Key Teacher's Book with Teacher's Resources Audio CD/CD-ROM Atlantic Publishers & Dist

The classic Wiley CPA Examination review Published annually, in December, this comprehensive four-volume study guide for the Certified Public Accountant's (CPA) Exam arms readers with detailed outlines and study guidelines, plus skill-building problems and solutions, that help them to identify, focus on, and master the specific topics that need the most work. Many of the practice questions are taken from previous exams, and care was taken to ensure that they cover all the information candidates need to master in order to pass the Uniform CPA Examination. Featuring a unique modular structure, these CPA study guides review materials and combine over 230 AICPA content specifications into a series of forty-four related modules. By combining and relating topics, the books help build knowledge in a logical, self-reinforcing way, so as to foster a level of

understanding beyond that achieved through rote memorization.

Objective NCERT Based Chapterwise Topicwise Solutions For 11th And 12th Class with Solved Papers (2005 -2023) with Notes for NEET-AIIMS Exam 2024 - Chemistry Taylor & Francis

This book takes a learner-oriented approach as it strives to make complex material understandable and usable. By understanding the underlying principles of measurement and evaluation, readers will then be able to apply those principles and concepts in a variety of physical activity and health-related settings. Practical exercises and applications demonstrate the usefulness of measurement and evaluation, reinforce key points, and make readers active participants in their own education. The book is divided into three parts. Part One introduces the measurement process, showing readers the relevance of measurement and evaluation to their personal and professional lives, and including examples and statistics related to such concepts as validity, reliability, and objectivity. The two chapters in Part Two further help readers understand numbers and assist those who need to use more advanced statistical calculations. Part Three presents measurement and evaluation applications in various settings, such as measuring physical fitness; measuring exercise, physical activity, and health; measuring in competitive sports and coaching; measuring and evaluating knowledge and assigning grades; and measuring in research. Throughout, discussions and examples show the relevance and application of measurement and evaluation in various professions, including physical therapy, athletic training, fitness/wellness management, exercise

and sport psychology, exercise science, coaching, and physical education.

To pass the CPA Exam, learning everything is only half the battle. The other half is getting psyched. With an 85% failure rate for many first-time takers, the CPA exam is the biggest hurdle an accounting student faces before embarking on a professional career. A grueling, two-day ordeal, the CPA exam is an accounting triathlon--not only testing every detail and aspect of accounting methodology and law, but also the test taker's stamina and psychological preparedness. For test takers fully intent on passing the first time out, You Can Pass the CPA Exam: Get Motivated is the ultimate exam coach. It helps you customize your own study plan, with detailed tips on cracking all sorts of questions, and, unlike other exam prep guides, gets you acquainted with the actual exam experience via a supplemental CD. By exam day, you'll be thoroughly practiced and mentally prepared for every question type--so you can actually make an educated guess for even an impossible-to-figure multiple choice question and confidently attack a tough essay question--and ultimately, control the outcome of the exam. Here's what your CPA exam coaching regimen includes: \* A 60-minute audio CD of the author walking you through the exam, the test-taking environment--with advice on how to stay on top of it \* Practice questions from previous CPA exams \* How to divide the wealth of study material into manageable, bite-sized chunks \* Strategies for staying motivated and focused throughout your preparation period--and during the exam itself Fully compatible with other Wiley CPA exam study products, You Can Pass is a useful addition to any existing study program. With its detailed exam-taking strategies, question-cracking tips, methodical practice regimen, and confidence-building techniques, You Can Pass the CPA Exam is the ultimate preparation guide to help you psych yourself up--and succeed--on the first try.
