"Open wide! Dentists care for people's teeth. Give readers the inside scoop on what it's like to be a dentist. Readers will learn what dentists do, the tools they use, and how people get this exciting job"--

Just Watch Me Manchester University Press

Reality and fantasy collide with shocking results in this riveting account of the notorious case of Mark Twitchell - and the police investigation into one of the most bizarre murders in recent memory. In October 2008, Johnny Altinger, a 38-year-old Edmonton man, was on his way to a tryst with a woman he had met on an online dating website when he emailed the directions to their rendezvous to a concerned friend. He was never seen again. Two weeks before Altinger's disappearance, independent filmmaker Mark Twitchell began shooting a low-budget horror film about a serial killer who impersonates a woman on an online dating website to lure his victims to their gruesome deaths. But these are just the starting points of the stranger-than-fiction case of Mark Twitchell, a man with a startling plan to turn his life-long love of fantasy and desire for fame into reality: - Did Twitchell, in a horrific example of life imitating art, act out the grisly premise of his own script? - Obsessed with Dexter, the popular TV show and book series about a fictional vigilante serial killer, Twitchell assumed Dexter Morgan's profile on Facebook. But how far did he intend to take his fascination with Dexter? - Is the shocking document "S.K. Confessions" a graphic work of fiction that, as

Twitchell claims, he wrote to promote his film? Or is it a diary he kept of his transformation into a killer, and proof that the police stopped a prolific serial killer at the very beginning? Veteran journalist Steve Lillebuen provides a gripping investigative account of the nesting doll intricacies of the case, plunging us into the world of pop culture fanaticism and into the mind of a self-professed psychopath. Drawing on extensive interviews, Lillebuen illuminates what can happen when some of our culture's darkest obsessions are pushed to extremes.

Hiding a secret life as an assassin while working as a murder analyst for the Miami police, Dexter Morgan is intrigued by the work of a new serial killer whose style mimics his own and who Morgan realizes is inviting him into a deadly competition. Reprint. 15,000 first printing. (A Showtime series, premiering Fall 2006, starring Michael C. Hall, Jennifer Carpenter, and others)
(Suspense)

Dexter Is Dead University of Toronto Press

NATIONAL BESTSELLER • In his work as a Miami crime scene

investigator, Dexter Morgan is accustomed to seeing evil deeds—particularly because, on occasion, he commits them himself. Dexter's happy existence is turned upside down when he is called to an unusually disturbing crime scene at the university campus. • The Killer Character That Inspired the Hit Showtime Series *Dexter* Dexter's Dark Passenger—mastermind of his homicidal prowess—immediately senses something chillingly recognizable and goes into hiding. Dexter is alone for the first time in his life, and he realizes he's being hunted by a truly sinister adversary. Meanwhile he's planning a wedding and trying to learn how to be a stepfather to his fiancé's two kids—who might just have dark tendencies themselves. Macabre, ironic, and wonderfully entertaining, *Dexter in the Dark* goes deeper into the psyche of one of the freshest protagonists in fiction.

America's Favourite Serial Killer Harper Voyager

Riley Wolfe is a master thief, expert at disguise, and not averse to violence when it's needed. It's no accident, though, that Riley targets the wealthiest 0.1 percent and is willing to kill them when they're in his way: he despises the degenerate and immoral rich and loves stealing their undeserved and unearned valuables. In this series launch, Riley aims for an extraordinary target in a heist that will make history. Riley will try to steal the Crown Jewels of Iran. Yes, these jewels are worth billions, but the true attraction for grabbing them comes down to one simple fact: it can't be done. Stealing these jewels is absolutely impossible. The collection is guarded by space-age electronics and two teams of heavily armed mercenaries. No one could even think of getting past the airtight security and hope to get away alive, let alone with even a single diamond from the Imperial Collection. No one but Riley Wolfe. He's always liked a challenge. But this challenge may be more than even he can handle. Aside from the impenetrable security, Riley is also pursued by a brilliant and relentless cop who is barely a step behind him. With the aid of his sometime ally, a beautiful woman who is a master art forger, Riley Wolfe goes for the prize that will either make him a legend—or, more likely, leave him dead.

Dexter returns in a blood-soaked Australian adventure written by his creator, Jeff Lindsay! Dexter Morgan isn't just Miami's No. 1

forensic blood-spatter expert - he's also a serial killer who targets other killers! But when Dexter travels Down Under on the trail of a new murderer, he quickly learns that sharks aren't Australia's only deadly predator. Who is setting up illegal hunting safaris in the Outback, and are they targeting more than big game? Dexter investigates as only he can, but soon discovers that he isn't the hunter - he's the prey! Now Dexter is trapped in a private preserve where humans are in the crosshairs. Will this one end with a bang? COLLECTING: Dexter Down Under 1-5

Mind over Spatter Europa Editions

America's premier funny man and the Tony Award-winning composer of *A Chorus Line*; collaborated on this hit musical; a funny, romantic show about an established composer and his relationship with an aspiring young female lyricist, not unlike Carole Bayer Sager. Professionally, their relationship works beautifully, but ultimately leads to conflict on the home front. Of course, there's a happy ending.

Western Skies University of North Texas Press

Forensic analyst and nighttime vigilante Dexter Morgan discovers that he is being followed by a killer who is copying his methods, an adversary whom Dexter seeks to outmaneuver using his trademark knack for extricating himself from trouble.

Double Dexter Marvel

This timely collection provides a historical overview of violence in American popular culture from the Puritan era to the present and across a range of media. • Provides a narrative of the development of violence in American popular culture, illustrating both continuity and change • Combines an overview of each essay's subject matter with in-depth analysis of specific examples • Features discussion of well-known portrayals of violence, such as film and television, as well as lesser-known sources—for example, murder ballads and Puritan sermons—helping readers place contemporary concerns and examples into a detailed historical context • Suggests directions for future research and other developments in the field • Includes a keyword index to enable readers to track continuities across the various essays

Based on the true story of whistleblower Edward Snowden Harper Collins

In the middle of the Pacific, a gigantic hurricane accidentally triggered by nuclear explosions spawns dozens more in its wake. A world linked by a virtual-reality network experiences the

devastation first hand, witnessing the death of civilization as we know it and the violent birth of an emerging global consciousness. Vast in scope, yet intimate in personal detail, *Mother of Storms* is a visionary fusion of cutting-edge cyberspace fiction and heart-stopping storytelling in the grand tradition, filled with passion, tragedy, and the triumph of the human spirit. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Novel Pandora Magazine

A frightening, prophetic vision of our world... In Moscow's Sheremetyevo airport, fugitive US intelligence officer Joshua Kold is held in limbo, unable to leave the airport's transit area. He is on the run, after blowing the lid off the terrifying reach of covert American global surveillance operations. Will the Russian authorities grant him asylum, or will they hand him over the clutches of the global octopus eager for revenge for his betrayal? As this gripping psychological and political thriller unfolds, a Moscow lawyer takes Kold to a secret bunker and grills him intently on just why he did it. Upon Kold's answers hang not only his own fate, but much, much more as the true extent of this chilling 1984 world unfolds. Anatoly Kucherenka is the famous Russian lawyer who took on the case of the American whistleblower Edward Snowden whose revelations about US intelligence operations sent shockwaves around the world in 2013. *Time of the Octopus* is a fiction, but it is based on Kucherenka's own interviews with Snowden at Sheremetyevo, and provides the basis for Oliver Stone's major Hollywood movie 'Snowden' starring Joseph Gordon-Levitt, one of the movie events of 2016. According to Stone, "Anatoly has written a 'grand inquisitor'-style Russian novel weighing the soul of his fictional whistleblower against the gravity of a 1984 tyranny that has achieved global proportions. His meditations on the meaning of totalitarian power in the 21st century make for a chilling, prescient horror story." Is Kold simply a traitor, or the courageous hero of a terrifying struggle against the dark forces of oppression? Translated by John Farndon with Akbota Sultanbekova and Olga Nakston.

Dexter Morgan (6) Vintage Crime/Black Lizard

NATIONAL BESTSELLER • The Dexter series continues with Dexter's deadliest case yet. • The Killer Character That Inspired the Hit Showtime Series *Dexter* After his surprisingly glorious

honeymoon in Paris, life is almost normal for Dexter Morgan. Married life seems to agree with him: he's devoted to his bride, his stomach is full, and his homicidal hobbies are nicely under control. But old habits die hard—and Dexter's work as a blood spatter analyst never fails to offer new temptations that appeal to his offbeat sense of justice. Not to mention that his Dark Passenger still waits to hunt with him in the moonlight. The discovery of a corpse (artfully displayed as a sunbather relaxing on a Miami beach chair) naturally piques Dexter's curiosity and Miami's finest realize they've got a terrifying new serial killer on the loose. And Dexter, of course, is back in business.

Darkly Dreaming Dexter A Novel

Although Film Studies has successfully (re)turned attention to matters of style and interpretation, its sibling discipline has left the territory uncharted - until now. The question of how television operates on a stylistic level has been critically underexplored, despite being fundamental to our viewing experience. This significant new work redresses a vital gap in Television Studies by engaging with the stylistic dynamics of TV; exploring the aesthetic properties and values of both the medium and particular types of output (specific programmes); and raising important questions about the way we judge television as both cultural artifact and art form. *Television Aesthetics and Style* provides a unique and vital intervention in the field, raising key questions about television's artistic properties and possibilities. Through a series of case-studies by internationally renowned scholars, the collection takes a radical step forward in understanding TV's stylistic achievements.

The Art of the Obvious Pebble

"After seven national bestsellers and eight seasons as one of the most successful shows on television, New York Times bestselling author Jeff Lindsay bids a thrilling farewell to his uniquely twisted and beloved serial killer, Dexter Morgan. *Dexter Is Dead* is the definitive conclusion of the character who has become a global icon. Dexter Morgan has burned the candle at both ends for many years. Blood spatter analyst. husband. father. serial killer. And now, for the first time, his world has truly collapsed. Dexter is arrested on charges of murder. He has lost everything—including his wife, his kids, and the loyalty of his sister. Now completely alone, Dexter faces a murder charge (for a crime, ironically, he did not actually commit). His only chance for freedom lies with his

brother, Brian, who has a dark plan to prove Dexter's innocence. But the stakes are deadly, and the epic showdown that lies in Dexter's path may lead, once and for all, to his demise. Jeff Lindsay's trademark devilish wit and cutting satire have never been sharper. Dexter Is Dead marks the end of a beloved series, but is also Dexter's most satisfying and suspenseful outing yet"--

His Last Journal Harper Collins

A rousing science fiction debut from Michael Dorn, Worf of the immensely popular Star Trek television series and films. After cultural anthropologist Tony Miller's plane is blown off course, he must land on a strange tropical island. The natives capture Miller and force him to run a deadly gauntlet through the jungle towards

a strangely glowing boulder that they worship as a god. With a combination of luck and resourcefulness, Miller is able to quell the natives, and return to his lab at UC Berkeley to examine part of the boulder. But enroute, during a raging electrical storm, the rock is dislodged, crashing to earth... literally ripping Time/Space in the process.
