#### Legacy of Kings Penguin

With an un-cursed prince and king back on the throne, Sevana goes back to her usual routine without worry. But her peaceful days don't last for long. A hunter from a small northern village comes to her, pleading for help. The people in his village are disappearing during the night, transported great distances in their sleep, and they don't know why. Transportation magic such as this hasn't been seen since the days of great magic, hundreds of years past. On top of that, the power levels that Sevana sees are insanely high—far higher than any modern magic can reach. Sevana drops everything, racing toward the small village of Chastain, praying that she can find the source for all of this and stop it. Otherwise, the magical backlash might destroy Windamere.

#### *The Silver Gryphon* Tor Books

Vanyel has been born with near-legendary abilities that, if left untrained, may prove a menace not only to Vanyel but to others as well. So he is sent to his aunt, Savil, one of the fame Herald-Mages of Valdemar. Soon he will become the focus of frightening forces and raw magic. And by the time Savil seeks the assistance of a Shin'a'in Adept, Vanyel's wild talent may have already grown beyond anyone's ability to contain, placing Valdemar in desperate peril.

#### Denmark, 1513-1660 Titan Books

Mags, a young Herald trainee in Haven, is trained as a spy to uncover secrets held by a mysterious new enemy of the kingdom of Valdemar.

#### **Arrow's Flight** Turtleback Books

In this new series, set in the bestselling world of Valdemar, Heralds Mags and Amily must continue to protect the realm of Valdemar while raising their children and preparing them to follow in their footsteps. Mags, Herald Spy of Valdemar, and his wife, Amily, the King's Own Herald, are happily married with three kids. The oldest, Peregrine, has the Gift of Animal Mindspeech—he can talk to animals and persuade them to act as he wishes. Perry's dream is to follow in his father's footsteps as a Herald Spy, but he has yet to be Chosen by a Companion. Mags is more than happy to teach Perry all he knows. He regularly trains his children, including Perry, with tests and exercises, preparing them for the complicated and dangerous lives they will likely lead. Perry has already held positions in the Royal Palace as a runner and in the kitchen, useful places where he can learn to listen and collect information. But there is growing rural unrest in a community on the border of Valdemar. A report filled with tales of strange disappearances and missing peddlers is sent to Haven by a Herald from the Pelagirs. To let Perry experience life away from home and out in the world, Mags proposes that his son accompany him on an expedition to discover what is really going on. During their travels, Perry's Animal Mindspeech allows him to communicate with the local wildlife of the Pelagirs, whose connection to the land aids in their investigation. But the details he gleans from the creatures only deepen the mystery. As Perry, Mags, and their animal companions draw closer to the heart of the danger, they must discover the truth behind the disappearances at

the border—before those disappearances turn deadly.

Spy, Spy Again Penguin

Original.

### **Studies on the Christian**

**Interpretation of pre-Christian Cults and Beliefs in the Middle Ages** DAW Hardcover

The first novel in New York Times bestselling author Anne Bishop's *Tir Alainn* Trilogy. The youngest in a long line of witches, Ari senses that things are changing—changing for the worse. For generations, her kin have tended the Old Places, keeping the land safe and fertile. But with the *Summer Moon*, the mood of her neighbors has soured. And Ari is no longer safe. The Fae have long ignored what occurs in the mortal world, passing through on their shadowy roads only long enough to amuse themselves. But the roads are slowly disappearing, leaving the Fae Clans isolated and alone. Where harmony between the spiritual and the natural has always reigned, a dissonant chord now rings in the ears of both Fae and mortal. And when murmurs of a witch-hunt hum through the town, some begin to wonder if the different omens are notes in the same tune. And all they have to guide them is a passing reference to something called the Pillars of the World...

In just a few short years, David Weber has shot to the forefront of science fiction! The core of his work is Honor Harrington, the toughest, smartest starship captain in the galaxy. Now Weber invites you to join him and his invitees as they explore Honor's universe. *The Host and His Guests*: David Weber himself is on board, first telling how young Honor Harrington and her treecat Nimitz faced the impossible task of rescuing the victims of an avalanche in a sub-zero blizzard, then

revealing a chapter in the history of the telepathic treecats when a young human who bonded with a treecat was a Very Important Person. Specifically, she was a Manticoran crown princess and the heir to the throne of the empire.... Roland Green offers a hard-hitting account of what happened when Manticore and the People's Republic of Haven went eyeball-to-eyeball over a strategically vital planet.... Linda Evans looks at life among the treecats, before Honor.. .. Jane Lindskold tells how Honor's monarch, Elizabeth III, had to learn the hard way what monarchy is all about.... At the publisher's request, this title is sold without DRM (Digital Rights Management). ". .. something for every taste in Weber's fandom .. . intriguing background glimpses of Honor's¾and Nimitz's¾worlds." ¾Publishers Weekly "Recommended." ¾Library Journal "Heartwarming and insightful..." ¾VOYA *The Saga of the Renunciates* Bantam Talia, having mastered her psychic and empathic powers, is chosen to be a Herald by the Companions, but must face a testing period before she becomes the Queen's protector

**Storm Rising** Penguin

Mags returns to the Collegium, but he is afraid that his presence will incite more danger in the heart of Valdemar. With Herald Jadrek, Herald Kylan and his friends Bear, Lena, and Amily, he heads for the bastion: the hidden spot in the hills that had once been the headquarters of a powerful band of raiders that had held him and his parents prisoner.

**The Dreamer's Curse** Penguin

In *Storm Rising*, mysterious mage-storms are wreaking havoc on Valdemar, Karse, and all the kingdoms of the West, plaguing these lands not only with disastrous earthquakes, monsoons, and

ice storms, but also with venomous magical constructs - terrifying creatures out of nightmare. Both Valdemar's Heralds and Karse's Sunpriests struggle to marshal their combined magical resources to protect their realms from these devastating, spell-fueled onslaughts. But as the situation becomes bleaker and bleaker, the still fragile alliance between these long-hostile lands begins to fray. And unless Valdemar and Karse can locate and destroy the creator of the storms, they may see their entire world demolished in a final magical holocaust.

An Adventure in the Land of Xanth D A W Books, Incorporated

Magpie, a teen orphan, escapes a life of slavery in the gem mines when he is chosen by one of the magical Companion horses of Valdemar to become a Herald, in which role he discovers talents that he never knew he had and witnesses the founding of the Heralds' Collegium. Reprint. A best-selling novel.

*Book Five of the Collegium Chronicles (A Valdemar Novel)* Penguin

In March 1987, Mercedes Lackey, a young author from Oklahoma, published her first novel, *Arrows of the Queen*. No one could have envisioned that this modest book would be the beginning of a fantasy career that would span decades and more than a hundred novels, with no signs of slowing yet. And among Ms. Lackey's many novels, few are as critically-acclaimed and beloved as those of the *Elemental Masters*. The novels in this series are loosely based on classic fairy tales, and take place in a fantasy version of turn-of-the-century London, where magic is real and *Elemental Masters* control the powers of Fire, Water, Air and Earth. Now the voices of other authors join Mercedes

Lackey to add their own special touches to this delightful alternate history, in a world where magic is always just around the corner...

#### Home From the Sea Daw Books

Now in paperback, the third novel of the Family Spies series, set in the bestselling world of Valdemar, where Heralds Mags and Amily's youngest child must follow in his parents' footsteps to protect both his family and the realm. Thirteen year old Prince Kyril and Mags and Amily's fourteen-year-old son Tory "share" the Gift of Farsight--although neither of them are Chosen. They are self-trained, though currently, their shared Gift only allows them to see what is happening with their immediate family members. After much debate, the Herald's Collegium has decided to test and train them anyway. That's when the surprises start. They do not share a single Gift; they have two complementary Gifts working together in a way that the Heralds have never seen before. Tory is the Farseer--Kee's Gift is to extend his range beyond a few dozen feet. Their Gifts become crucial when Mags gets a desperate message from his cousin Bey, the head of the enigmatic assassin-tribe, the Sleepgivers. Bey's eldest daughter has been kidnapped, but he doesn't know why or by whom. He's calling in the debt Mags owes him to find his daughter before it's too late. Tory is certain that if anyone can find her, he can. But that will mean traveling out of Valdemar into an unknown, dangerous country. And it will mean taking a Royal Prince with him.

**Elementary (All-New Tales of the Elemental Masters)** Titan Publishing Company

Moving to Calgary to take over her late grandmother's junk shop, charm-caster Alysha Gale learns that she will be

serving the fey community, which proves to be deeply troubled with problems that may be more than Alysha's family can solve. By the author of *The Keeper's Chronicles*.

*The Enchantment Emporium* Penguin  
New York Times-bestselling author Mercedes Lackey's Herald Spy series, set in the beloved fantasy world of Valdemar Herald Mags, Valdemar's first official Herald Spy, is well on his way to establishing a coterie of young informants, not only on the streets of Haven, but in the kitchens and Great Halls of the highborn and wealthy as well. The newly appointed King's Own Herald, Amily, although still unsure of her own capability in that office, is doing fine work to support the efforts of Mags, her betrothed. She has even found a way to build an army of informants herself, a group of highly trained but impoverished young noblewomen groomed to serve the highborn ladies who live at Court, to be called "The Queens's Handmaidens." And King Kyril has come up with the grand plan of turning Mags and Amily's wedding into a low-key diplomatic event that will simultaneously entertain everyone on the Hill and allow him to negotiate behind the scenes with all the attending ambassadors—something which had not been possible at his son Prince Sedric's wedding. What could possibly go wrong? The answer, of course, is "everything." For all is not well in the neighboring Kingdom of Menmellith. The new king is a child, and a pretender to the throne has raised a rebel army. And this army is—purportedly—being supplied with arms by Valdemar. The Menmellith Regency Council threatens war. With the help of a ragtag band of their unlikely associates, Mags and Amily will have to determine the real culprit, amass the

evidence to convince the Council, and prevent a war nobody wants— —and, somewhere along the way, get married.

The Rise and Decline of a Renaissance Monarchy Titan Books

A former captain in the Army of Karse,

Herald Alberich must protect King Sendar's daughter, Selenay, the new queen of Valdemar, from the devious members of the Valdemaran Council who unleash a campaign to strip her of her power. Reprint.
