Unfortunately, much of what has been written about software engineering comes from an academic perspective which does not always address the everyday concerns that software developers and managers face. With decreasing software budgets and increasing demands from users and senior management, technology directors need a complete guide to the subject

NEW YORK TIMES BESTSELLER "Reilly pokes more holes in Trump's claims than there are sand traps on all of his courses combined. It is by turns amusing and alarming."-- The New Yorker "Golf is the spine of this shocking, wildly humorous book, but humanity is its flesh and spirit." -- Chicago Sun-Times "Every one of Trump's most disgusting qualities surfaces in golf." -- The Ringer An outrageous indictment of Donald Trump's appalling behavior when it comes to golf -- on and off the green -- and what

it reveals about his character. Donald Trump loves golf. He loves to play it, buy it, build it, and operate it. He owns 14 courses around the world and runs another five, all of which he insists are the best on the planet. He also claims he's a 3 handicap, almost never loses, and has won an astonishing 18 club championships. How much of all that is true? Almost none of it, acclaimed sportswriter Rick Reilly reveals in this unsparing look at Trump in the world of golf. Based on Reilly's own experiences with Trump as well as interviews with over 100 golf pros, amateurs, developers, and caddies, *Commander in Cheat* is a startling and at times hilarious indictment of Trump and his golf game. You'll learn how Trump cheats (sometimes with the help of his caddies and Secret Service agents), lies about his scores (the "Trump Bump"), tells whoppers about the rank of his courses and their worth (declaring that every one of them is worth \$50 million), and tramples the etiquette of the game (driving on greens doesn't help). Trump doesn't brag so much, though, about the golf contractors he stiffes, the course neighbors he intimidates, or the way his golf decisions wind up infecting his political ones. For Trump, it's always about winning. To do it, he uses the tricks he picked up from the hustlers at the public course where he learned the game as a college kid, and then polished as one of the most bombastic businessmen of our time. As Reilly writes, "Golf is like bicycle shorts. It reveals a lot about a man." *Commander in Cheat* "paints a side-splitting portrait of a congenital cheater" (*Esquire*), revealing all kinds of unsightly truths Trump has been hiding.

"Drawing on interviews conducted throughout New York City, Black feminist criminologist Janet Garcia-Hallett shares the traditionally silenced voices of formerly incarcerated mothers of color. Patriarchy, misogyny, and systemic racism marginalize and

criminalize these mothers, pushing them into the grasp of penal control and exacerbating their racialized and gendered oppression after incarceration. *Invisible Mothers* exposes the difficult realities that African American, West Indian, and Latina mothers experience when reentering the community after incarceration and navigating motherhood. Armed with critical insight, *Invisible Mothers* demonstrates the paradox of visibility: social institutions treat mothers of color as invisible, restricting them from equal opportunities, and simultaneously as hypervisible, penalizing them for the ways they survive their marginalization. Though formerly incarcerated mothers of color are forced to live in a state of disempowerment and hypersurveillance, *Invisible Mothers* reveals and contests their marginalization and highlights how mothers of color perform motherwork on their own terms"--

Need help with Big 4 Interview Questions? The most important part of the big 4 interview process is...confidence. How can you get confidence? You can gain access to the questions that you will be asked, and you can also learn how to answer those questions. Imagine walking into a big 4 interview and knowing the type of questions that you will be asked and how to answer them? Wouldn't that feel amazing? That what the Big 4 Interview Questions book offers. Blow the big 4 recruiters and big 4 partners that you interview with away with your confidence and knowledge after you read this book. We've made the questions in our interview book so thorough so that you won't stumble on any questions on your big 4 interviews. Brought to you by the team behind the Amazon ebook -- The Big 4 Accounting Firms Recruiting Guide We are a team of Certified Public Accountants ("CPA's") who work at the Big Four (Pricewaterhousecoopers,

KPMG, Ernst & Young or Deloitte). We all have at least 8 years of Big 4 experience. This book offers: □ questions that you can ask your big 4 recruiter □ questions that you can ask your big 4 partner □ a free resume template at the end of the book. □ over 30 interview questions and answers to help you get ready This book will help you shed your fear of not having enough knowledge about the big 4 interview process and how the big 4 operate. You don't need to know every single thing about how the big 4 operate, but we focus you in on the key simple areas that will 10X your chances of being one of the top big 4 candidates. The format of the book is to first provide you with the question that will be asked in the interview. Then we provide the reason around why the big 4 ask that question. Then we give what a bad answer would be to the questions, and what a good answer would be. The reason we formatted the book this way is to help you understand the types of questions that you will be asked and why you are being asked those questions. There are too many times where I have interviewed candidates, and they answered with an inappropriate answer. They didn't respond inappropriately because they are stupid or bad people. They responded inappropriately because they didn't practice or no one taught them how to interview. There are several categories that the big four public accounting firms like EY, Deloitte, PwC and KPMG test you on when they interview you. We try to cover as many of the categories as possible in this book. The big 4 interview questions are split into these categories. The skills that the top 4 accounting firms will test you on are:1. Ability to face change2. Ability to learn on the job3. Your courage and integrity4. You client relationship skills5. Can you build and sustain

relationships?6. Can you coach others?These and many other categories are covered in the big 4 interview questions books. We categorize our questions to help you think about your answers in a more thoughtful manner. Big 4 Accounting Firms Interview Questions will help you understand the: 📄 PwC interview questions and answers 📄 KPMG interview questions and answers 📄 EY interview questions and answers 📄 Deloitte interview questions and answers Don't forget to use the Look Inside feature to get a preview of what our book has to offer including a Free Big 4 Accounting Resume Template.You might also have a negative mindset that you feel like you can't shake. We have some tips on how to stay positive throughout the recruiting process. Even if you aren't a positive person, we tell you how to come off to Big 4 professionals as a positive individual.
