*Drunk Mom* Washington Square Press  
 A new series of bespoke, full-coverage resources developed for the 2015 GCSE English qualifications. Endorsed for the AQA GCSE English Literature specification for first teaching from 2015, this print Student Book provides specific set text coverage for the Shakespeare aspect of the specification. With progress at its heart and designed for classroom and independent use, students will build their skills through a range of active learning approaches, including class, group and individual activities. Incorporating differentiated support, activities will also help students develop whole-text knowledge. An enhanced digital version and free Teacher's Resource are also

available.

American Education Musson Book Company

Among the most enduring poetry of all time, William Shakespeare's 154 sonnets address such eternal themes as love, beauty, honesty, and the passage of time. Written primarily in four-line stanzas and iambic pentameter, Shakespeare's sonnets are now recognized as marking the beginning of modern love poetry. The sonnets have been translated into all major written languages and are frequently used at romantic celebrations. Known as "The Bard of Avon," William Shakespeare is arguably the greatest English-language writer known. Enormously popular during his life, Shakespeare's works continue to resonate more than three centuries after his death, as has his influence on theatre and literature. Shakespeare's innovative use of

character, language, and experimentation with romance as tragedy served as a foundation for later playwrights and dramatists, and some of his most famous lines of dialogue have become part of everyday speech. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

( Annotated ) ABDO Publishing Company  
 From the author of "Celestial Sleuth" (2014), yet more mysteries in art, history, and literature are solved by calculating phases of the Moon, determining the positions of the planets and stars, and identifying celestial objects in paintings. In addition to helping to crack difficult cases, these studies spark our imagination and

provide a better understanding of the skies. Weather archives, vintage maps, tides, historical letters and diaries, military records and the assistance of experts in related fields help with this work. For each historical event influenced by astronomy, there is a different kind of mystery to be solved. How did the changing tides affect an army's battle plans? How did the phases of the moon affect how an artist painted a landscape? Follow these exciting investigations with a master "celestial sleuth" as he tracks down the truth and helps unravel mysteries as far back as the Middle Ages and as recent as the iconic 1945 photograph of a kiss in Times Square on VJ Day. Topics or "cases" pursued were chosen for their wide public recognition and intrigue and involve artists such as Vincent van Gogh and Claude Monet; historical events such as the campaigns of Braveheart in Scotland and battles in World War II and the Korean War; and literary authors such as Chaucer, Cervantes, Shakespeare, Byron, and Edgar Allan Poe.

Hamlet is a tragedy by William Shakespeare, believed to have been written between 1599 and 1601. The play, set in Denmark, recounts how Prince Hamlet exacts revenge on his uncle Claudius, who has murdered Hamlet's father, the King, and then taken the throne and married Hamlet's mother. The play vividly charts the course of real and feigned madness—from overwhelming grief to seething rage—and explores themes of treachery, revenge, incest, and moral corruption.

[A Comparison between Shakespeare's Macbeth, Polanski's film adaptation from 1971 and Kurzel's film adaptation from 2015](#) Castrovilli Giuseppe

"An intense, complex and disturbing story, bravely and beautifully told. I read Drunk Mom with my jaw on the floor, which doesn't happen to me that often." —Lena Dunham Three years after giving up

drinking, Jowita Bydlowska found herself throwing back a glass of champagne like it was ginger ale. It was a special occasion: a party celebrating the birth of her first child. It also marked Bydlowska's immediate, full-blown return to crippling alcoholism. In the gritty and sometimes grimly comic tradition of the bestselling memoirs *Lit* by Mary Karr and *Smashed* by Koren Zailckas, *Drunk Mom* is Bydlowska's account of the ways substance abuse took control of her life—the binges and blackouts, the humiliations, the extraordinary risk-taking—as well as her fight toward recovery as a young mother. This courageous memoir brilliantly shines a light on the twisted logic of an addicted mind and the powerful, transformative love of one's child. Ultimately it gives hope, especially to those struggling in the same way.

*Amplifying the Curriculum* HarperCollins  
Critical and historical notes accompany Shakespeare's drama of murder, political ambition, and the persistence of guilt.  
*The Song of Achilles* Independently Published

DUNCAN. What bloody man is that? He can report, As seemeth by his plight, of the revolt The newest state. MALCOLM. This is the sergeant Who, like a good and hardy soldier, fought 'Gainst my captivity. —Hail, brave friend! Say to the King the knowledge of the broil As thou didst leave it. SOLDIER. Doubtful it stood; As two spent swimmers that do cling together And choke their art. The merciless

Macdonwald (Worthy to be a rebel, for to that The multiplying villainies of nature Do swarm upon him) from the Western Isles Of kerns and gallowglasses is supplied; And Fortune, on his damned quarrel smiling, Show'd like a rebel's whore. But all's too weak; For brave Macbeth (well he deserves that name), Disdaining Fortune, with his brandish'd steel, Which smok'd with bloody execution, Like Valour's minion, carv'd out his passage, Till he fac'd the slave; Which ne'er shook hands, nor bade farewell to him, Till he unseam'd him from the nave to the chops, And fix'd his head upon our batt

In 2011, I began creating online tutorial videos on Youtube, with a vision to share my GCSE expertise in English language and literature. As I write, these videos have been viewed over 10 million times across 214 different nations. My GCSE English Youtube channel has over 60,000 subscribers. To accompany these videos, I have published over 20 revision guide eBooks—one of which you are currently looking at! My guide to the previous GCSEs in English language and literature sat at the top of the Amazon bestseller's list for over 45 weeks and achieved huge acclaim; this book aims to build on those strengths. In this ebook, you'll receive detailed guidance on every question in the AQA GCSE English Language exams. Please note that this ebook is not endorsed by or affiliated to any exam boards; I am simply an experienced teacher using my expertise to help students. However, if you read some of the 100+ reviews for this guide, you will see that it has already helped students, teachers and parents across the UK. As an extra bonus, this ebook contains links to five special video tutorials which are only available to those who purchase this guide. These links appear later in the text. I hope you enjoy the ebook. You should also purchase the accompanying eBook which covers the English Literature exams.

Hannah Capin's *Foul is Fair* is a bloody, thrilling revenge fantasy for the girls who have had enough. Golden boys beware: something wicked this way comes. Jade and her friends Jenny, Mads, and Summer rule their glittering LA circle. Untouchable, they have the kind of power other girls only dream of. Every party is theirs and the world is at their feet. Until the night of Jade's sweet sixteen, when they crash a St. Andrew's Prep party. The night the golden boys choose Jade as their next target. They picked the wrong girl. Sworn to vengeance, Jade transfers to St. Andrew's Prep. She plots to destroy each boy, one by one. She'll take their power, their lives, and their control of the prep school's hierarchy. And she and her coven have the perfect way in: a boy named Mack, whose ambition could turn deadly.

Macbeth. Trauerspiel Macbeth Original Text  
[Original Text](#) Wednesday Books  
This book presents an ambitious model for how educators can design high-quality, challenging, and supportive learning

opportunities for English Learners and other students identified to be in need of language and literacy support. Starting with the premise that conceptual, analytic, and language practices develop simultaneously as students engage in disciplinary learning, the authors argue for instruction that amplifies—rather than simplifies—expectations, concepts, texts, and learning tasks. The authors offer clear guidance for designing lessons and units and provide examples that demonstrate the approach in various subject areas, including math, science, English, and social studies. This practical resource will guide teachers through the coherent design of tasks, lessons, and units of study that invite English Learners (and all students) to engage in productive, meaningful, and intellectually engaging activity. “This book offers the most detailed guide available for designing instruction for students categorized as ELLs. Theoretically grounded and informed by years of implementation and study, this work is without equal in the field. I recommend the book enthusiastically as required reading in all teacher preparation programs.” —Guadalupe Valdés, Bonnie Katz Tenenbaum Professor of Education, Stanford Graduate School of Education “Reflecting its title, this book is an amplification of what it means to provide the best learning opportunities for English Language learners. Drawing on classroom-based research, *Amplifying the Curriculum* offers many practical examples of intellectually engaging units and tasks. This innovative book belongs on the bookshelves of all teachers.” —Pauline Gibbons, UNSW Sydney “This timely book is a call to educators across the nation to integrate language, literacy, and disciplinary knowledge to improve the education of our new American students.” —Tatyana Kleyn, The City College of New York

Seminar paper from the year 2016 in the subject English - Literature, Works, grade: 1,3, University of Tübingen, language: English, abstract: In the following, the original play will be compared to the film adaptations by Roman Polanski in 1971 and by Justin Kurzel in 2015. Additionally, the most important scenes and essential details in all three will be analyzed.

Although technological progress affords humanity new possibilities in all sectors, be it communication systems, the news, education, bank transactions, or entertainment, it is inconceivable to dispense with books, letters or newspapers. Especially in the entertainment category, movies today are what novels were decades and centuries ago. They tell stories, history, sciences, etc. and like books they are grouped into various genres. By this observation they seem quite similar and the obvious difference is the textual information transfer of books compared to the audio-visual of movies. Not only “Macbeth”, but most of Shakespeare’s plays have been turned into films. His plays are surprisingly relevant in contemporary life and school. They are an integral component of general knowledge. The significance of “Macbeth” is obvious when you see how often it was reused. Already by 1908, the director Stuart Blackton produced the first film version of Shakespeare’s tragedy whereon many more followed, the best known by Welles, Kurosawa and Polanski. But how could these two famous directors transfer Shakespeare’s stage play into movies? Is the content adopted accurately or is it falsified? And what changes were accidentally or deliberately made? *CliffsNotes on Shakespeare's Macbeth* Cambridge University Press It's a comedy! It's a tragedy! It's...confusing! Shakespeare doesn't have to be confusing and hard to read. Let BookCaps help with this modern retelling. If you have struggled in the past reading Shakespeare, then BookCaps can help you out. This book is a modern translation of *All's Well That Ends Well*. The original text is also presented in the book, along with a comparable version of both text. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.

The tragedy of Romeo and Juliet - the greatest love story ever. *Macbeth* Rowman & Littlefield SHORTLISTED FOR THE ORANGE PRIZE FOR FICTION 2012 Greece in the age of heroes. Patroclus, an awkward young prince, has been exiled to the court of King Peleus and his perfect son Achilles. Despite their differences, Achilles befriends the shamed prince, and as they grow into young men skilled in the arts of war and medicine, their bond blossoms into something deeper - despite the displeasure of Achilles’s mother Thetis, a cruel sea goddess. But when word comes that Helen of Sparta has been kidnapped, Achilles must go to war in distant Troy and fulfill his destiny. Torn between love and fear for his friend, Patroclus goes with him, little knowing that the years that follow will test everything they hold dear. *Foul is Fair* Macbeth.
