Edgar Cayce on Reincarnation and Family Karma ARE Press
Edgar Cayce's rare mind tuned to the Universal Mind gives us extraordinary insights into the power of our own minds. In this fascinating book, Cayce illustrates how thoughts are things, that may become crimes or miracles in our lives. He explains how by changing our thinking patterns, we can change our life for the better. He also gives a unique view into our mind at sleep, describing the influences motivating our dreams and visions, and showing us how to better interpret them. He clarifies why the dreaming mind is so much more important to us than we realize. He also addresses the need to move away from a too self-centered consciousness, opening up to a larger consciousness with powerful intuition and precognition.

EDGAR CAYCE ON MASTERING YOUR SPIRITUAL GROWTH What if God were completely loving, the universe completely orderly, and everything that transpired in life a purposeful experience chosen at some level by the soul for spiritual growth and soul development? Such is the premise of *Edgar Cayce on Mastering Your Spiritual Growth*. Drawing upon contemporary examples as well as historical case studies of individuals who received psychic guidance from Edgar Cayce, this insightful volume examines the activities of soul growth and the process of personal transformation that will ultimately enable all individuals to transform themselves as well as society and the world at large. For countless ages, people have asked Who am I? Why am I here? And does my life have a purpose? The answers to these questions were explored by thousands of individuals who came to the famed psychic Edgar Cayce, and they are answers that are just as applicable today. The ultimate truth is that we are spiritual beings having a physical experience living purposeful lives in a process of soul growth. The keys to that process are working with a personal spiritual intent or ideal, discovering our own approach to personal attunement, and repeatedly working with personal application. The Cayce information contends that it is the inevitable destiny of every soul is to become cognizant of its true relationship to the Creator, eventually achieving spiritual enlightenment in the process. This stage of enlightenment was described by Cayce as "the Christ Consciousness" and has been demonstrated by such individuals as Jesus. What if a new

understanding of the nature of the soul and the purpose of life on earth could transform humankind? Such is the premise in the Cayce information.

The Power of Your Mind: An Edgar Cayce Series Title Penguin
Science caught up with the psychic readings of Edgar Cayce when it proved that all of materiality - consisting of atoms and therefore protons, neutrons, and electrons - is energy in motion. Everything is a vibration. Even the body's five senses operate through the use of vibrations. The Cayce readings suggested that vibrations were also associated with healing, consciousness, and even locations. In fact, the Cayce information presents the premise that all of life in every dimension is actually just different manifestations of the One Force - the Force that moved all of Creation into being. Therefore, all vibration is ultimately that One Force manifesting in the material world in a variety of ways. Todeschi's latest title explores how everything from consciousness to the material is connected to vibration, and how we continue to create and shape our world through the vibrations all around us. Vibrations are essentially spirit in motion and our thoughts and actions affect our life and the way we are living.

A new edition of the landmark, worldwide bestseller on the life of the famed medical clairvoyant and founding father of the New Age: Edgar Cayce. Edgar Cayce (1877-1945) is known to millions today as the grandfather of the New Age. A medical clairvoyant, psychic, and Christian mystic, Cayce provided medical, psychological, and spiritual advice to thousands of people who swore by the effectiveness of his trance-based readings. But Cayce was not always a household name. When a young, skeptical journalist named Thomas Sugrue first met Cayce in 1927 the world had not yet heard of the "sleeping prophet." During years of unique access, Sugrue completed his landmark biography, which on its publication in 1942 brought national attention to Cayce and stands as the sole record written during the seer's lifetime. This edition includes a new introduction by historian Mitch Horowitz that highlights the enduring significance of Cayce's message and the role this book played in its dissemination.

For the late psychic Edgar Cayce, the aura provided a pictorial representation of an individual's health, thoughts, talents, and life potentials as well as karmic lessons and even past lives. In a very real sense, the aura functions as a barometer of the whole self—body, mind, and spirit. Psychic Carol Ann Liaros and Cayce expert Kevin J. Todeschi have joined together to present a unique volume that teaches you to access your intuitive self in order to see these auras and colors and then goes on to explain their meaning as based on the well-documented readings of Edgar Cayce. Their work explores colors and the human aura in a way that provides practical tools for understanding that can be applied in your own life right now.

Planetary Influences & Sojourns Simon and Schuster

Of all of his clairvoyant excursions into the past, some of the most remarkable information that came through Edgar Cayce (1877-1945), explored the activities of a little known Jewish sect called the Essenes. More than eleven years before the Dead Sea

Scrolls were found in 1947, Cayce's readings provided detailed descriptions of the Essenes, their activities, their community, the records they kept, and the fact that both men and women were members of the society. In one reading, Cayce was asked to explain the term Essene, "(Q) What is the correct meaning of the term 'Essene'? The answer was given simply as, "(A)

Expectancy." The readings go on to suggest that it was this group who took upon itself the entrance of the Messiah into the earth!

Creating Life Seals, Aura Charts, and Understanding the

Revelation A.R.E. Press (Association of Research & Enlightenment)

Edgar Cayce, the most documented psychic of all time, recommended exploring three tools for personal symbolism that would assist in personal growth and enlightenment: Creating Life Seals, Creating Aura Charts, and Understanding the Book of Revelation. From Cayce's perspective, a Life Seal is a personal mandala that can be used as a tool for reflection—a reminder of what she or he hopes to accomplish in life. An Aura Chart is a visual depiction of an individual's unique Akashic Record and represents a soul's lessons, attainments, failures and developments over many lifetimes. Cayce's unique approach to the Book of Revelation is that it is a symbolic exploration of archetypal images, patterns, and processes that correspond to the awakening of the Higher Self. It depicts not an external process related to world events but instead an internal one that portrays the struggles that occur within each individual as spiritual development takes place and the basic lower nature of

humankind evolves to its higher spiritual nature. You will discover how these tools of symbolism can be used to cultivate your soul talents, to accomplish your mission in life, to overcome weaknesses, to enhance your soul memory, to remember your past lives and even as a means of personal attunement. Edgar

Cayce on Soul Symbolism presents timely information on how symbolism can be used to understand yourself and even your connection to the divine. In addition, the volume contains examples of Life Seals and Aura Charts from the Cayce files, as well as two dictionaries of symbols for your easy reference.
