For over 25 years Rob Siegel has written

a monthly column called "The Hack
Mechanic" for the BMW Car Club of

America's magazine Roundel. In *Memoirs*

of a Hack Mechanic, Rob Siegel shares

his secrets to buying, fixing, and driving

cool cars without risking the kids' tuition

money or destroying his marriage. And

that's something to brag about

considering the dozens of cars, including

twenty-five BMW 2002s, that have

passed through his garage over the past

three decades. With a steady dose of

irreverent humor, *Memoirs of a Hack*

Mechanic blends car stories, DIY advice,

and cautionary tales in a way that will

resonate with the car-obsessed (and the

people who love them).
